[A Taste of Torah](#) Ben Yehuda Press

The first set of essays in this book discusses the longstanding debate in Jewish law on the appropriateness of women studying the oral law. The second part consists of more personal observations by people who are involved in Jewish education.

[Crossing the Narrow Bridge](#) Jason Aronson

The festive holiday of Shavuot is best known for its all-night Torah learning. The Jewish Sages teach that staying up all night is more than just a celebration of Torah, it is a tikkun, a spiritual rectification. The 16th-century mystic Rabbi Itzhak Luria, the Arizal, prepared a study guide for the night of Shavuot. This guide is presented here, in both Hebrew and English, together with a selection of penetrating insights and commentaries drawn primarily from the mystical teachings of the Zohar and the Arizal.

[The Way Into Torah](#) Paulist Press

Describes the odyssey of the convert to the Jewish faith, introducing the laws and traditions of Judaism, its life cycle events and holidays, and its ideals and values

[The Torah](#) Independently Published

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

[Essential Torah](#) Urj Press

Nearly twenty-five years after the groundbreaking publication of the first-ever English language liberal Torah commentary, we present *The Torah: A Modern Commentary*, revised Edition. This volume features updated commentary and translations, including a gender-sensitive version of the JPS translation, with largely gender-neutral God language and a completely fresh translation of Genesis and of the haftarat by the late Rabbi Chaim Stern. As Rabbi David Ellenson, President of the Hebrew Union College-Jewish Institute of Religion, states, "This book provides a dazzling compendium of sources both classical and modern, and a variety of voices that will enhance worship and study of everyone."

[The Jewish Study Bible](#) Jewish Lights Publishing

"One picture that often comes to mind when one thinks of Torah study is a group of bearded men clad in long black coats and hats huddled around a table piled high with texts. Women do not appear in this image; if anywhere, they are in the kitchen preparing a meal, keeping the children from disturbing their fathers, or working to support the family so that their husbands can devote their energies to learning. Such is a common view as to "the role of women" in Torah study. In "And All Your Children Shall Be Learned": Women and the Study of Torah in Jewish Law and History, Shoshana Pantel Zolty helps dispel this myth." "Through an analysis of halakhic literature, the Mishnah, the Talmud, and other classical texts, as well as Jewish and general world history, Zolty explores the evolution of Jewish education for women. In each period, from biblical times through to the twentieth century, we find exceptional women, usually of rabbinic families, some of whom are cited as authorities in certain areas of Jewish law, and some of whom may have mastered the entire gamut of Torah study. The book traces the development of the legal literature pertaining to the instruction of Torah to women and the various issues surrounding it. It also discusses the twentieth-century initiative of Sarah Schenirer, the founder of the Bais Yaakov Schools, and analyzes the place of the study of Torah by women in Orthodox settings. Throughout the work, ample footnotes and source material document the veracity of the claim that women have been and are permitted to become learned." "Zolty sifts through history to accord women their rightful place in the history of Jewish education. Along the way she presents the basic philosophy of education, the role and status of women in traditional Judaism and the attitudes of scholars with respect to the religious roles of women." "For women who think that traditional study is closed to them, or for men who feel that women should not learn Torah, or for any reader seeking to fully understand the value and history of Torah study and education in Judaism, "And All Your Children Shall Be Learned" will be both eye-opening and interesting, shedding light on a long-neglected topic, the contribution of women to the study of Torah."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. [The David Story: A Translation with Commentary of 1 and 2 Samuel](#) Studying the Torah

The principal thrust of this book is to discover whether, and to what extent, the methods of modern scholarship can become part and parcel of the study of Torah.

[Talmud Torah](#) Feldheim Publishers

Like the book of Romans in the New Testament, the book of Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament. And like the Gospel of John, it represents mature theological reflection on God's great acts of salvation, in this case associated with the

exodus of Israel from Egypt. Unfortunately, for many Christians, Deuteronomy is a dead book, either because its contents are unknown or because its message is misunderstood. The essays in this collection arise from a larger project driven by a passion to recover for Christians the life-giving message of the Old Testament in general and the gospel according to Moses in particular. The "meditations" cover a wide range of topics, from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today.

[Wisdom From The Torah Book 1](#) University Press of America

This fascinating narrative illustrates and clarifies rabbinic views relating to more than 250 topics. The Talmud has been a source of study and debate for well over a millennia. What the Rabbis Said: 250 Topics from the Talmud brings that discussion out of the yeshiva to describe and clarify the views of the talmudic rabbis for modern readers. Much more than a compilation of isolated rabbinic quotations, the book intersperses talmudic statements within the narrative to provide a thoroughly engaging examination of the rabbinic point of view. Exploring the development of traditional Jewish thought during its formative period, the book summarizes the major rabbinic comments from the vast expanse of the Talmud and midrashic literature, demonstrating, among other things, that the rabbis often took divergent positions on a given issue rather than agreeing on a single "party line." As it delves into such broad topics as God, the Torah, mitzvot, law and punishment, synagogue and prayer, and life-cycle events, *What the Rabbis Said* will help readers understand and appreciate the views of those who developed the rabbinic Judaism that persists to the present day.

