## GORDON COLLIER

*Mistress* Funstory  
 Take My HusbandMIRA  
*HE'S MY HUSBAND!* Zondervan  
 Like most brides on their wedding day, you no doubt were filled with love for your husband and the hope of a happy life together. But perhaps today, as the realities of life together have settled in, those happy expectations are going unfulfilled. And it's tempting to think, "If only my husband would change, I'd be happy." That myth is but one of many that Rhonda Stoppe dispels in her easy-to-read exploration of what it takes to experience a truly happy marriage. In the process, she addresses such important topics as understanding your husband's need for your unconditional respect rekindling the love that drew you to your husband in the first place refusing to believe the lie that you'd be happier married to someone else learning to be content in the midst of financial struggles thinking about sex from a biblical worldview If you desire to rekindle the love and hope you felt on your wedding day, this book will go a long way toward making that dream come

true. Contains discussion questions and personal reflections at the end of each chapter.

*Forced Into Marriage: My Husband's Too Mean* Multnomah  
 Help My Husband Doesn't Love Jesus is the practical, theologically sound book you've been craving. No more empty seats next to you in church. No more frustrating rejected invitations to church. No more nagging. The wisdom shared in these pages will take the hassle and irritation out of marriages where one spouse is passionately in love with Jesus while the other is . . . well let's just say they don't have a relationship with Jesus - at least not yet anyway. I know it's difficult being the one driving to church without your spouse and any attempts at encouraging them to come along is met with resistance - sometimes extreme resistance. "Help My Husband Doesn't Love Jesus" uses the life of Esther and Hannah to unlock some hidden powers women possess in not only navigating difficult situations but also positively influencing their husbands to turn their hearts to God. That's right this book explores chapter by chapter, exercise by exercise, the real nature of women and their dynamic role in drawing their spouses into a divine spiritual alignment with their Creator. Chapter by chapter topics covered include: ? Marriage versus Covenant? ? A Good Man? ? Attendance versus

Relationship? ? The Jewish Queen who married an alcoholic ?  
 Creating a welcoming Environment ? Time To serve So, if you're ready to ditch the nagging, roll up your sleeves and let's get what you really want. You will turn the trajectory of not only your husband's faith but also your family to a place up until now you have only been dreaming about. If your spouse's spiritual walk is not what it should be or is non-existent, you can help change that - starting today. Help! My Husband Doesn't Love Jesus provides the real-life tools building a fulfilling life when you are loving and living with a spouse who does not share the same spiritual pathway as you do.

**How I Refused to Let Someone Else Steal My Husband**  
 FriesenPress

I am a teacher. I teach about relationships because after two failed marriages (and add another two that failed for my husband), I just had to learn how to do it and how to get it right. It is said, "We teach what we have to learn." Anyone who knows me will tell you that when I decide to do anything, I do it with all of me. When something works for me and helps me grow and improves the quality of my life, I am steadfast. Since I began to learn how emotions work, and then began to recognize mine and the effects of healing those old ones that never got expressed, I have been 100% committed to use what I learned and the results in my life have been almost unbelievable. A few years ago I started looking at what we had in our relationship that most others don't seem to. I wondered, "What are our secrets? And can I help others with them too?" Following are those things that we believe have created the quality and depth of our relationship and we believe they can do the same for you. When my husband died in 2015, we had had 31 years of a highly successful marriage and we'd like you to have the same. The book is divided into 10 chapters. The chapter headings are the 10 main secrets that we have learned and want to offer you. They are: Secret 1. You have to be real and you have to feel good enough about yourself to be real. Secret 2. Making your commitment to the relationship and not each other works way better. Secret 3. You can't expect your partner to do anything you are unwilling to do like forgiving and giving up being right. Secret 4. You have to learn how to communicate honestly and appropriately. Secret 5. You have to remember that love includes compassion and non-judgment. Secret 6 . You have to be aware when the connection is dying and do something about it. Secret 7. You have to let them know they're doing a good job. Secret 8. You have to own up when you've messed up - and learn from it. Secret 9. You have to get that a good relationship is sacred and make time for it. Secret 10. You have to own the whole job - take full responsibility. After four failed marriages between us, we were determined to learn how to make this a good one. We learned. There are some very special things we noticed after all of those years and we wanted to help you learn them too so you can wake up one day and notice how many years have gone by and you still have the relationship of your dreams.

