AIYANA ALESSANDRA

Coco Chanel Bloomsbury Publishing
Paris has been the international capital of fashion for more than 300 years. Even before the rise of the haute couture, Parisians were notorious for their obsession with fashion, and foreigners eagerly followed their lead. From Charles Frederick Worth to Gabrielle "Coco" Chanel, Christian Dior, and Yves Saint Laurent, fashion history is dominated by the names of Parisian couturiers. But Valerie Steele's Paris Fashion is much

more than just a history of great designers. This fascinating book demonstrates that the success of Paris ultimately rests on the strength of its fashion culture – created by a host of fashion performers and spectators, including actresses, dandies, milliners, artists, and writers. First published in 1988 to great international acclaim, this pioneering book has now been completely revised and brought up to date, encompassing the rise of fashion's multiple world cities in the 21st century. Lavishly illustrated, deeply learned, and elegantly written, Valerie Steele's masterwork explores with brilliance and

flair why Paris remains the capital of fashion.

Film Noir Style: The Killer 1940s looks at the fashions of the femmes fatales who were so good at being bad, and the suits and trench coats of definitive noir actors such as Humphrey Bogart and Alan Ladd. Film and fashion historian Kimberly Truhler explores twenty definitive film noir titles from 1941 to 1950 and traces the evolution of popular fashion in the decade of the '40s, the impact of World War II on home-front fashion, and the influence of the film noir genre on popular fashion then and now. Meet not only the fabulous women of noir, including Betty Grable, Veronica Lake, Gene Tierney, Lauren Bacall,

Barbara Stanwyck, Ava Gardner, and many others, but also the costume designers that created and recreated these famous stars as killers—and worse—through the clothes they wore. [Little Black Dress Opening Celebration at the Missouri History Museum](#) Henry Holt and Company

It's not if, but when. Those who love will also grieve. To our detriment, society would rather sanitize or skip over the topic of grief. Twelve days after her son's wedding, Shirley Thiessen was thrown into the unimaginable task of planning his funeral. Grief threatened to extinguish her purpose for living. Gradually, hope and resiliency emerged as Shirley learned to recycle the pain of loss for good purposes. While everyone's grief journey is unique, there are tips to

be shared and missteps to avoid.

The Little Book of The Little Black Dress Wee Books for Wee Folk

What's the most important garment in a woman's closet? More often than not, the answer is the little black dress. For decades, fashion magazines have touted the LBD as the perfect solution to almost every fashion crisis. Dressed up or down, with flats or heels, statement jewelry or a subdued jacket, the little black dress can be worn anywhere, for any occasion. Where did the little black dress come from? And how did black become the color of choice for every occasion? In *Little Black Dress*, Shannon Meyer answers these questions by offering a visual history of the black dress, illustrating its transformation from a traditional mourning garment to the

fashion staple it is today. Richly illustrated with seventy full-color photos of dresses and accessories spanning 150 years, and including information about the designer, original owner, and historical context for each, readers will find *Little Black Dress* a stylish guide to this wardrobe essential. Designed to accompany an exhibit by the same name at the Missouri History Museum, the book will impress historians and fashionistas alike.

Nine Women, One Dress Running Press

This explosive narrative reveals for the first time the shocking hidden years of Coco Chanel's life: her collaboration with the Nazis in Paris, her affair with a master spy, and her work for the German military intelligence service and Himmler's SS. Gabrielle "Coco" Chanel

was the high priestess of couture who created the look of the modern woman. By the 1920s she had amassed a fortune and went on to create an empire. But her life from 1941 to 1954 has long been shrouded in rumor and mystery, never clarified by Chanel or her many biographers. Hal Vaughan exposes the truth of her wartime collaboration and her long affair with the playboy Baron Hans Günther von Dincklage—who ran a spy ring and reported directly to Goebbels. Vaughan pieces together how Chanel became a Nazi agent, how she escaped arrest after the war and joined her lover in exile in Switzerland, and how—despite suspicions about her past—she was able to return to Paris at age seventy and rebuild the iconic House of Chanel.

