A dairy-free rich chocolate tart that only takes 10 minutes to make? Banana waffles drizzled with maple syrup that are gluten-free? Flaky sausage rolls that are totally plant-based? Goopy nut butter choc pots made without eggs and ready to eat, fresh from the oven, in just 15 minutes? If you have suffered ill health or have food allergies and intolerances and are looking for recipes that can be made in minutes, with instructions you can understand, using ingredients you probably already have and are guaranteed healthy and tasty, then this is the only cookbook you need in your kitchen. Healthy Living James includes 80 delicious recipes, each one

gluten-free, dairy-free, egg-free and mainly plant-based (but with easy options to add in meat or fish). Every recipe aims to teach you how easy it is to cook this food, using affordable supermarket ingredients and a couple of pots and pans, even if you have limited time, energy or skill. 'I've created a cookbook to cater for all, no matter your allergies or food choices. No judgement or preaching, just accessible recipes for all to enjoy. That's why I've opened this recipe book up so that you can use whatever flour, milk, cheese, meat or fish you want.' Recipes include: Chocolate Peanut Butter Shake & Take Oats Strawberry Granola Pot Tex-Mex Quinoa Salad Homemade Pot Noodle Mushroom Stroganoff 20-Minute Fish Curry Chickpea & Avocado Smash Burgers Cheesy Gnocchi Bake Meat-Free Ball Marinara Sub Garlic Flatbread Salt & Vinegar Smashed Potatoes 'Healthy Living

James is the book that I needed when I was struggling with my health. Ten years ago, I fell seriously ill out of the blue, which left me bed-bound for two years and house-bound for the next four. I knew that food could be an important part of my recovery journey, but I had no idea how to cook and no energy to concentrate on complicated instructions. I was looking for quick, easy and healthy recipes, with just a handful of ingredients and basic steps that even I could follow. I couldn't find anything suitable, so I decided to teach myself.'

Vegan Comfort Cooking Da Capo Lifelong Books

The debut cookbook from the powerhouse blogger behind theblendergirl.com, featuring 100 gluten-free, vegan recipes for smoothies, meals, and more made quickly and easily in a blender. What's your perfect blend? On her wildly popular

recipe blog, Tess Masters—aka, The Blender Girl—shares easy plant-based recipes that anyone can whip up fast in a blender. Tess’s lively, down-to-earth approach has attracted legions of fans looking for quick and fun ways to prepare healthy food. In *The Blender Girl*, Tess’s much-anticipated debut cookbook, she offers 100 whole-food recipes that are gluten-free and vegan, and rely on natural flavors and sweeteners. Many are also raw and nut-, soy-, corn-, and sugar-free. Smoothies, soups, and spreads are a given in a blender cookbook, but this surprisingly versatile collection also includes appetizers, salads, and main dishes with a blended component, like Fresh Spring Rolls with Orange-Almond Sauce, Twisted Caesar Pleaser, Spicy Chickpea Burgers with Portobello Buns and Greens, and I-Love-Veggies! Bake. And even though many of Tess’s smoothies and shakes taste like dessert—Apple Pie in a Glass, Raspberry-Lemon Cheesecake, or Tastes-Like-Ice-Cream Kale, anyone?—her actual desserts are out-of-this-world good, from Chocolate-Chile Banana Spilly to Flourless Triple-Pecan Mousse Pie and Chai Rice Pudding. Best of all, every recipe can easily be adjusted to your personal taste: add an extra squeeze of this, another handful of that, or leave something out altogether—these dishes are super forgiving, so you can’t mess them up. Details on the benefits of soaking, sprouting, and dehydrating; proper food combining; and eating raw, probiotic-rich, and alkaline ingredients round out this nutrient-dense guide. But you don’t have to understand the science of good nutrition to run with *The Blender Girl*—all you need is a blender and a sense of adventure. So dust off your machine and get ready to find your perfect blend.

The essential primer and guide to preparing delicious, totally vegan, nut-based cheeses, from the coauthor of *The Plantpower Way*. In their debut cookbook, *The Plantpower Way*, Julie Piatt and her ultra-endurance athlete husband, Rich Roll, inspired thousands to embrace a plant-fueled lifestyle, and through their advocacy efforts, podcasts, and talks, countless people are now enjoying healthier and more vibrant lives. In *This Cheese Is Nuts*, Julie is bringing that message to the forefront once more, with a stunning collection of flavorful nut-based cheeses. Julie has always been known for her dairy-free cheeses, and here she shares seventy-five recipes using almonds, cashews, and other nuts to create cheeses anyone can make right at home. Nut-based cheeses are on the cutting edge in the world of vegan cuisine. They’re remarkably simple to prepare (all you need are a few simple ingredients and a basic dehydrator), and in as little as twenty minutes, you can have an assortment of tasty fresh cheeses fit for any occasion. Even creating aged cheeses is easy—they require only a day or two in the dehydrator, so making “fancier” cheeses, like Aged Almond Cheddar, is an almost entirely hands-off process. And though they’re delectable on their own, Julie’s nut-based cheeses are a terrific component in her recipes for Raw Beet Ravioli with Cashew Truffle Cream, Country Veggie Lasagna with Fennel and Brazil Nut Pesto, French Onion Soup with Cashew Camembert, and more. Filled with the essential tips, tools, and mouth-watering recipes home cooks need to immerse themselves in the world of nut-based cheese-making, *This Cheese Is Nuts* will demonstrate why nut cheeses should be part of any healthy, sustainable diet.

NEW YORK TIMES BESTSELLER • 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions
NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN
When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with

a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in *Danielle Walker’s Against All Grain Celebrations*, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue standards like peach cobbler and corn bread, Danielle includes all of the classics. There’s a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year’s Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you’re hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.
