Gods timeline of Providence is almost at its end. This is not the author playing prophet, but the observation of prophecies coming to pass in the events occurring today. If we have rewritten the Word of God to accommodate our departure from its instruction, how shall we find any comfort for the dark days ahead? While it pronounces dire judgment upon disobedience, it also provides the way of escape. If it predicts a time of trouble such as the world has never before experienced, it also comforts with all the security needed for such a time. For every threat God has provided in His Word a promise, for every chastening, a kiss. Through Comfort of the Scriptures is a book for those old in faith as well as those young in hope. They are the ones able to understand the mysterious paradox: Zion (the Bride of Christ on Earth) refined as gold in the fiery judgment of the nations, yet is not consumed.

Are you searching for more than a surface reading of the Bible? These 52 weekly studies emphasize personal application and will draw you directly into God's Word in order to love Him more. In this roll-up-your-sleeves look at Scripture from Anne Graham Lotz, each of the studies begins with a short reflection tied to the present day, providing you a springboard into the various passages presented from the Old and New Testaments. In a refreshing departure from other weekly Bible studies, the Anne doesn't explain what the passage means or offer support on what she feels God is trying to say through Scripture. Instead, she asks insightful questions in each study, prompting you to personally dig into Scripture and discover God's specific message for yourself. Into the Word is a spiritual study guide that leads you to the heart of God's Word.

But these women's stories—whether brief or lengthy—all point to aspects of God's character and help us understand the larger story of God's workings with humanity. These women were exceptional for their time, with their decisive and brave actions that reshaped their communities and saved lives. But they were also ordinary women who were resourceful with whatever they had and used it to face the obstacles confronting them. The stories of these women long ago beckon us to also walk boldly in trust, courage, wisdom, and faithfulness.

Pilgrim is a teaching and discipleship resource from the Church of England that helps enquirers and new Christians explore what it means to travel through life with Jesus Christ. A Christian course for the twenty-first century, Pilgrim offers an approach of participation, not persuasion. Enquirers are encouraged to practice the ancient disciplines of biblical reflection and prayer, exploring key texts that have helped people since the earliest days of the Christian faith. Assuming little or no knowledge of the Christian faith, Pilgrim can be used at any point on the journey of discipleship and by every tradition in the Church of England. Pilgrim is made up of two parts: Follow and Grow. Follow introduces the Christian faith for complete beginners, while Grow aims to develop a deeper level of discipleship in those who have turned to Christ. This seventh volume, the third title in the Grow stage, explores the Bible: what it is, how it was given to us and how we should read it. Its six sessions combine simple prayer, Bible reflection in the lectio divina style, an article by a modern writer, and time for questions and reflection, and are supported by free online audio and video resources.