Little Black Dress Lyrical Underground Marilyn Monroe made history by standing over a subway grating in a white pleated halter dress designed by William Travilla. Hubert de Givenchy immortalized the Little Black Dress with a single opening scene in *Breakfast at Tiffany's*. A red nylon jacket signaled to audiences that James Dean was a Rebel Without a Cause. For more than a century, costume designers have left indelible impressions on moviegoers' minds. Yet until now, so little has been known about the designers themselves and their work to complement and enrich stories through fashion. Creating the Illusion presents the history of fashion on film, showcasing not only classic moments from film favorites, but a host of untold stories about the

creative talent working behind the scenes to dress the stars from the silent era to the present day. Among the book's sixty-five designer profiles are Clare West, Howard Greer, Adrian, Walter Plunkett, Travis Banton, Irene, Edith Head, Cecil Beaton, Bob Mackie, and Colleen Atwood. The designers' stories are set against the backdrop of Hollywood: how they collaborated with great movie stars and filmmakers; how they maneuvered within the studio system; and how they came to design clothing that remains iconic decades after its first appearance. The array of films discussed and showcased through photos spans more than one hundred years, from draping Rudolph Valentino in exotic "sheik" dress to the legendary costuming of *Gone with the Wind*, Alfred

Hitchcock thrillers, *Bonnie and Clyde*, *Reservoir Dogs*, and beyond. This gloriously illustrated volume includes candid photos of the designers at work, portraits and wardrobe tests of stars in costume, and designer sketches. Drawing from archival material and dozens of new interviews with award-winning designers, authors Jay Jorgensen and Donald L. Scoggins offer a highly informative, lavish, and entertaining history of Hollywood costume design.

Confessions of a Little Black Gown
Harlequin

With her latest book, "New York Times"-bestselling author Boyle begins a two-book, back-to-back romance set in Regency England. Original.

Sleeping with the Enemy Abrams
Looks at the different modes of dress in

America in the mid twentieth century, from every day clothes to high fashion. The Little Black Dress Editions Assouline Queen Alexandra used clothes to fashion images of herself as a wife, a mother and a royal: a woman who both led Britain alongside her husband Edward VII and lived her life through fashion. Inside the Royal Wardrobe overturns the popular portrait of a vapid and neglected queen, examining the surviving garments of Alexandra, Princess of Wales – who later became Queen Consort – to unlock a rich tapestry of royal dress and society in the second half of the 19th century. More than 130 extraordinary garments from Alexandra's wardrobe survive, from sumptuous court dress and politicised fancy dress to mourning attire and

elegant coronation gowns, and can be found in various collections around the world, from London, Oslo and Denmark to New York, Toronto and Tokyo. Curator and fashion scholar Kate Strasdin places these garments at the heart of this in-depth study, examining their relationships to issues such as body politics, power, celebrity, social identity and performance, and interpreting Alexandra's world from the objects out. Adopting an object-based methodology, the book features a range of original sources from letters, travel journals and newspaper editorials, to wardrobe accounts, memoirs, tailors' ledgers and business records. Revealing a shrewd and socially aware woman attuned to the popular power of royal dress, the work will appeal to students and scholars

of costume, fashion and dress history, as well as of material culture and 19th century history.

The Little Black Funeral Dress Famous Frocks: The Little Black Dress

Contains images, photographs, and drawings that showcase traditional and reinterpreted designs representative of Chanel style, grouped in the themes of the suit, the camellia, jewelry, fragrance and makeup, and the black dress.

Cinderella Missouri Historical Society Press

The Black Dress is the incredible story of Mary MacKillop, an unconventional young woman born into a time and a religion bound by convention. What Mary did with her life would change the course of Australia's history.

Spy in a Little Black Dress Simon and Schuster

"An intriguing, well-rounded portrait of a fascinating woman whose many important contributions to art and fashion remain popular today." —Kirkus Reviews Award-winning author Susan Goldman Rubin introduces readers to the most well-known fashion designer in the world, Coco Chanel. Beginning with the difficult years Chanel spent in an

orphanage, Goldman Rubin traces Coco's development as a designer and demonstrates how her determination to be independent helped her gain worldwide recognition. Coco Chanel focuses on the obstacles Chanel faced as a financially independent woman in an era when women were expected to marry; as well as her fierce competition with the Italian fashion designer Elsa Schiaparelli; and some of her most memorable firsts for the fashion industry, including the little black dress, the quilted purse with gold chain, and the perfume Chanel No. 5. The book includes a bibliography, a list of where to see her work, and an index. "Rubin's biography is clear-sighted about Chanel's faults while extolling her fashion genius. Her source notes and

bibliography are meticulous, as is the book's design . . . This will attract young fashion mavens eager to learn about design history." —Booklist "Rubin expertly chronicles Chanel's life in this biography . . . Rubin captures the authenticity of Chanel alongside her psychological need to portray a luxurious lifestyle." —VOYA "A well-researched primer packed with details on a significant trailblazer." —School Library Journal "Well-designed biography of a fascinating woman." —School Library Connection "A succinct, balanced portrayal of controversial haute couturière Gabrielle 'Coco' Chanel." —Publishers Weekly
Inside the Royal Wardrobe Victoria & Albert Museum
 Party celebrating the opening of the

exhibition "Little Black Dress: from Mourning to Night", held Apr. 2-Sept. 5, 2016, at the Missouri History Museum. One of the guests was fashion designer Carmen Marc Valvo, author of *Dressed to perfection*.

