For Everyone Bible Study Guide Westminster John Knox Press The Gospel of Matthew Bible study guide. Verse-by-verse analysis of New Testament text with discussion questions and sample answers. The

series has been carefully field tested and improved in real-life church and house group situations. Challenging and relevant, yet simple and easy to understand. Suitable for home/church leaders and groups. Matthew Westminster John Knox Press Matthew accepted Christ's invitation to follow him and never turned back. He spent the rest of his life convincing folks that this

carpenter was the King. Jesus gave the call and never took it back. The relationship Jesus had with Matthew can serve to convince us that if Jesus had a place for Matthew, a tax collector, he just might have a place for us, too. Join beloved author Max Lucado as he enters Matthew's Gospel to find out what it looks like to be chosen by the Carpenter King—and what it looks like to accept his invitation.

As you read, study, journal, and discuss the book of Matthew, watch for these key themes that Max will unpack throughout the book: God kept his promise of a deliverer for his people. God's ideas about his kingdom are often different from his people's ideas of the same kingdom. Jesus lived fully as a human and as God. Jesus' ministry and sacrifice changed the world forever.

The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes: An opening reflection on the Bible book you're studying. Background information to deepen your understanding of the cultural and historical setting. An excerpt of the text (from the

NIV and the NKJV). Exploration questions with plenty of room to write your own thoughts and notes. Inspirational thoughts from Max as well as a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study. [Smart Guide to the Bible](#) Thomas Nelson "God, I need you to do something in my children!" Have those words found

their way into your desperate prayers? Do you feel helpless to know how to equip your children for this world and all it throws at them? If so, you're not alone. When Brooke McGlothlin realized her best efforts were falling woefully short of her goal to produce godly children, she discovered the joy and power of praying Scripture over her family. Her life and her children's lives were transformed.

Yours can be too. Complete with prayers for specific situations, this encouraging book is perfect for times when you feel too busy to pray, don't know what or how to pray, don't know if your prayers really matter. Nothing is more powerful and faith-building than praying God's Word for those you love. Become a mom full of hope in the God who can, even if you can't. wanted from a mom who absolutely lives this message on her knees."--

Matthew HarperChristian Resources Standing at the start of the New Testament, the Gospel of Matthew provides a bridge from the Jewish world awaiting a Messiah to the emerging Christian world of Jesus and his followers. This Gospel introduces us to Jesus as the Master Teacher whose words of instruction are captured in large

teaching sections. Part One covers Matthew 1:1–16:28, from the birth of Jesus through much of his public teaching life, to the first prediction of his passion. Commentary, study and reflection questions, prayer and access to recorded lectures are included. 5 lessons. **Bible Study Questions on Matthew and the Sermon on the Mount** HarperChristian Resources The NIV is the

world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. *Matthew* InterVarsity Press Jesus is the eternal King... Follow Dr. Jeremiah

through the gospel of Matthew in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. At first glance, it seems surprising that Jesus would call a man like Matthew to become one of His disciples. As a small-time tax collector, Matthew would have been despised by the Jewish people, who

viewed those in the profession as traitors to Rome. But the fact that Matthew was educated, literate, and also familiar with Jewish law and customs made him the ideal candidate to not only accompany Jesus during His earthly ministry but also record all that he witnessed. The result is the Gospel we have today. Matthew shows how Jesus, as the promised Messiah and eternal King,

is worthy of our hope and our complete devotion. Each of this study's twelve lessons is clearly organized to include:
 Getting Started: An opening question to introduce you to the lesson.
 Setting the Stage: A short reflection to explain the context of the study.
 Exploring the Text: The Scripture reading for the lesson with related study questions.
 Reviewing the Story: Questions to

help you identify key points in the reading. Applying the Message: Questions to help you apply the key ideas to their lives. Reflecting on the Meaning: A closing reflection on the key teachings in the lesson. —ABOUT THE SERIES— The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. In each study, you'll gain insights

into the text, identify key stories and themes, and be challenged to apply the truths you uncover to your life. By the end of each study, you'll come away with a clear and memorable understanding of that Bible book. Each study also contains a Leader's Guide. **Focus on Matthew** InterVarsity Press This workbook on the Gospel of Matthew was designed for use in Bible classes,

family study, or personal study. The class book material is suitable for teens and adults. Questions in the lessons contain minimal human commentary, but instead guide students to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments

may proceed at whatever speed and depth will best accomplish the needs of the students.