*If My Husband Would Change, I'd Be Happy* Harlequin / SB  
 Creative

Speaketh the Language of Him A man comes home and says to his wife, "I had a horrible day at work today." She says, "Tell me about it." "I just did," he replies. Men and women communicate differently—and, all too often, not at all! This book is a sort of "linguistics" school that will teach you to speak your husband's language: male . You'll discover simple ways to cultivate a sense of humor about your male and female differences, open conversations with him—and keep them going, frame what you're saying with masculine interest areas, respond proactively to what your husband shares, and develop thicker skin (this alone is worth the price of the book). Change up your language, spice up

your marriage! It'll be your husband's favorite thing you've ever done...well, almost! A man comes home and says to his wife, "I had a horrible day at work today." "Tell me about it," she says. "I just did," he replies. Men and women communicate differently—and, all too often, not at all. This book is a sort of "linguistics" school that will teach you to speak your husband's language: male! Discover simple ways to: Cultivate a sense of humor about your male and female differences. Open conversations with your mate, and keep them going. Frame what you are saying within masculine interest areas. Respond proactively to what your husband shares—promoting more sharing! Develop thicker skin. (This alone is worth the price of the book. It will be your husband's favorite thing you've ever done...well, almost!) "Don't miss this book! It's fun, realistic, smart, helpful—on every page. Think of it as your husband is a TV, and you—for once—have the remote." David Kopp, coauthor, with Heather Harpham-Kopp, *Praying the Bible for Your Marriage Story Behind the Book* "The concept for this book was born at five o'clock in the morning as I was working out," says Connie. "To keep myself awake, I thought about what Nancy and I should write to follow *The Politically Incorrect Wife* . 'What's a topic that almost every married woman in America is interested in?' I asked myself. Almost instantly, the answer came: How to get your husband to talk to you. Thus began a lot of reading, researching, surveying, and practicing. We were surprised time and again at what worked, and what didn't! We think you will be as well."

*My Husband's Wife* WestBow Press

*How to Beat My Husband's Mistress* is the first book of its kind. While many women choose divorce in the face of infidelity, this book argues wives don't have to abandon their marriages, lives, or accomplishments, nor subject their children (if they have them) to the cruel effects of infidelity and divorce. Instead, it offers wives alternatives to beat their husbands' mistresses with dignity and class, without any physical or electronic contact. Why should you allow fellow women to beat you out of your home and marriage? You have everything in your power as a woman and as a wife to beat his mistress. You're not a quitter! You should take the bull by the horns, do what needs to be done, and beat the mistress out of your life and marriage for good.

*Fool Me Once* Urban Renaissance

When a husband tells his wife, or she suspects, that he no longer loves her she may feel as though her world is ending but in this positive and powerful book, marital therapist Andrew G. Marshall has a message of hope. It is possible to turn a relationship around and emerge with a stronger bond. In Part One, he explains: How to get to the bottom of why he's fallen out of love. What's really going through his mind. Why your husband has turned into a stranger. The signs that show if he's depressed and what to do about it. How to build better communication and start improving your relationship. In Part Two, he discusses how to tell if there's another woman and gauge whether she really is a threat, including: The six types of other woman, from 'a spark' to 'the love of his life'. Tailored strategies for dealing with each type. Five worst and best reactions after uncovering what's really going on. How to keep calm even when provoked. How to combat the poison that she's slipping into your relationship. When to keep fighting and when to make a tactical withdrawal

*Help! My Husband Doesn't Love Jesus* Harper Collins

"[A] must-read thriller . . . *My Husband's Wife* has an ending that will change the way you view marriage forever." —Bustle "If you loved *Gone Girl* and *The Talented Mr. Ripley*, you'll love *My Husband's Wife*. It's got every thriller's trifecta: love, marriage, and murder." —Parade "The novel's plot is as provocative as its title." —The Washington Post From the bestselling author of *The Dead Ex*, a deliciously addictive psychological thriller about the

powerful effects of little white lies on three intertwined lives--and when those secrets become deadly When young lawyer Lily marries Ed, she's determined to make a fresh start and leave the secrets of the past behind. But then she takes on her first murder case and meets Joe, a convicted murderer to whom Lily is strangely drawn—and for whom she will soon be willing to risk almost anything. But Lily is not the only one with secrets. Her next-door neighbor Carla may be only nine, but she has already learned that secrets are powerful things. That they can get her whatever she wants. When Lily finds Carla on her doorstep twelve years later, a chain of events is set in motion that can end only one way.

