Before the purpose-pitch that zips inches from the batter's head, before greenfly autograph-seekers stalk hotel lobbies, before thousands of fans stand up and boo in 50,000-seat stadiums, before the proverbial dog days of summer and the pressure-packed moments of October . . . there is sweet spring. The long hello. Baseball's early season. The words spring training have long held special power over baseball fans. They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores. The chance to see the game up close and personal, in beautiful slow motion. No other sport undergoes this slow, glorious unfolding. And no other book captures baseball's rite of passage in all its magic. Come on a wild ride through spring training's many attractions and peculiarities, from Florida to Arizona, the National to the American League, the dugouts to Section D. Glimpse retirees in Hawaiian shirts singing "Take Me Out to the Ball Game," million-dollar players taking it easy on the field and in the bars, young rookies flashing their skills, grizzled vets going through the motions, wide-eyed children dressed from head to toe in their favorite team's garb. It's all here, from Alligator Alley to Cactus Way, sit-ups to sunblock, home runs to hangovers -- a lively tribute to America's favorite pastime in its purest, most wonderful form.

Whether a die-hard booster from the days of John Mayberry or a new supporter of Jose Bautista, these are the 100 things every Toronto Blue Jay fan

needs to know, and do, in their lifetime. Author Steve Clarke has collected every essential piece of Blue Jays knowledge and trivia, as well as must-do activities, and ranks them all, providing an entertaining and easy-to-follow checklist as readers progress on their way to fan superstardom. Most Blue Jays fans have taken in a game or two at Rogers Centre, have seen highlights of a young Dave Stieb, and remember where they were when Joe Carter hit his World Series-winning home run in 1993. But only real fans know who spent two decades as the team's BJ Birdy mascot, can name the opposing player who was once jailed for hitting a seagull with a thrown baseball at Exhibition Stadium, or how long it takes to open the Rogers Centre roof.

"100 Things Blue Jays Fans Should Know & Do Before They Die" stands as the ultimate resource for true fans of Canada's sole major league baseball team.

National Bestseller A Globe and Mail Best Book A National Post Best Book of the Year A passionate ode to baseball, its culture, and its community, which both celebrates and challenges the game – and reminds us why it really matters. For Stacey May Fowles, the game of baseball is one of "long

pauses punctuated by tiny miracles." In this entertaining and thoughtful book, Fowles gives us a refreshingly candid and personal perspective on subjects ranging from bat flips to bandwagons, from the romance of spring training to the politics of booing, from the necessity of taking a hard look at players' injuries and mental health issues to finding solace at the ballpark. Fowles confronts head-on the stereotype that female fans lack real knowledge about the game, and also calls out the "boys will be boys" attitude and its implications both on and off the field. She also shares her reverence for the no-hitter, her memories of going to the ballpark with her dad, and the challenges of falling in love with someone who didn't like baseball. Throughout the book, she offers exhilarating snapshots of the Toronto Blue Jays' 2015 and 2016 seasons, and gathers a selection of inspiring "baseball life advice" quotes from players and others that provide unexpected insight into how we could all live better lives. With remarkable verve, intelligence, and an unabashed enthusiasm, Fowles explores how we can use the lens of baseball to examine who we are. And in this passionate ode to the game, its culture, and its community, she reminds us that although baseball can break your heart, it will always find a way to make it whole again.
