MCCANN CRISTINA

Vault Guide to the Top Boston and Northeast Law Firms Vault Inc.

Vault, the authority on legal employment, brings lawyers and law students inside information on firm culture and compensation at more than 50 major firms in the Big Apple.

The Indian Legal Profession in the Age of Globalization Cambridge University Press
Features a ranking of the top law firms for real estate law and includes detailed profiles of each of the law firms ranked in this practice area, as well as candid reviews from current employees.

Vault Guide to the Top New York Law Firms Macmillan

Veteran legal issues reporter Kim Eisler takes us behind the scenes into mega law firm Williams & Connolly, guiding us on a journey through the many storied cases that have served to shape current policies in public and private sector alike For the past twenty years, author and journalist Kim Eisler has covered the law firm of Williams & Connolly, first at American Lawyer Magazine, then for Legal Times and since 1993 as National Editor of Washingtonian Magazine. More than any other writer, Kim has unprecedented and unusual contacts and relationships with the partners, as well as a background knowledge and familiarity with the firm's history and personnel over the past two decades. In *Masters of the Game*, Eisler sets out to demonstrate how the disciples of Edward Bennett Williams went beyond anyone's expectations and came to occupy key roles in American culture and business. In the last ten years of his life, Williams, the founder of Williams and Connolly, often said he was building not just a law firm but a monument. *Masters of the Game* is not only about a law firm, but about how the philosophy and practices of this particular law firm have spread out beyond Washington to dominate business, finance, sports and the American psyche itself through its influence with past, present and future political, corporate and media figures.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Model Rules of Professional Conduct AuthorHouse

A revealing portrait of the rise of Skadden, Arps, Slate, and Flom, which became the world's most profitable law firm in the 1970s and 1980s, explores the culture of American law, offering fascinating insights about American business and American society. Reprint.

Law Firm Selection and the Value of Transactional Lawyering BRILL

A first-of-its-kind book of honest reflections, straight talk, and essential advice about life at big law firms for people of color What do young people of color aspiring to careers in the law need to know

about life at big law firms? What do law schools need to do to prepare them? What do the firms themselves need to do to attract, retain, and promote them? In *Raising the Bar*, four partners of color from leading law firms engage in a no-holds-barred conversation about what it takes to make it in big law using their own journeys to the top to discuss how law firms can do a better job of attracting and holding on to a more diverse set of young attorneys. They also offer advice to the attorneys themselves on how to succeed in a culture that has long excluded them, including finding mentors among those who don't look like you, building a portable toolkit of skills, establishing key connections outside the firm, and staying "true to you," even as young associates of color navigate the foreign terrain of insular firm culture. The book also includes a section of concrete advice from diversity coordinators at several top law firms.

The Startup Law Playbook Vault Inc.

For the first time, Vault offers a guide focused entirely on major law firms with large offices in Southern California. Covering more than 55 firms in the major legal markets of Los Angeles, San Diego and Orange County, this Vault Guide is the only insider's guide to law firms in sunny Southern California. Based on interviews and surveys of attorneys at each firm, it provides in-depth coverage of prestige, compensation, perks, corporate culture, and other legal lifestyle issues.

[So, You Wanna Be a Lawyer at a Big Law Firm?](#) Vault Inc.

Introduces the elite corporate law firms and some of their unique contributions to economic, social, and political developments in recent years.

The Best Book On Getting Corporate Law Jobs Vault Inc.

"As a young partner at Dunn & Sullivan, one of New York's most prestigious law firms, Carney Blake has represented dozens of high-profile clients. But being a pawn of Big Law often means defending the corporate dirt bags of the world--the spillers, the drillers, and the killers. Morality aside, Carney is starting to make a name for himself ... So when Carney is suddenly asked by his firm's chairman to represent the plaintiffs in a class action lawsuit--and not, as usual, the corporate bad guys--he warily accepts. Maybe they're turning a corner, he thinks"--

Big Law Confidential Vault Inc.

This book provides the first comprehensive analysis of the impact of globalization on the Indian legal profession. Employing a range of original data from twenty empirical studies, the book details the emergence of a new corporate legal sector in India including large and sophisticated law firms and in-house legal departments, as well as legal process outsourcing companies. As the book's authors document, this new corporate legal sector is reshaping other parts of the Indian legal profession, including legal education, the development of pro bono and corporate social responsibility, the regulation of legal services, and gender, communal, and professional hierarchies with the bar. Taken as a whole, the book will be of interest to academics, lawyers, and policymakers interested in the critical role that a rapidly globalizing legal profession is playing in the legal, political, and economic development of important emerging economies like India, and how these countries are integrating into the institutions of global governance and the overall global market for legal services.

