Shifting faculty roles in a changing landscape

Ernest L. Boyer's landmark book

Scholarship Reconsidered: Priorities of the

Professoriate challenged the publish-or-perish status quo that dominated the academic landscape for generations. His powerful and enduring argument for a new approach to faculty roles and rewards continues to play a significant part of the national conversation on scholarship in the academy. Though steeped in tradition, the role of faculty in the academic world has shifted significantly in recent decades. The rise of the non-tenure-track class of professors is well documented. If the historic rule of promotion and tenure is waning, what role can scholarship play in a fragmented, unbundled academy? Boyer offers a still much-needed approach. He calls for a broadened view of scholarship, audaciously refocusing its gaze from the tenure file and to a wider community. This expanded edition offers, in addition to the original text, a critical introduction that explores the impact of Boyer's views, a call to action for applying Boyer's message to the changing nature of faculty work, and a discussion guide to help readers start a new conversation about how Scholarship Reconsidered applies

today.

Study in Europe Vault Inc.

In an all-new second annual edition, this survey guide of 2,800 college funding programs now includes the award-winning Fund Finder search program on CD-ROM for Windows.

It was the 50s and life was

simple, until September 25, 1954. That was the night that would be etched in the memory of the citizens of Stanfield, Massachusetts. The Chief of Police described the brutal savagery of the double homicide as "the most atrocious crime in the history of the city." A fourteen-year-old girl, and the four-year-old boy in her care were murdered at the hands of a deranged, depraved killer. *A Thread of Evidence* places the reader at the scene of the crime, an eye witness to the senseless stabbing of two innocent children. With a piece of crochet thread as their only clue, the entire police department, lead by detectives Steven Logan and Raymond Gage, scour the city in search of a maniacal savage. When all tips and leads have been exhausted, they review all evidence. They come back to the thread. The only real evidence. With tenacity and perseverance of Logan and Gage the killer is apprehended. The reader experiences the twists and turns of the investigation, and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence. *A Thread of Evidence* has

been written as fiction, but inspired by an actual event. Fifty years later, it remains etched in the minds of all who had lived in the area. The author has researched court records, newspapers, interviewed neighbors, police and has drawn on personal recollections of the crime. The story has been recounted over and over and to this day, it continues to be discussed. *A Thread of Evidence* is a compelling account of superb detective work, and unprecedented dedication of an entire police department.

Frequently Asked Questions What is the Fundamentals of Forensic Accounting Certificate Program? Developed by the AICPA, this certificate program is specially designed to help accountants and others 1) build the knowledge needed to gain a basic understanding of the field of forensic accounting, 2) earn CPE credits needed to meet the 75-hour education requirement for the Certified in Financial Forensics (CFF) credential, or 3) earn CPE credits needed to maintain the CFF credential. Why should I participate? Certificate holders will learn or be refreshed on the core material in professional standards

that applies to forensic engagements. The program provides participants with a solid understanding of how to work within the court system when engaged as a forensic accountant. With information provided by subject matter experts from each of the specialization areas, participants are provided first-hand knowledge that guides them through solid investigation, documentation, reporting and other required skills. A series of 20 courses takes you through the "best practices" styles for performing an engagement. These knowledge and skills are necessary for an accountant and others who are considering entering or are already in the field of forensic accounting. Is the certificate program available to both CPAs and other accounting professionals who are not CPAs? Yes. The courses that comprise the Fundamentals of Forensic Accounting Certificate Program curriculum are available for CPAs, CAs and other accounting professionals who do not have one of these credentials or their equivalent. What level of knowledge should I

possess prior to starting the certificate program? All individuals pursuing the Forensic Accounting Certificate of Achievement should possess a base knowledge of AICPA Auditing Standards. What course topics are included in the curriculum? The certificate program includes 19 required modules, including: 3 Fundamental modules, 6 Forensic Engagement modules, and 10 Specialized Knowledge modules. In total, the program provides 21.5 CPE hours at a basic level. Visit [AICPAStore.com/forensic](http://AICPAStore.com/forensic) for a list of modules included in the program. All modules will be approximately 50-minutes long and provide individual CPE credit upon successful completion of the end-of-module exam. Some modules may be longer than 50 minutes, as required by the depth or complexity of the content, with a maximum length of 2 hours. How long will it take me to complete all of courses of the Fundamentals of Forensic Accounting Certificate Program? This varies from individual to individual and is completely dependent upon the time the

