An exceptionally illustrated fiction for millions of Blizzard fans, Diablo III: Book of Cain is the source book for Blizzard Entertainment's Diablo franchise and forthcoming Diablo III game. Book of Cain is the must-have illustrated history

of the Diablo universe as told by the games' core narrator Deckard Cain. In Blizzard Entertainment's Diablo® and Diablo II, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. Diablo III: Book of Cain is Cain's formal record of this greater tale—a dissertation on the lore of the Diablo universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells. Designed as an "in-world" artifact from the Diablo universe, Diablo III: Book of Cain includes Cain's revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another.

Brady  
Since the beginning of time, the angelic hosts of the High Heavens and the demonic hordes of the Burning Hells have been locked in a struggle for the fate of all creation. That struggle has

now come to the mortal realm...and neither Man nor Demon nor Angel will be left unscathed.... What was to have been a victorious last stand against the demonic invasion of Entsteig has instead become a massacre. Only Siggard remains, a warrior unable to remember the final hours of the battle, driven by the carnage he experienced and the void in his mind to avenge those slain by the army of darkness. As he hunts the demon lord who butchered everything dear to him, Siggard also pieces together the truth of that terrible battle...and finds that his nightmare is only just beginning. An original tale of swords, sorcery, and timeless struggle based on the bestselling, award-winning M-rated electronic game from Blizzard Entertainment. Intended for mature readers.

#### Diablo III: Book of Cain Harmony

Since the beginning of time, the angelic hosts of the High Heavens and the demonic hordes of the Burning Hells have been locked in a struggle for the fate of all Creation. That struggle has now come to the mortal realm...and neither Man nor Demon nor Angel will be left unscathed.... Legend speaks of a long-dead city known as Ureh, thought by many to have been a gateway to the High Heavens. It is believed that every two thousand years, when the stars align and the shadow of Mount Nymyr falls upon the ruins, Ureh is reborn -- and all its lost riches are revealed to those brave enough to seek them out. Now, after a lifetime of research and intense calculation, the Vizjerei sorcerer, Quov Tsin, has come to witness Ureh's rebirth

for himself. But that which awaits Tsing and his hired band of mercenaries is nothing like what they expected. They will find that the dream of radiant Ureth is, in fact, a twisted nightmare of horror - one that will draw them inexorably into The Kingdom of Shadow An original tale of swords, sorcery, and timeless struggle based on the bestselling, award-winning M-rated computer game from Blizzard Entertainment. Intended for mature readers.

#### Legacy of Blood Dark Horse Comics

A unique and extraordinary saga of video games. In just three installments, the BioShock saga made a special place for itself in the hearts of players. These games boast completely unique and extraordinary stories and worlds. The first two installments take place in the underwater city of Rapture. Immersed in the Art Deco style and a 1950s atmosphere, the player advances through an open, intelligent gameplay that encourages creativity and careful use of the resources provided by the surroundings. BioShock Infinite, the third installment, draws us in to explore the floating city of Columbia in a uchronic, steampunk-laden 1912. Third Éditions aims to pay tribute to this hit series—which, despite its short history, has already gained critical acclaim. Dive into this unique volume that explores the games' origins and provides an original analysis of each installment. Discover a complete analysis of the three installments of the BioShock Saga! The video game will not have secrets for you anymore ! **EXTRACT** After years marked by total abstruseness, the early 2000s saw the transition of PC games to the world of consoles. In market terms, game consoles had reached a general-public status, ensuring high popularity—but the PC market put up

strong resistance, in particular by selling downloadable games through stores such as Steam. Numerous PC-based developers, such as Warren Spector (Deus Ex, Epic Mickey), Peter Molyneux (Populous, Fable), and of course Ken Levine, began developing for consoles. In the same vein, numerous genres that were typically destined for PC gaming began migrating to consoles. This change certainly had numerous causes, one being Microsoft's arrival on the console market with Xbox (with architecture close to a PC). In addition, typical inconveniences in PC development were eliminated (games no longer had to be designed for a wide variety of configurations, as a console by nature has a stable internal architecture). Finally, there was the question of pirating—even though it exists on consoles, it is much more common on PCs. As a result, major developers such as Valve Corporation (Portal 2), BioWare (Mass Effect) and Bethesda Softworks (Fallout 4 and Skyrim) entered the market, and the general mentality changed. **ABOUT THE AUTHORS** Nicolas Courcier and Mehdi El Kanafi - Fascinated by print media since childhood, Nicolas Courcier and Mehdi El Kanafi wasted no time in launching their first magazine, Console Syndrome, in 2004. After five issues with distribution limited to the Toulouse region of France, they decided to found a publishing house under the same name. One year later, their small business was acquired by another leading publisher of works about video games. In their four years in the world of publishing, Nicolas and Mehdi published more than twenty works on major video game series, and wrote several of those works themselves: Metal Gear Solid. Hideo Kojima's Magnum Opus, Resident Evil Of Zombies

and Men, and The Legend of Final Fantasy VII and IX. Since 2015, they have continued their editorial focus on analyzing major video game series at a new publishing house that they founded together: Third. Raphaël Lucas - Raphaël has over fifteen years of experience in the world of video game writing. A reader of Tilt and a fan of a renowned French video game journalist AHL, he first pursued a university education. After obtaining a master's degree in history from the University of Paris 1, he then became a freelancer for PC Team before working for Gameplay RPG and PlayMag. In October 2004, he joined the group Future France and worked for Joypad, PlayStation Magazine, Consoles + and Joystick, not to mention a few other contributions to film magazines. Today, he writes for Jeux Vidéo Magazine as well as the magazine The Game. He is also the co-author of The Legend of Final Fantasy IX.

Ballantine Books

A MAP TO A PLACE THEY EACH DESIRE. A DESTINY THEY DIDN'T EXPECT. The Shadow demon nearly took everything from Dynalya Astron, and it would soon return for more. When she discovers a way to fight back, she must go on a perilous journey and risk it all for those she holds dear. Along the way, she meets Cassiel, a Celestial Prince with magic blood and wings as black as his heart. He wants nothing to do with Dyna until he learns she could lead him to a place he has been searching for all his life. But reaching their destination is not as easy as they thought, nor are they the only ones who search for it. With danger at every turn and harrowing secrets between them, the quest will require much more than determination. They must fight for what they desire-or die trying. For fans of *The Cruel Prince*, and *The Lord of the Rings* comes Beck Michael's debut novel with remarkable characters, a budding romance, and gripping action. *Divine Blood* is the first book of an Epic Dark Fantasy series that explores the depths of loss, acceptance, and the true meaning of courage.

Prolific dwarven author and heroic companion of the *Dragon Age* games, Varric Tethras brings us the collected edition of his breakthrough crime-noir drama, *Hard in Hightown* (with help from

his trusted human confidante, Mary Kirby)! This volume is beautifully illustrated by Stefano Martino, Álvaro Sarraseca, Andres Ponce, and Ricardo German Ponce Torres, with a painted cover by E.M. Gist! Twenty years of patrols have chiseled each and every stone of the Kirkwall streets into city guardsmen *Donnen Brennokovic*. Weary and weathered, *Donnen* is paired with a recruit so green he might as well have leaves growing out of his armor. When the mismatched pair discover a dead magistrate bleeding out on the flagstones, they're caught up in a clash between a shadowy organization known only as the *Executors* and a secretive group of *Chantry agents*--all over some ancient artifact. This is a prose novel featuring 24 black and white full page images.
