6-Week Small Group Scripture Discussion Guide Our best seller explores Catholic Christian discipleship: friendship with Christ; prayer; the Eucharist; encountering Jesus in the Scripture; Christian community, and interior conversion. Thought provoking questions on Scriptures draw participants into a deeper encounter with Jesus Christ, "the reason for the hope that we hold" (1 Peter 3:15). When we know Jesus, we want God to be the center of our lives. Then we truly become Jesus' disciples: recognizing his voice and following where he leads because we trust him. Each study offers a "Connecting to Christ" section inspiring readers to open their hearts to Jesus in a new way, allowing him to transform every part of their lives. An individual using The Way will "grow in relationship to Jesus through experience, reflection, prayer and study" (Our Hearts were Burning Within Us, U.S. Conference of Catholic Bishops). The sessions are designed, though, to serve as tools for building intentional Catholic Christian community. So that all parishes may be truly communities of Christians, local ecclesial authorities ought to foster... small, basic or so-called 'living' communities, where the faithful can communicate the word of God and express it in service and love to one another; these communities are true expressions of ecclesial communion and centers of evangelization in communion with their pastors. -John Paul II, The Lay Members of Christ's Faithful People Small group leader training is ideal, but any group could begin meeting using the basic guidelines in the appendices of The Way: how to prepare; small group facilitation; prayer in the group; and group dynamics. The Evangelical Catholic (EC) helps parishes, dioceses, and university and college campus ministries build vibrant, fruitful, self-sustaining local ministries. Located in Madison, Wisconsin, the EC is approved by our local ordinary, listed in Kennedy's Official Catholic Directory, and belongs to the national Catholic Campus Ministry Association. We partner in mission with the University of Notre Dame Institute for Church Life; the Sisters for Life, the Knights of Columbus, and the Center for Liturgy at Notre Dame, which co-sponsors and provides faculty for our nationwide training camps.

A true account of one woman's conversations with Christ reveals a personal relationship with Jesus. In a small, simple chapel during the celebration of the Eucharist, Jesus revealed his presence to Nicole Gausseron and began speaking to her. The first in a series of three books, Gausseron documents her conversations with Christ. Nicole Gausseron is not a visionary. She was born to a prosperous French family and was educated to be a professor. Translated from French, this volume is a record of Gausseron's first encounter with Christ and many others, kept daily in her "petit cahier"--her little notebook. Devoid of the reverential tone often found in works of piety, Gausseron's journals read more like Gospel accounts of Jesus' ministry, episodic, terse, and objective. The value of the notebooks lies in their cogent reminder that Jesus lives and seeks a personal relationship with those who believe in him.

As Catholic disciples of Jesus, we mature to the extent that we allow the heart and habits of Jesus and his people to become ever more our own. The Way invites individuals and groups to reflect upon the heart and habits of discipleship with Scripture, discussion questions, and prompts for spiritual exercises. In this second volume of The Way, we continue to reflect on our call to know and follow Jesus, particularly through the Eucharist, ongoing conversion (including the Sacrament of Reconciliation), the community of faith, and our call to mission. Also available: The Way, Part 2: Small Group User Guide. This affordable booklet is designed specifically for small group participants. Leaders should purchase the Leader/Individual Guide.

"In *Gathered and Sent*, Bernard Lee and Michael Cowan propose a mode of doing theology within small Christian communities that is marked by conversation and active participation by all. It is a practical theology where people reflect on their whole lives, personal and social, in the light of Christian faith, make commitments to action in light of that reflection, and hold one another accountable for those commitments."--BOOK JACKET. - An engaging book that helps children, ages 2-8, to follow the liturgy and participate in ways that are appropriate for them
- Beautiful full-color images and age-appropriate language follow the liturgy

Jennie Turrell walked into All Saints' Chapel on Good Friday, when her three-year-old son stopped her in the darkened doorway and quietly whispered, "Uh-oh." At that moment, she realized that changes in the physical space of the liturgy mattered to him. She had been whispering in his ear during liturgies since he was a baby, but it wasn't until that day that she knew he had been taking it all in—sights and sounds—all of it. In spite of squawking at inopportune times, crawling in the side aisle or narthex when sermons ran too long, drawing on the bulletin, dropping the heavy Book of Common Prayer on his toes, or standing on chairs, her son was present, aware, and sharing in the Eucharist. This is how her little book for little hands came to life. Her son was a "consultant" on the book from beginning to end.

How can we reconcile the ideal church described by theology with the broken church that we see in the world? In this book Joseph Small argues that the church's true identity is known somewhere in the tension between the two. Small revisits familiar ecclesiological concepts—people of God, the body of Christ, the communion of the Holy Spirit—but rather than focusing on theological abstractions or worldly cynicism, he carefully evaluates the church in its scriptural, historical, theological, and social contexts. Both sociologically honest and theologically discerning, *Flawed Church, Faithful God* offers a constructive Reformed yet ecumenical ecclesiology for the real world.

