BOND SHANNON

The Cult of Thomas Becket Image Comics

How did medieval people define themselves? And how did they balance their identities as individuals with the demands of their communities? Lives, Identities and Histories in the Central Middle Ages intertwines the study of identities with current scholarship to reveal their multi-layered, sometimes contradictory dimensions. Drawing on a wide range of sources, from legal texts to hagiographies and biblical exegesis, and diverse cultural and social approaches, this volume enriches our understanding of medieval people's identities - as defined by themselves and by others, as individuals and as members of groups and communities. It adopts a complex and wide-ranging understanding of what constituted 'identities' beyond family and regional or national belonging, such as social status, gender, age, literacy levels, and displacement. New figures and new concepts of 'identities' thus emerge from the dialogue between the chapters, through an approach based on life-histories, lived experience, ethnogenesis, theories of diaspora, cultural memory and generational change.

The Walking Dead: Compendium 1 Routledge

This volume traces transformations in attitudes toward, ideas about, and experiences of religion and the senses in the medieval and early modern period. Broad in temporal and geographical scope, it challenges traditional notions of periodisation, highlighting continuities as well as change. Rather than focusing on individual senses, the volume's organisation emphasises the multisensoriality and embodied nature of religious practices and experiences, refusing easy distinctions between asceticism and excess. The senses were not passive, but rather active and reactive, responding to and initiating change. As the contributions in this collection demonstrate, in the pre-modern era, sensing the sacred was a complex, vexed, and constantly evolving process, shaped by individuals, environment, and religious change. The volume will be essential reading not only for scholars of religion and the senses, but for anyone interested in histories of medieval and early modern bodies, material culture, affects, and affect theory.

The walking dead: El Gobernador McFarland

Who is Negan? Since his debut in THE WALKING DEAD #100, the charismatic psychopath has antagonized Rick Grimes, murdered his friend with a baseball bat wrapped in barb wire (which he calls "Lucille"), and led the Saviors into war against Alexandria and the neighboring communities. But who was he before society broke down? That question will be answered here, collecting the ñHEREÍS NEGAN! story originally serialized in IMAGE+ magazine

A Companion to Death, Burial, and Remembrance in Late Medieval and Early Modern Europe, c. 1300-1700 Panini Brasil LTDA

O livro The Walking Dead - O Fenômeno Mundial é um livro que reúne diversas informações dessa história em quadrinho que se tornou uma das séries de TV mais assistidas no mundo. Heterodox Shakespeare BRILL

The epic tale of survival continues as Rick and crew find another possible shelter. This place is perfect: It's secure, it's large, it has nearly everything they could ever need. Only problem is, it's already got dead tenants...lots of 'em.

The Walking Dead - Season Two Rowman & Littlefield

Preso numa cidade rodeada de malucos, Rick precisa encontrar uma maneira de fugir ou morrer tentando. Enquanto isso, na prisão, o restante dos sobreviventes se conforma com o fato de que Rick pode estar morto. The Walking Dead, um fenômeno da tevê nos Estados Unidos, se tornando uma das maiores audiências da história, e sucesso de público no Brasil e no mundo! Agora, os

quadrinhos que deram origem à série chegam ao Brasil pela Panini, com ainda mais sangue e lágrimas, para conquistar uma verdadeira horda de leitores.

The Walking Dead - vol. 22 - Um novo começo Routledge

On 29 December, 1170, Thomas Becket, Archbishop of Canterbury, was brutally murdered in his own cathedral. News of the event was rapidly disseminated throughout Europe, generating a widespread cult which endured until the reign of Henry VIII in the sixteenth century, and engendering a fascination which has lasted until the present day. The Cult of Thomas Becket: History and Historiography through Eight Centuries contributes to the lengthy debate surrounding the saint by providing a historiographical analysis of the major themes in Becket scholarship, tracing the development of Becket studies from the writings of the twelfth-century biographers to those of scholars of the twenty-first century. The book offers a thorough commentary and analysis which demonstrates how the Canterbury martyr was viewed by writers of previous generations as well as our own, showing how they were influenced by the intellectual trends and political concerns of their eras, and indicating how perceptions of Thomas Becket have changed over time. In addition, several chapters are devoted to a discussion of artworks in various media devoted to the saint, as well as liturgies and sermons composed in his honor. Combining a wide historical scope with detailed textual analysis, this book will be of great interest to scholars of medieval religious history, art history, liturgy, sanctity and hagiography.

