This devotional booklet contains prayers and reflections for a novena in honor of Our Lady of Perpetual Help. The novena is a nine-day period of prayer and meditation in the Catholic tradition, during which the faithful ask for the intercession of the Blessed Virgin Mary in their prayers and intentions. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Finding a dream job or achieving a significant business boost can change one's life forever. Your desire might be to secure a more rewarding employment or one that affords you the time and resources to invest in your other pet projects. It might be to score a multi-million dollar funding round or a record-breaking acquisition by Amazon, Google or some other tech giants. No matter what your desires are - so far as they are not evil in themselves or have evil consequences - they are not impossible for God. There are thousands of formulas out there that posit their 'perfect how-to make a financial breakthrough'. However, the truth is that many persons who are experiencing repeated difficulties in their businesses or have unsuccessfully sought employment, in spite of their qualifications, are under spiritual yokes - curses, spells, witchcraft, bad omen, hexes or maledictions - that prevent them from finding financial happiness. No matter how hard they try, they just won't find the

breakthrough they desire until they are delivered from the satanic shackles that bind them. The Catholic Prayer Therapy for Employment and Business Growth is a scripture-based prayer guide for anyone seeking divine intervention in his or her quest work employment or for growth in business. Like its counterparts in the series, it has been in use for over a decade and has seen countless testimonies. This is the first time I am publishing it in a book form. If you would like me to pray along with you, or have a testimony, send me a message through the email at the end of the book. May God Almighty hear and answer your prayers. Amen.

A Catholic Guide to Spending Less and Living More Our Sunday Visitor

"Lent For Non-Lent People" is a daily guide to prayer, fasting, rest, and following Jesus for people who want training wheels for Lent. In ordinary language, this book explores prayer, fasting, and Sabbath. There are eight chapters. You can read them as chapters. But if you look closer, you will find seven sections in each chapter, a reading for every day of Lent and a bonus chapter for the week after Easter. So this can be a daily reader. In each reading, we explore what Lent is, what giving up and committing to can mean. Lent is an old word that means spring. But if you had to pick a phrase that best captures what people think of Lent, it's this: giving up. Not as in quitting a competition, but as in giving up something. People observing Lent give up something that matters to them. Often it's food, like meat on Friday or sugar for the forty weekdays. Sundays often are free days, exempt from the giving up. As best as I can tell, it started with the idea of helping people appreciate the festivities of Easter. If we spend the time before Easter preparing our hearts and our bodies, the celebration has more significance. The forty days are designed to resonate with the forty-day seasons that show up in the Bible. Jesus fasted for forty days. Moses was on the mountain for forty days. Noah and his family watched it rain for forty days and forty nights. Older than the name Lent is the term "fasting". It is also about giving up. Fasting most simply is giving up that for this. That is something good in itself. This is something great. That is nourishing to a point. This is life itself. That's why Lent isn't about giving up sin. Think about it. "I'll give up my affair for forty days.

But every Sunday, just for the day, I go back to my mistress." Ludicrous. It's easy to get legalistic about forty days of fasting. When humans are presented with a boundary, we focus on the boundary. What counts as fasting? How much can you eat without breaking the fast? How long? What health matters? Focus may be a better word than Lent, fasting, or giving up. Often, the best way to give something up is to choose what to focus on instead. In the case of Lent, the intended focus is God. We'll talk about God a lot. This isn't a book of how to survive a fast. It's not about the health implications, good and bad, of fasting or praying or resting. We're going to give up some time, give some attention, and spend a few minutes, or a few weeks understanding ourselves and God.

As human beings we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually. If you walk into any Catholic church next Sunday and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged Catholics and disengaged Catholics? Answering this question is essential to the future of the Catholic Church. If we truly want to engage Catholics and reinvigorate parish life, we must first discover what drives engagement among Catholics. Matthew Kelly explores this question in his groundbreaking new book, and the simplicity of what he discovers will amaze you. Four things make the difference between highly engaged Catholics and disengaged Catholics: the four signs of a Dynamic Catholic. Whether you are ready to let God take your spiritual life to the next level or want to help reinvigorate your parish, *The Four Signs of a Dynamic Catholic* promises to take you on a journey that will help you live out the genius of Catholicism in your everyday life.

We all long to know the will of God in our lives, to obtain answers to our prayers, and to receive tangible evidence of the personal

care of our heavenly Father. We deeply desire to hear His voice. And here's the good news: God is not silent. He is constantly reaching out to each of us. Often His voice is quiet and can be heard only in prayer. He frequently breaks into our lives with timely remedies, miraculous encounters, and surprising circumstances that can be explained only by the reality of a loving and caring God. Popular Catholic author and radio host Teresa Tomeo has gathered an inspiring collection of such "Godcidences" from her life, as well as personal stories from a variety of Catholics—including broadcasters Joan Lewis, Al Kresta, Steve Ray, and authors Greg and Julie Alexander—of the unmistakable ways God has spoken to them.

To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and *Happy Are You Poor* explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubay gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life.

I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven.