The Black Dress Hachette UK

A hilarious and moving memoir—in the spirit of Anne Lamott and Nora Ephron—about a woman who returns home to her close-knit Mennonite family after a personal crisis. Not long after Rhoda Janzen turned forty, her world turned upside down. It was bad enough that her brilliant husband of fifteen years left her for Bob, a guy he met on Gay.com, but that same week a car accident left her with serious injuries. What was a gal to do? Rhoda packed her bags and went home. This wasn't just

any home, though. This was a Mennonite home. While Rhoda had long ventured out on her own spiritual path, the conservative community welcomed her back with open arms and offbeat advice. (Rhoda's good-natured mother suggested she date her first cousin—he owned a tractor, see.) It is in this safe place that Rhoda can come to terms with her failed marriage; her desire, as a young woman, to leave her sheltered world behind; and the choices that both freed and entrapped her. Written with wry humor and huge personality—and tackling faith, love, family, and aging—*Mennonite in a Little Black Dress* is an immensely moving memoir of healing, certain to touch anyone who has ever had to look homeward in order to move ahead.

Dressed in Black Welbeck Publishing Group

Discusses the origins, history, and social significance of the little black dress, the white shirt, the cashmere sweater, blue jeans, the suit, high heels, pearls, lipstick, sneakers, and the trench coat.

The Little Black Dress Penguin

Megan Hess: *The Little Black Dress* is an illustrated love story about fashion's most enduring and chic uniform, celebrating the designers, the women and of course the dresses. A piece of fashion is so much more than an object. To the designer who created it, the muse who inspired it, the fashion lover who lusts after it, the stylist who is lucky enough to own it, or the star who made it iconic – that fashion piece is part of a story. Introduced by Coco Chanel and

made famous by Audrey Hepburn, the little black dress redefined how women dress and remains one of the most elegant and versatile pieces in any wardrobe. Vogue called it 'the frock that all the world would wear' – a prophecy that has more than come true. And this little book is the perfect accessory. Filled with fascinating information and stunning illustrations from Megan Hess, and packaged up in a beautiful hardback, *Megan Hess: The Little Black Dress* is a timeless love story, and the first in Megan Hess' new *Ultimate Fashion Wardrobe* series.

Vogue Essentials: Little Black Dress

Open Road Media

Elegant and stunningly illustrated, this monograph chronicles the life of one of history's most influential couturiers;

Coco Chanel. She started a fashion revolution with her liberating inventions in sportswear and jersey, iconic suit, and little black dress. The Little Book of Chanel follows the great designer's evolution and innovation, from her impoverished childhood to her present-day legacy. With its detailed photographs of Chanel's designs, fashion photography, and catwalk shots, this is a fitting tribute to a legend.

The Little Black Dress and Zoot Suits

Thames and Hudson
She's opened a stylish new consignment shop--and the clothes are to die for . . . Manhattan fashionista Kelly Quinn thought she'd left her Long Island town far behind . . . until the Seventh Avenue expat returns home to revamp her grandmother's consignment shop into an

upscale boutique--and unwittingly sets a trend for murder . . . After her rising career as a Manhattan buyer is derailed, Kelly has mixed feelings about relocating back to Lucky Cove, in spite of her big plans for the soon-to-be-renamed Curated by Kelly Resale Boutique. What's left of her luck starts running out when a customer puts on a black lace dress that triggers visions of someone being murdered. As if the haunted "Murder Dress" isn't enough to kill business, the psychic's doppelganger cousin has just been found bludgeoned to death. Was Maxine LeMoyne the real target or was it a case of mistaken murder? With some creepy pre-Halloween bargain hunters walking the night and Kelly suddenly a person of interest, a second murder rocks the

close-knit town. Now Kelly could be the one who ends up talking to dead people when she's stalked by a killer determined to take her out in high style . . .