Lethal Lawyers dissects the cutthroat culture and ruthless world of big money law firms. Infighting,

carnage, and sexual favors are the rule of law at the Los Angeles office of Thorne & Chase, an internationally renowned firm famous for winning at all costs. A firm whose partners and associates cannibalize each other battling for money, power, love, clients, and ultimately their own survival. With blue-collar idealism and onerous student loans Sophia Christopoulos, first year associate, covets the firm's money and power. But her new friendships, love, and success come with a price she didn't expect -- disillusionment, murder, and betrayal. As Sophia struggles for her survival, she is hurled into a murder investigation. She is torn between ethics and firm politics, as well as love and truth. She fights to save her career and life when she becomes a star witness and then herself a target.

[Vault Guide to the Top Southeastern Law Firms](#) Hyperink Inc

Tournament of Lawyers traces in detail the rise of one hundred of the nation's top firms in order to diagnose the health of the business of American law. Galanter and Palay demonstrate that much of the large firm's organizational success stems from its ability to blend the talents of experienced partners with those of energetic junior lawyers driven by a powerful incentive—the race to win "the promotion-to-partner tournament." This calmly reasoned study reveals, however, that the very causes of the spiraling growth of the large law firm may lead to its undoing. "Galanter and Palay pose questions and offer some answers which are certain to change the way big firm practice is regarded. To describe their work as challenging is something of an understatement: they at times delight, stimulate, frustrate and even depress the reader, but they never disappoint. Tournament of Lawyers is essential to the understanding of the business of the big law firms."—Jean and Colin Fergus, *New York Law Journal*

[Vault Guide to the Top Law Firms for Real Estate Law](#) Createspace Independent Publishing Platform
The legal industry has long been risk averse, but when it comes to adapting to the experience-driven world created by companies like Netflix, Uber, and Airbnb, adherence to the old status quo could be the death knell for today's law firms. In *The Client-Centered Law Firm*, Clio cofounder Jack Newton offers a clear-eyed and timely look at how providing a client-centered experience and running an efficient, profitable law firm aren't opposing ideas. With this approach, they drive each other. Covering the what, why, and how of running a client-centered practice, with examples from law firms leading this revolution as well as practical strategies for implementation, *The Client-Centered Law Firm* is a rallying call to unlock the enormous latent demand in the legal market by providing client-centered experiences, improving internal processes, and raising the bottom line.

So, You Wanna Be a Lawyer at a Big Law Firm? is an insider's view of life at a large law firm. It is an indispensable resource for those considering big law firm practice as well as an enlightening read for those curious about what goes on at large law firms on a daily basis. It encompasses all aspects of life at a big firm, including power and politics, compensation, firing methodology and lawyer dissatisfaction. What is more, this book questions and explores the legitimacy of how you can do anything with a law degree. In addition, the benefits of a law degree, in general, are discussed as well as the benefits of gaining experience at a large law firm. Finally, *So, You Wanna Be a Lawyer at a Big Law Firm?* details how current market conditions are affecting large firm hiring practices and compensation.

Now in its Second Edition "Growth is Dead" addresses the future of "BigLaw" (or "SophisticatedLaw") in the wake of the great financial reset of 2008 and its continuing repercussions including: (a) relentless pricing pressures; (b) excess capacity; (c) partner expectations; and (d) the accelerating entry of new "legal service provider" organizations, with all their implications for career paths, the traditional leveraged staffing model of law firms, and much more. Brad Karp, Chair of the Firm at Paul Weiss, describes it thus: "I read all 12 installments of your series with great interest...twice. This is an extraordinary body of work that reflects enormous insight and ought be required reading by managing partners of law firms and professional services organizations. You do a very effective job of challenging the status quo and your series is a much-needed wake up call for our profession. As always, I plan to share many of your insights with my partners. And I plan to cogitate over many of your proposed initiatives." "2012 Year in Review: Must-Read." "Any review of 2012 must begin with Bruce MacEwen's 12-part "Growth is Dead" series, which looks at, and analyzes, the monumental effects of the Great Recession on the legal industry." "Immediately became required reading for law firm leaders, by the one and only Bruce MacEwen." - *Bloomberg Law* "When it comes to the economics of the legal industry, there's Bruce MacEwen and then there's everyone else."

[Lethal Lawyers](#) Vault Inc.

In this third edition, Vault profiles the top law firms in the Boston and Northeast markets. Forty-nine firms are covered in in-depth profiles in which associates at the region's most prestigious firms reveal the inside scoop on firm culture, hours, hiring process, training, offices, compensation and diversity. Whether you're a law student or an experienced attorney, this guide gives you access to the best information on the region's top firms.