#### Take My Husband iUniverse

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

#### *My Husband's Girlfriend* Penguin

The last thing any wife would want to hear is that her husband cheating or let alone that he has a mistress. Just like the name mistress suggests; knowing that your husband has a mistress will undeniably be a source of stress. It is heartbreaking to get information of infidelity or cheating on your husband's part and that someone including your husband is not respecting your marriage. Although, there could be problems within the marriage that need to be addressed but that should not give your husband and the other woman a right to break it down. Marriage is not a simple institution to go through because of its challenges such as raising children, arranging the household to proper order and taking care of your spouse's needs. The best ways to deal with your husband's mistress require you to be calm about the situation so that you don't end up in trouble. I can't say it's such an easy situation to deal with but from my experience; it's the best way to deal with the issue of that nature. Some approaches mentioned in the book might require you to inform her, not just about your existence, but also of your appearance and your determination to save your marriage. Other ways require that you remain undercover and the suspense of not knowing who is behind all of the stress creates just the right kind of agony she should get for snatching your man. Below are some hints on what you can expect to get from the book on how to get rid of your husband's mistress; \* Do you want to know whether it is a good idea to tell your husband's mistress about your existence? What would be the best way to make a strong statement?\* Ever

stopped to think that your husband's email can be used to your advantage? If you do not know what email your husband uses then it's high time you got it. Using information in the book, you will learn how to use your husband's email to humiliate the mistress, totally. \* If you are not the type that cooks or prepare meals for your husband, then it's high time you got a little busy in the kitchen. Make your time in the kitchen count; especially by helping to get rid of that mistress. \* If you get information that the mistress is planning a short getaway which could even be with your husband, don't just sit back and start crying about it; do something. The book will show you how you can pull off a plan to leave her with a messy house. \* Let the mistress get to experience some of the pain that you have been going through ever since you got to learn of her existence. In the book, you will learn of ways to share your pain with no one else but her. \* Your husband's cell phone could also act as a great tool for humiliating the mistress. Find out how his cell phone could be of use to you.\* Did you know that it's possible to leave marks on your husband? Get to know the type of marks and where to leave them so that the mistress can notice them.\* Find out how you can show the mistress love and shock her at the same time\* Give her a call that will leave her speechless. In the book, I will tell you what to say to her that will get her to admit to seeing your husband and will make her end the whole affair without you forcing her to do so. When my husband started cheating and found out that he had actually found himself a mistress; I did not take it in well at all and wanted the worst for the mistress that was causing me all this pain. Eventually, I discovered some subtle and other ways to deal with the situation and it was magical. Some of the might seem ineffective but remember it depends on the kind of person who is on the receiving end (the mistress); what might seem ineffective on one will do just well on another. These ways have worked for me and I am pretty sure that you will find at least one that will not just make a difference but work for you fully. A single way may be effective on its own or you might need one or two extra. Details on the above ways are available for you to explore in the book.

#### **The Proper Care and Feeding of Husbands** Sullivan Group Publishing

In "Why Not Have It All", we are shown how best to navigate the turbulent waters of modern life. As a woman, this can be both complex and demanding, for there has been a sea change in societal mores which has, in many instances, left us in newly uncharted waters. Bonita Shelby is a woman who has, with God's help, managed to find her way and wants to act as a beacon to others—keeping us off the rocks that might otherwise capsize us. The shifting demands of love, marriage, children, education, and employment need not overwhelm us. Indeed, when balanced they can form the very pillars of a life of fulfillment through God's favor and grace. "Why Not Have It All" presents a wealth of practical advice, for women (of all ages) that is backed up by scripture, and set against a number of compelling biographical glimpses into the life of Bonita herself. Personal and powerful, it is a work that is sure to inspire and instruct likeminded readers.

#### **Sacred Influence** FaithWords

There was a time when mistresses were quiet and faceless...now they're taking over and seems to be winning and coming out ahead. When Ocean took her vows for better or worse, she never anticipated that the worse would come in a form of another woman who thought she deserved the #1 spot in her husband's life. Since when did you have to compete for your own husband? That may sound like a silly question but for Ocean, it's all too real. On the other hand, Ari feels as if she's met the man of her dreams but there's only one problem, he's married. From what he tell her, his marriage is on paper only but how long can that last

and what happens when two women are in love with the same man and refuse to give in? This story is told through the eyes of the mistress who feels she's more than earned her position, the wife who has secrets of her own and the husband who thinks he has everything under control. Everyone in this triangle is carrying a secret but whose secret is dark enough to shatter their lives in a million pieces? The wrong kind of love will have you doing and accepting things you'd never thought you would. Welcome to the craziest love triangle you'll ever encounter and remember, never form an opinion until you understand all sides...