Matthew 18:3 Our salvation is so much more than an emotional night at a revival or perfect attendance in mass. It may be the first step, but God is looking for a commitment; and as creatures of free will, we have the choice to be obedient or to turn back to our sinful nature. It is up to us whether we experience the wonderful promises of Jesus Christ or suffer the consequences of bad decisions following the sinful ways of man. Our life on earth and our standing in heaven depends on the daily choices we make. Many Christians are frustrated because all they hear about in church are the blessings of Christ, and they wonder why they are not experiencing them. Many churches only teach about the benefits so as not to upset anyone and, in turn, hurt contributions to the building fund. However, Christians must understand what the Lord expects in order to experience His blessings, even as harsh as some of it may sound. The Bible was given to us to make changes in our own lives, not as justification of how we are living

or to support criticism of those with sins different than our own. Scripture in this book is organized by topic, along with authors interpretation, and then you can decide if you are in a church being lead by the Holy Spirit. www.CatholicOrProtestant.com

A New York Times bestseller from the author of *Dusk, Night Dawn, Hallelujah Anyway, Bird by Bird, and Almost Everything*. Author Anne Lamott writes about the three simple prayers essential to coming through tough times, difficult days and the hardships of daily life. Readers of all ages have followed and cherished Anne Lamott's funny and perceptive writing about her own faith through decades of trial and error. And in her new book, *Help, Thanks, Wow*, she has coalesced everything she knows about prayer to these fundamentals. It is these three prayers – asking for assistance from a higher power, appreciating what we have that is good, and feeling awe at the world around us – that can get us through the day and can show us the way forward. In *Help, Thanks, Wow*, Lamott recounts how she came to these insights, explains what they mean to her and how they have helped, and explores how others have embraced these same ideas. Insightful and honest as only Anne Lamott can be, *Help, Thanks, Wow* is the everyday faith book that new Lamott readers will love and longtime Lamott fans will treasure.

There is a secret formula to help convince parishioners to give financially to your church. It's pretty simple: Just ask them. And when you do, make sure it's not about the money. In *ChurchMoney*, Rev. Michael White and Tom Corcoran—award-winning authors of the bestselling book *Rebuilt*—will help you learn the basic skills you need to discover that true success in raising funds comes from the incredibly freeing approach that connects giving to discipleship. The two share stories of success and failure during their twenty years leading the Church of the Nativity in Timonium, Maryland. They tell you what they learned to meet the real financial challenges of their mission. And they offer the practical wisdom and inspiration you need to tackle the thorny matter of raising money in your Catholic parish. So if giving isn't about the money, what is it about? Giving is about: loving God and serving him; loving others and helping them fall in

love with their Savior; transforming the world little by little through love; and the eternal impact we can and need to make with money. White and Corcoran contend that giving actually glorifies God and attracts others to the Church. Over and over again in scripture, they point out, you'll find the same, simple point: Giving gladly serves as a key ingredient to the Church's growth from its very beginning. White and Corcoran share the lessons, facts, habits, and great ideas they've implemented from some of the most successful and vibrant churches in the United States. *ChurchMoney* offers a proven plan for raising money in parishes. It's readily adaptable, firmly rooted in the reality of leading a Catholic parish, based on the Bible, and finessed with the best advice of communication professionals. You will read stories of embarrassing failure and exhilarating success in tripling a budget and running three extraordinarily successful capital campaigns over a ten-year period including a recent campaign leading to the construction of \$16 million sanctuary built debt-free. White and Corcoran have increased staff fourfold and significantly raised salaries and increased staff benefits while expanding mission outreach both locally and internationally.

Patris Corde Spiritual Life

He could quite possibly be the most effective unofficial saint of urban legend ever to have been discovered. For a variety of

reasons, the Roman Catholic Church will not officially recognize St. Expedite; but, at the same time, they won't discount him either. That's because he's just too damned popular. And, according to his devotees, he's just that damned good. But that's okay, New Orleans Voodoo has no problem embracing St. Expedite as one of her patron saints. And hoodoos, rootworkers, conjure doctors, spiritualists and sorcerers appreciate his worth, as well. No officialities are needed in these camps. Because when a saint works as well-and more importantly, as quickly-as St. Expedite works, he is more than welcome in the wide world of conjure. Indeed, St. Expedite is the go-to saint for fast solutions to problems of all kinds. His quick response makes him extremely popular among those who strive to put an end to procrastination and delays and to those who seek financial success. He is petitioned for prompt solutions to business problems and has recently been coined the Patron Saint of Nerds due to his association with computer programmers and hackers. St. Expedite is also known as one of the lawyers of impossible causes, and as such, is petitioned for court cases and legal issues,

as well. Written for the individual interested in the mystical and folk magic aspects of the Minute Saint - St. Expedite - this book delves into areas of his history and patronage never before found in one publication. This book contains more than the usual description, wordplay, prayers and suggested offerings of pound cake and public gratitude. A detailed description of where he is found around the world and how he fits into the various religiomagical landscapes, including contemporary cults of devotion and decapitation, Haitian Vodou expeditions and death conjure, individual and community relationships, and public and secret celebrations and workings are described. His origin stories, legend as a member of the Thundering Legion, and other presuppositions are explored. And, the campaign to denounce and erase any legitimacy associated with St. Expedite by the Catholic Church is presented as a curious quandary, given the multitudes of peoples across the globe who revere him and love him and swear by his legendary ability to fix problems with lightning speed. An examination of references to St. Expedite or St. Espidee as he is referred to, in the Hyatt texts is also provided in this book. Many of the works are provided in contemporary

language so it is easy to understand for the reader, while others are kept in their original transcriptions for historical value. Learn how informants petitioned him for court scrapes, banishing, road opening, getting a job and many other purposes. In addition, St. Expedite is discussed within the context of New Orleans Voodoo as Baron Samedi, including his relationship to the Skull and Bones Gang and Mardi Gras, not as public celebration, but as the underlying Spirit who kicks off and drives the festival of decadence and debauchery. This book provides details for working with St. Expedite within the context of folk Catholicism, hoodoo and New Orleans Voodoo. From setting up an altar, to an obscure nine hour novena similar to the one developed by students in the Ursuline convent in the late 1700s, to many additional, original conjures never before revealed to the public will keep the modern conjurer busy for years to come as the problems of daily life inevitably present themselves again and again. For the first time ever, find all of the information available on St. Expedite, and then some, at your fingertips in this excellent reference book.