The Walking Dead - vol. 4 - Os mais íntimos desejos Routledge

Features a story firmly set in The Walking Dead comic book continuity

The Walking Dead - vol. 1 - Dias Passados B DE BOOKS

From Medievalism to Early-Modernism: Adapting the English Past is a collection of essays that both analyses the historical and cultural medieval and early modern past, and engages with the medievalism and early-modernism—a new term introduced in this collection—present in contemporary popular culture. By focusing on often overlooked uses of the past in contemporary culture—such as the allusions to John Webster's The Duchess of Malfi (1623) in J.K. Rowling's Harry Potter books, and the impact of intertextual references and internet fandom on the BBC's The Hollow Crown: The Wars of the Roses—the contributors illustrate how cinematic, televisual, artistic, and literary depictions of the historical and cultural past not only re-purpose the past in varying ways, but also build on a history of adaptations that audiences have come to know and expect. From Medievalism to Early-Modernism: Adapting the English Past analyses the way that the medieval and early modern periods are used in modern adaptations, and how these adaptations both reflect contemporary concerns, and engage with a history of intertextuality and intervisuality.

Robert Kirkman's The Walking Dead: Typhoon Walter de Gruyter GmbH & Co KG

Eles encontram a esperança que tanto pediram. Poderia uma cidade que ainda não foi devastada pelos horrores soltos na Terra ser a resposta para suas preces? Há um segredo ainda mais sinistro escondido sob este aparente porto seguro? Pior ainda, será que pessoas traumatizadas pelo pior da humanidade conseguem voltar a ser o que eram antes?

The Walking Dead: All Out War AP Edition Clube de Autores

Grimes, Glenn y Michonne, descubren el pueblo de Woodbury cuando buscaban los restos de un helicóptero que se había estrellado. Allí se encuentran con una retorcida combinación de deporte y perversión; como si se tratara de un circo, los muertos vivientes se enfrentan los unos a los otros por un trozo de ser humano. Y todo es obra de El Gobernador, el déspota que fundó y controla Woodbury. Pero ¿cómo llegó hasta aquí? En un principio, cuando la epidemia comenzó, Philip, reunió a un gran grupo de supervivientes alrededor de cuatro calles de la ciudad y se denominó a sí mismo: El Gobernador. Parecía un líder justo y fuerte, pero pronto su lado maquiavélico salió a relucir. Esta es su historia...

This special Artist Proof edition collects the monumental ALL OUT WAR story arc all in one

volume as seen through artist CHARLIE ADLARD's raw pencils. Read the story in a whole new way, never before collected together in one single volume. Collects THE WALKING DEAD #115-126.

The Walking Dead: Here's Negan! Panini Brasil LTDA

In vormodernen Monarchien beobachten wir Widerspruch und Widerstand gegen einzelne Herrscher, ihre politischen Entscheidungen und ihre Verwaltung, aber in der Regel keine direkten Angriffe auf die Ordnungsprinzipien und das politische System. Wenn Unzufriedenheit zu Aufständen und Revolten führten, blieb es normalerweise bei einem bloßen Austausch des Regenten. Subtilere Methoden der Herrscherkritik konnten sich mittels fester Usancen oder spezifischer Codes und Spielregeln innerhalb des legalen Rahmens Gehör verschaffen und zielten darauf ab, die Qualitäten des Regenten zu verbessern oder spezifische Modi der Amtsführung zu reformieren. Diese verschiedenen Formen und Praktiken von Herrscherkritik in vormodernen monarchischen Gesellschaften sind Gegenstand dieses Bandes. When looking at pre-modern monarchical societies, one does not expect to observe fundamental dissent directed at the social order as such or at the political system. As a rule, criticism was limited to individual monarchs, their performance and decisions. While discontent could lead to insurrection and rebellion, which normally only culminated in the ruler being replaced by another monarchical figurehead, the subtler methods of voicing criticism were applied within a framework of legality, of a set of customs or of a code of rules of the game and intended to improve the performance of the incumbent or reform his conduct at court. The various forms of verbal or staged censure of rulers in pre-modern monarchical societies are the subject of this volume.