*Why Does He Do That?* Penguin

This book is based on the life and health of my husband, Melvin, a retired army soldier, and the struggle he has been facing after receiving a flu vaccine and the hard time I have endured during my husband's illness. Five years ago, my husband became physically ill after receiving a shot. If someone would have told me that our world was going to come tumbling down, I would have said that's not true. And then it happened. Everything started to fall apart. I just could not believe what was before my eyes. This bad vaccine took over my husband's life and my life, and because he was so sick, I took on the responsibility of being my husband's caregiver. I had no idea my job would be so difficult and painful. I started to feel as if we were being punished, but in my heart, I know that was not true because God does not put more on us than we can bear. But later I had to learn how to be a nurse overnight in order to take care of my husband, and because I love him so dearly, I had no problem taking on this task.

*How to Beat My Husband's Mistress.* Xlibris Corporation

Many years ago, she was tricked into his bed, and the charming night was extremely cozy. She unwillingly became a street mouse in her heart, and many years later, when they met again, she was still in his bed. "Plotted against me?" "What Mr. Lin said is not right. I am not the only one feeling good. How can I be called scheming?" In order to find out the reason for her mother's death, she brought her child back to the city ... □

*Love Letters to My Spouse* Author S.Frost

My Husband's Wife showcases the portal of a distorted husband, two loving wives, and three soon-to-be-shattered lives. When Dr. Reynolds said I do, he meant it both times. He married Katie Morgan the sassy, unsuccessful, hateful blonde seven days, fourteen hours, six minutes, and thirteen seconds before he wedded Courtney Byrd the ambitious entrepreneur who has everything including an Ivy League education, thin waist, and a Colgate smile. Erick Reynolds, who poses as Eric (E-R-I-C) Reynolds and Erik (E-R-I-K) Reynolds, has been medically characterized as a dejected schizophrenic case. Disintegration of thought and auditory hallucinations, mixed with paranoia and bizarre delusions doesn't stop Erick from molding himself into the image of a wealthy dentist to capture the hearts of his two wives. Just as Erick was becoming comfortable with his position as the perfect husband, Courtney mistakenly fumbles across information leading straight to the other Mrs. Dr. Erick Reynolds. The wives then painfully discover their colonial brick style homes share the same zip code, their five-carat diamond wedding rings were cut from the same jeweler, and they're married to the exact same man: a calculated imposter who led them both to believe he was placed on this earth to love, honor, and cherish until death does them part. Once all of Erick's secrets are uncovered, he ends his fraudulent life in front of Katie and Courtney, leaving them both to face a lifetime full of humiliation, confusion, and pain.

*Being Better for My Husband* Harvest House Publishers

*Help! My Husband is Hardly Home* helps women find the happiness and support they need at home. Author, lightworker, mother, and wife, Kelsey Domiana knows all too well what it

means to feel unsupported and exhausted with raising a family. As her husband, a professional basketball player, is often traveling, she realized that she needed to reclaim her joy and find a support system. Kelsey knows that it's not impossible to feel empowered when one's husband is away. In *Help! My Husband Is Hardly Home*, she shares her truth of feeling the overwhelm, isolation, and frustration that comes with having a partner who works away from home. Through her empowering eight-step process, she reveals to women: The real reason of resentment The trick to coping with his absence The secret to getting their husband to help out more The key to balancing the family's daily routine with his cameos The easiest way to improve their overall mood and marriage

*Dorothy Parker Drank Here* Open Road Media

You always said if your man cheated, you'd leave him so fast his head would spin. But now that it's happened it's not so black and white, is it? Caroline Madden, MFT is an affair recovery specialist. She works with couples dealing with serious problems in their relationships. In "Fool Me Once," she shares the criteria she uses to determine if a man is truly remorseful and determined to save his marriage. Here is some of the information she shares: 5 Things That Look Suspicious (But Probably Aren't) 5 Signs You Should Consider Giving Him Another Chance 7 Signs He is Going to Cheat Again (And You Will Be Hurt Again) Infidelity is traumatic, and you need to take time to assess the situation.