**Something New with Saint Thérèse** Orbis Books

When people "chew" on the word of God through dynamic discussions of the Scriptures, the Holy Spirit reveals the person of Jesus. That's why the staff of The Evangelical Catholic ministry created this guide—to encourage everyone, no matter where they are in their spiritual life, to have a personal encounter with Jesus. The six sessions in *Believe: Meeting Jesus in the Scriptures* focus on episodes when Jesus changed people's lives. The questions that follow are designed to spark discussion and allow each person to consider how the story applies to his or her own life. Weekly spiritual exercises between sessions help participants meet Christ in both prayer and the sacraments. Also included are detailed "how-to" guides for both facilitators and participants.

Catholic apologist Dave Armstrong has compiled his writing on the Eucharist & the Sacrifice of the Mass into a Scripture-packed 23 chapters and 222 pages. Among the topics covered are: 1) the special presence of God in physical objects in the OT, 2) comparison of the indwelling & the Real Presence, 3) doubting disciples in the eucharistic discourse of John 6, 4) exclusion of non-Catholics from Catholic communion, 5) St. Augustine's & John Calvin's views, 6) the Church fathers on the Sacrifice of the Mass, 7) St. Paul's "priestly" references, 8) biblical, analogical arguments for the Sacrifice of the Mass, 9) the Protestant "idolatry" accusation, and 10) biblical evidence for wholehearted formal, liturgical worship. The facts of Church history are also examined in depth, with much corroboration from Protestant scholarly sources. Armstrong's explanations help to make Catholic teachings on the Holy Eucharist & the Mass understandable, plausible, & easily harmonized with the teaching of the Bible.

*Biblical Catholic Eucharistic Theology* Our Sunday Visitor

The world we know has been irrevocably shaped by certain major movements of massive significance: among them, the Enlightenment and Renaissance, the Industrial Revolution, the French Revolution, and the American Revolution?to say nothing of lengthened life, heightened education, and awareness of women's rights. Largely untouched by the fundamental attitude of much of these changes is the Roman Catholic Church. It is probably the only major global institution where the emphasis on a central monarchy has been steadily growing?the Roman papacy and Episcopal hierarchy. Change will inevitably come to the Church and that change will include the Roman Catholic Church. What is proposed in this book is a flexible shape that opens the way to such change, implemented immediately at grass roots. To express it simply, gatherings of the grass roots folk for clergy-free small-group Eucharist's and more rarely for small group clergy-free celebrations of reconciliation; the equivalent of current priests would focus above all on leadership in faith communities. Very basically, reality needs to be given to the priesthood of the faithful and emphasis given to the importance of leadership in faith communities. The shape that this reality and this emphasis will be given will vary enormously in each culture and society. The need for some basic underlying direction is not difficult to discern.

THERE are certain things in life which are too beautiful to be forgotten, such as the love of a mother. Hence we treasure her picture. The love of soldiers who sacrificed themselves for their country is likewise too beautiful to be forgotten, hence we revere their memory on Memorial Day. But the

greatest blessing which ever came to this earth was the visitation of the Son of God in the form and habit of man. His life, above all lives, is too beautiful to be forgotten, hence we treasure the divinity of His Words in Sacred Scripture, and the charity of His Deeds in our daily actions.

A revelatory exploration of the Jewish roots of the Last Supper that seeks to understand exactly what happened at Jesus' final Passover. "Clear, profound and practical—you do not want to miss this book."—Dr. Scott Hahn, author of *The Lamb's Supper* and *The Fourth Cup* Jesus and the Jewish Roots of the Eucharist shines fresh light on the Last Supper by looking at it through Jewish eyes. Using his in-depth knowledge of the Bible and ancient Judaism, Dr. Brant Pitre answers questions such as: What was the Passover like at the time of Jesus? What were the Jewish hopes for the Messiah? What was Jesus' purpose in instituting the Eucharist during the feast of Passover? And, most important of all, what did Jesus mean when he said, "This is my body... This is my blood"? To answer these questions, Pitre explores ancient Jewish beliefs about the Passover of the Messiah, the miraculous Manna from heaven, and the mysterious Bread of the Presence. As he shows, these three keys—the Passover, the Manna, and the Bread of the Presence—have the power to unlock the original meaning of the Eucharistic words of Jesus. Along the way, Pitre also explains how Jesus united the Last Supper to his death on Good Friday and his Resurrection on Easter Sunday. Inspiring and informative, *Jesus and the Jewish Roots of the Eucharist* is a groundbreaking work that is sure to illuminate one of the greatest mysteries of the Christian faith: the mystery of Jesus' presence in "the breaking of the bread."

The Eucharist in Scripture explores the biblical theme of meals shared in faithful fellowship and in covenant relationship with God. Old Testament meals and promises provide a foundation for gospel meals with Jesus, culminating in the Last Supper as it is understood throughout the New Testament. Jesus' Bread of Life discourse and the early Church's practice of "breaking bread" are also explored. Commentary, study and reflection questions, prayer and access to recorded lectures are included. Five lessons.