[Studying the Torah](#) CCAR Press

A decade in the making, *The Observant Life: The Wisdom of Conservative Judaism for Contemporary Jews* contains a century of thoughtful inquiry into the most profound of all Jewish questions: how to suffuse life with timeless values, how to remain loyal to the covenant that binds the Jewish people and the God of Israel and how to embrace the law while retaining an abiding sense of fidelity to one's own moral path in life. Written in a multiplicity of voices inspired by a common vision, the authors of *The Observant Life* explain what it means in the ultimate sense to live a Jewish life, and to live it honestly, morally, and purposefully. The work is a comprehensive guide to life in the 21st Century. Chapters on Jewish rituals including prayer, holiday, life cycle events and Jewish ethics such as citizenship, slander, taxes, wills, the courts, the work place and so much more.

[Modern Scholarship in the Study of Torah](#) Routledge

What does the Torah have to say about social justice? As the contributors to *The Social Justice Torah Commentary* demonstrate, a great deal. A diverse array of authors delve

deeply into each week's parashah, drawing lessons to inspire tikkun olam. Chapters address key contemporary issues such as racism, climate change, mass incarceration, immigration, disability, women's rights, voting rights, and many more. The result is an indispensable resource for weekly Torah study and for anyone committed to repairing the world. Published by CCAR Press, a division of the Central Conference of American Rabbis

This Bible study guide is presented as an extension to Rob and Sheila Skiba's Virtual House Church. It is designed to show you how the themes, stories, and words of the Torah (the five books of Moses) are woven throughout the writings of the prophets and New Testament. There is much wisdom to be gained from the Torah. The word is often translated as "law" but really, it represents the instructions of our loving Father to His children. This book has an Introduction written by Rob Skiba, but the rest of it consists of just Scripture (with no commentary), carefully arranged for weekly Bible Study including the traditional weekly Torah portion, along with a selection of Scriptures from the Prophets and the New Testament as well as ample room for note-taking and three starter questions at the end of each study to help kickstart conversation and foster careful consideration. We pray this workbook draws you into a closer, more intimate relationship with YHWH. We also welcome you to join us for additional study and commentary at our Virtual House Church.

The Tapestry Of Torah Rowman & Littlefield

The traditional Jew has always accepted the study of Torah as central to his or her way of life. But without the ability to effectively analyze and interpret the text, one misses the opportunity to gain a deep and authentic appreciation of the Torah's beauty and profundity. In *Studying the Torah: A Guide to In-Depth Interpretation*, Avigdor Bonchek equips the reader with the proper analytic methods to make reading the Bible both a serious pursuit and a pleasurable pastime. In order for the reader of the Torah text to delve into its veiled, but ultimately visible, layered messages, he or she must first learn the appropriate interpretive techniques. These skills are the same as those used by the classic Jewish Torah commentators (Rashi, Ramban, Ibn Ezra, and others), all of whom were experts in what scholars today refer to as a "close reading" of the text. Among the "Keys to Interpretation" discussed in this book are the significance of word order, opening sentences, repetitions, word associations, psychological dimensions, and similarities and differences between texts. Each key is illustrated by several examples that offer fresh insight into otherwise familiar text, and the author offers his own original and comprehensive in-depth interpretation of two central biblical stories: the story of Joseph and the ten plagues.

Torah Study KTAV Publishing House, Inc.

First published in 2004, *The Jewish Study Bible* is a landmark, one-volume resource tailored especially for the needs of students of the Hebrew Bible. It has won acclaim from readers in all religious traditions. *The Jewish Study Bible*, which comes in a protective slipcase, combines the entire Hebrew Bible--in the celebrated Jewish Publication Society TANAKH Translation--with explanatory notes, introductory materials, and essays by leading biblical scholars on virtually every aspect of the text, the world in which it was written, its interpretation, and its role in Jewish life. The