"Fool Me Once" will give you the tools you need to evaluate your relationship. It will help you determine whether you should trust your husband or not and decide if your marriage is worth saving. Don't Make a Decision Now That You'll Regret Later! As they say "Fool me once, shame on you." Fool me twice, shame on me." From the Author: An affair doesn't mean your marriage is over and you need to seek advice on how to divorce your husband. How do I know this? I am an Affair Recovery Specialist, serving as a Licensed Marriage and Family Therapist in California. I work almost exclusively with adults with significant relationship problems. Dealing with the aftermath of affairs is my specialty. I'll tell you what strong women do. They sit back and let the dust settle. Right now, you are one of those snow globes you pick up as a souvenir when you travel. You are all shaken up, and you need to let some of those snowflakes settle to gain clarity as to what the picture is. You may not realize it, but you are in a state of trauma right now, so you shouldn't be making any big decisions just yet. That includes putting your house up for sale, putting all his stuff in the street, calling the affair partner's husband, and/or telling everyone in the world that he cheated on you. When you regain your composure, these are all things you will regret. Trust me. As a therapist, I help women like you determine if the man who has betrayed them should be trusted or not. In some cases, I help them decide if the relationship itself is worth saving, even if the unfaithful man seems sincerely repentant. If you are like most women I see in your situation, you are thinking that there is no way your relationship can survive this explosion. Believe it or not, statistics prove that many couples survive affairs. You probably feel like you will never be capable of trusting him again, and forgiveness may seem impossible right now. However, relationships do evolve and grow stronger if both parties are truly committed to working things out. I see it happen all the time. Fool me once, shame on you. Fool me twice, shame on me."

*To Love, Honor, and Vacuum* MIRA

The New York Times bestselling look at the real reasons for male marital infidelity and what might prevent it. Few events cause as much turmoil in a marriage as infidelity. It can shatter trust and breed insecurity and resentment from which some relationships never recover. People who think it won't happen to them are hit

that much harder when it does. Why are men unfaithful? Can infidelity be prevented? What do men say they're getting from their mistresses that they're missing at home? Do a man's friends have anything to do with his willingness to cheat? In this New York Times bestselling book, experienced family counselor M. Gary Neuman shares the revealing and surprising findings of a cutting-edge research study in which he interviewed men across the country who have physically cheated on their wives. Neuman shares many shocking discoveries, including the prominent role of emotional dissatisfaction in motivating husbands who stray and how small a role sexual dissatisfaction plays. Based on a groundbreaking study of both cheating men and men who have remained faithful Reveals surprising findings on the contribution of sexual and emotional dissatisfaction to male infidelity Written by experienced family counselor M. Gary Neuman, coauthor of *In Good Times and Bad* and author of *Emotional Infidelity* Neuman and *The Truth about Cheating* were featured twice on *The Oprah Winfrey Show* Drawing on dramatic case stories of the author's own work with clients, *The Truth about Cheating* includes proactive strategies and action steps for married women to help them prevent infidelity and create a faithful and rewarding marriage.

*How to Get Your Husband to Talk to You* Independently Published This humorous take on marriage shows you how the true keys to marital bliss and success are—surprisingly—the same as the cardinal rules of comedy. In love, as in comedy, timing is everything. One bad night doesn't mean it's time to quit. Have patience: great marriages, like a successful comedy career, take time. Turns out the cardinal rules of comedy have an uncanny resemblance to the "rules" of building a strong marriage. With

humor and grace, Dani Klein Modisett shares a map for navigating your marriage through rough patches, bad jokes, and even nights when you bomb. *Take My Spouse, Please* shows how thirteen tried-and-true rules of comedy, when applied to marriage, keep you and your spouse connected, enjoying each other, and getting through tough times. Along with anecdotes from well-known comedians, comedy writers, marriage counselors, and long-term spouses, Dani delivers the core premise: humor matters.

*"My Husband's Trying to Kill Me!"* Independently Published There's an old joke that after years of marriage a man complains, "She changed!" and a woman complains "He didn't!" Just as change is a part of life, it's also a part of marriage—a healthy and normal part of it. But just because things have changed doesn't mean you shouldn't recognize yourself or your relationship with your husband. Too many women wake up in their marriages and ask themselves, "Is this it?" After years of sharing domestic duties, raising kids, and balancing careers, many of us can't help but wonder if we're living the lives we intended to have. Whether you have been married for two decades or two months, dating and relationship expert Andrea Syrtash shows how to create a more exciting and more fulfilling relationship with your spouse—and more important, with yourself. After all, you can't expect to find passion in your relationship if you are not passionate about your own life! With simple steps and fun exercises, *Cheat On Your Husband (with Your Husband)* provides the tools to help you combat boredom in your marriage and renew an easy, intimate connection with your spouse. Using real-life examples of couples who have benefited from her techniques, Syrtash debunks common marriage myths and shows how fun and fulfilling marriage can be.
