NATHAN BOWERS

An Unexpected Clue Harlequin
Special Agent Ben Parrish had been
thought dead for two months. So when
he suddenly reappeared, bruised and
battered on his pregnant wife's doorstep,
claiming he'd been working deep
undercover, even the FBI had trouble
believing him. Before he could be

debriefed, though, he had to convince
Ava to trust him with her safety and that
of their unborn baby. But with his
captors hot on his trail, Ben had little
time to explain to Ava how much he'd
missed her. Now, even as they barely
stayed one step ahead of the danger and
protecting Ava became his top priority,
Ben had never felt happier to be
home....