participant allocates to completing the coursework. There is a commitment of 21.5 required hours to successfully complete the program. What period of time do I have to complete the entire curriculum? Once you enter the program you have twenty-four (24) months from the date of purchase. You are encouraged to complete the program within a twelve (12) month period or less. Once I complete the curriculum and obtain my Forensic Accounting Certificate of Achievement, is there a time period for which it is "active?" No. The Forensic Accounting Certificate is not a professional credential or license. It is evidence of successful completion of a required course curriculum as of a point in time. As a result, it has no period for which it is deemed "active" or in-force. Am I required to obtain a certain number of CPE credits annually for the certificate to remain current and active? No. The Forensic Accounting Certificate of Achievement is not a professional credential or license. It is evidence of successful completion of a required course curriculum as of a point in

time. As a result, it has no period for which it is deemed "active" or in-force. If I am a CPA, will I receive CPE credit toward my CPA license if I take this program? Yes, all of the courses in the Fundamentals of Forensic Accounting Certificate Program will qualify for CPE credit. The AICPA is a NASBA-approved provider of CPE. How many credits of CPE will I receive if I earn the certificate? Completing the curriculum will result in earning 21.5 credits. All of these credit hours will qualify for CPE credit and can count toward meeting your state's CPE requirements. Will the CPE credit satisfy my requirements for CMA, CIA or other certifications? The courses in the Fundamentals of Forensic Accounting Certificate Program will be classified as Accounting for purposes of granting CPE credits. As with other AICPA courses that are approved for other certifications, we fully expect the Forensic Accounting Certificate courses will satisfy those requirements. To be certain, please check with the organization that issues your CMA, CIA or other certifications. If I am unable to complete the

entire Fundamentals of Forensic Accounting Certificate Program, will I receive CPE credit for the courses I do complete? Yes. The courses are offered individually, so you will earn NASBA QAS CPE credit for each course you take and successfully complete the exam. You are not required to complete the entire program to earn CPE credit. However, you must successfully complete the exam for all required courses in the entire program in order to receive the Forensic Accounting Certificate of Achievement. I have prior experience in working with forensic accounting. Will I be allowed to test out of certain courses while still earning the certificate? Actual completion of the courses is required to earn the Forensic Accounting Certificate. CPE credit will be awarded for the courses, and the CPE standards do not allow for "testing out of" a course as a way to earn credit. Is the entire program fixed, or are their elective courses I can select from in earning the certificate? The curriculum for the Forensic Accounting Certificate is fixed. It is designed to provide participants with a solid

understanding of knowledge required to perform forensic accounting engagements. In order to receive the Forensic Accountant Certificate of Achievement all required modules must be completed. What are the systems requirements for the e-learning portion of the program? Please review the information on the System Requirements tab for this product for complete information on minimum operating system and browser requirements. I am already proficient in forensic accounting but would like to learn more about a few select topics that are specific to my job. Can I purchase individual titles in the Fundamentals of Forensic Accounting Certificate Program separately? Yes. Courses in the Certificate Program may be purchased individually. If you decide that you would like to enroll in the full Certificate Program after purchasing one or more individual courses, credit for those courses may be applied to the purchase amount of the full program as long as they have been purchased within one year of enrolling in the full program. Please call the

AICPA service center at 888.777.7077 for more information. Can credits earned in the Fundamentals of Forensic Accounting Certificate Program be applied towards the 75-hour minimum CPE requirement to apply for the Certified in Financial Forensics (CFF) Credential? Yes. Courses in the Certificate Program can be applied toward the requirement to apply for the credential as well as the ongoing education requirement. When will I receive a hard copy of my certificate? You will receive your certificate in the mail 6-8 weeks after completing the program. *College Admissions Data Sourcebook Northeast Edition Bound 2010-11* Wintergreen Orchard House In response to changing market needs, The Grants Register has been substantially revised from previous editions for this, its 15th edition. With increased student and professional mobility world-wide, coverage in The Grants Register has been extended from the English speaking world to the whole world, making it the only truly international guide of its kind. The number of awards has increased by

25% from the last edition, with all the information supplied directly by the awarding body. To improve ease of use, the layout and field structure has also been completely update. This has included the introduction of new fields on the level of study, individual eligibility and applications procedures as well as additional contact details such as email and World Wide Web addresses. The indexes have also been completely revised, with the introduction of an internationally recognised subject index which simultaneously incorporates a geographical guide to eligibility. An alphabetical list of awards will also be given. Now significantly extended, The Grants Register continues to be the only complete guide to awards and grants for postgraduates, young professionals, mature students and advanced scholars.

Many guides claim to offer an insider view of top

undergraduate programs, but no publisher understands insider information like Vault, and none of these guides provides the rich detail that Vault's new guide does. Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions. Each 2- to 3-page entry is composed almost entirely of insider comments from students and alumni. Through these narratives Vault provides applicants with detailed, balanced perspectives.