A queda do Governador: parte 1 - The Walking Dead - vol. 3 Image Comics

Poradnik do The Walking Dead Sezon 2 - All That Remains jest dokładnym spisem wszystkich aktywności zawartych w grze. Haunt no 01/02 Planeta Publishing Corporation

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

The Walking Dead at Saqqara Panini Brasil LTDA

A vida na prisão começa a ficar interessante para Rick Grimes e seu grupo de sobreviventes. Relacionamentos esquentam, estouram e mudam completamente quase da noite para o dia. Ao fim deste volume, relações entre alguns personagens terão mudado radicalmente, preparando o caminho para os próximos acontecimentos da saga. The Walking Dead, um fenômeno da tevê nos

Estados Unidos, se tornando uma das maiores audiências da história, e sucesso de público no Brasil e no mundo! Agora, os quadrinhos que deram origem a série chegam ao Brasil pela Panini, com ainda mais sangue e lágrimas, para conquistar uma verdadeira horda de leitores.

The Walking Dead: A queda do governador (Vol. 3) - Parte 1 Image Comics

TERCEIRO VOLUME DA SÉRIE QUE JÁ VENDEU MAIS DE 320 MIL EXEMPLARES NO BRASIL Após conquistar milhões de fãs ao redor do mundo, a franquia de zumbis mais celebrada da década está de volta. O terceiro livro, The Walking Dead: A queda do Governador - Parte Um, conta em detalhes o destino desse que é o personagem mais controverso em um mundo dominado por mortos-vivos. No primeiro volume, A ascensão do Governador, descobrimos como ele se tornou esse homem e qual a origem de suas atitudes extremas. Já no segundo, O caminho para Woodbury, acompanhamos suas interações com os moradores. E do que ele foi capaz para que a cidade murada fosse um local seguro no qual as pessoas pudessem viver em paz em meio ao apocalipse zumbi. E do que um grupo de humanos errantes é capaz para alcançar esse aparente paraíso. The Walking Dead: A queda do Governador - Parte Um dá continuação à história de ação e horror. Personagens icônicos das tirinhas que deram origem à série de TV, como Rick, Michonne e Glenn vão finalmente fazer sua estreia no palco do pesadelo zumbi. E fãs poderão vê-los sob uma nova e assustadora luz.

Lives, Identities and Histories in the Central Middle Ages Planeta Publishing

Through a detailed and fascinating exploration of changing medical knowledge and practice, this book provides a timeline of humankind's understanding of physiological death. Anchored in Early Modern Britain, it explains how evolving medical theories challenged the ambiguous definition of death, instigating anxieties over the newly realized potential for officials to mistake a person's time of death. Fears of premature burials were materialized as newspapers across Europe printed hundreds of articles about people who had been misdiagnosed as dead and were then buried--or nearly buried--alive. These stories, tallied in this text, present the first contemporary statistic of how frequently misdiagnosed death led to premature burial during the eighteenth century. The public consciousness of premature burial manifested itself in many ways, including the necessity of having a wake before a funeral and the creation of safety coffins. This book also explores the folkloric phenomenon of the rising dead and the stories that inspired a number of authors including Coleridge, Byron and Stoker, who blended medical understanding with fiction to create vampire literature.