quality of scholarship, easy-to-navigate format, and vibrant supplementary features bring the ancient text to life. This second edition includes revised annotations for nearly the entire Bible, as well as forty new and updated essays on many of the issues in Jewish interpretation, Jewish worship in the biblical and post-biblical periods, and the influence of the Hebrew Bible in the ancient world. *The Jewish Study Bible, Second Edition*, is an essential resource for anyone interested in the Hebrew Bible. Understanding The Torah is a documentary follow-up to *Before the Sermon - Know the Truth Beyond a Reasonable Doubt*. Whether Jewish or Gentile, the best way to come to know GOD is to read and diligently study HIS WORD. This book is an exact copy of The King James Version of The Torah with the inclusion of notes and commentaries attempting to explain and bring together the archaically written verses. The Torah was given to the Jewish People to learn, obey, and ultimately share with all of GOD's Creation. Read it, learn it, OBEY it, and you will be BLESSED in this life as GOD's GRACE has saved your soul in the next life! My in-depth study and writing of this book opened an opportunity for me to develop and grow a personal relationship where I got to know GOD, and more importantly, I believe GOD got to know me. The key to writing this book was to come to know GOD, not just know about GOD. To this end, I believe GOD wants the reader of HIS WORD to advance their knowledge base by asking questions to which answers are sought to the point of understanding; hence "diligently seeking him," as stated in The Book of Hebrews, Chapter 11, Verse 6. When you achieve an understanding of The Torah, you will see a clear picture of a very Purposeful GOD with specific reasons for everything HE says and does. So, I decided to painstakingly study each verse in each chapter in each book of The Torah attempting to see GOD's Purposes as the means of explaining GOD's WORD; in essence, if HIS Purpose is clear then HIS WORD is clear.

[The Yeshivat Chovevei Torah Rabbinical School Tanakh](#)

[Companion to the Book of Samuel](#) Bloomsbury Publishing USA Whether you are studying the Bible for the first time or you're simply curious about its history and contents, you will find everything you need in this "accessible, well-written handbook to Jewish belief as set forth in the Torah" (The Jerusalem Post). George Robinson, author of the acclaimed *Essential Judaism*, begins by recounting the various theories of the origins of the Torah and goes on to explain its importance as the core element in Jewish belief and practice. He discusses the basics of Jewish theology and Jewish history as they are derived from the Torah, and he outlines how the Dead Sea Scrolls and other archaeological discoveries have enhanced our understanding of

the Bible. He introduces us to the vast literature of biblical commentary, chronicles the evolution of the Torah's place in the synagogue service, offers an illuminating discussion of women and the Bible, and provides a study guide as a companion for individual or group Bible study. In the book's centerpiece, Robinson summarizes all fifty-four portions that make up the Torah and gives us a brilliant distillation of two thousand years of biblical commentaries—from the rabbis of the Mishnah and the Talmud to medieval commentators such as Rashi, Maimonides, and ibn Ezra to contemporary scholars such as Nahum Sarna, Nechama Leibowitz, Robert Alter, and Everett Fox. This extraordinary volume—which includes a listing of the Torah reading cycles, a Bible time line, glossaries of terms and biblical commentators, and a bibliography—will stand as the essential sourcebook on the Torah for years to come.

The Torah Aviv Press

The groundbreaking volume *The Torah: A Women's Commentary*, originally published by URJ Press and Women of Reform Judaism, has been awarded the top prize in the oldest Jewish literary award program, the 2008 National Jewish Book Awards. A work of great import, the volume is the result of 14 years of planning, research, and fundraising. THE HISTORY: At the 39th Women of Reform Judaism Assembly in San Francisco, Cantor Sarah Sager challenged Women of Reform Judaism delegates to "imagine women feeling permitted, for the first time, feeling able, feeling legitimate in their study of Torah." WRJ accepted that challenge. *The Torah: A Women's Commentary* was introduced at the Union for Reform Judaism 69th Biennial Convention in San Diego in December 2007. WRJ has commissioned the work of the world's leading Jewish female Bible scholars, rabbis, historians, philosophers and archaeologists. Their collective efforts resulted in the first comprehensive commentary, authored only by women, on the Five Books of Moses, including individual Torah portions as well as the Hebrew and English translation. *The Torah: A Women's Commentary* gives dimension to the women's voices in our tradition. Under the skillful leadership of editors Dr. Tamara Cohn Eskenazi and Rabbi Andrea Weiss, PhD, this commentary provides insight and inspiration for all who study Torah: men and women, Jew and non-Jew. As Dr. Eskenazi has eloquently stated, "we want to bring the women of the Torah from the shadow into the limelight, from their silences into speech, from the margins to which they have often been relegated to the center of the page - for their sake, for our sake and for our children's sake."

Torah Lishmah Oneworld Publications

From the Pentateuch and Nevi'im to the Ketuvim and the oral Torah, this straightforward reference walks you through God's instructions to His people and explains how these teachings are incorporated into Jewish life. The *Everything Torah Book* presents the tenets of the Jewish faith in an easy-to-understand reference.
