What would you do if you could text all your questions, all your worries, all your doubts and fears to God? What if He was always online and would always answer you? Would you start typing right now? Someone once said that the single most important thing about you is your thoughts on God. Give that a minute to sink in. Why would that be? Because all your thoughts about humanity, love, suffering, and the like are shaped primarily by whether or not you think there is any meaning to it all, by whether or not you are on your own, and by whether or not God even cares about it all. Knowing who God is will give you answers to life's big questions that you might not have even known you needed. The NET, TEXT Bible is like a conversation between you, a friend teaching you about the faith, and the God of the Universe. It gives you a method of Bible study that's easy to

remember and use for any passage of scripture: Talk to God; Encounter God and humanity; eXamine your heart; Talk to others. Plus, there's so much more! Features include: Book introductions Texting the Text: use the 4-step process of Scripture engagement Big Q of the Text: big life questions with short answers "Who is God?": 100 short devotions on the person and character of God Praying the Text: learn how to start praying God's Word right back to Him Get to Know the Text: provides concise history of a major event or character Follow the Thread: navigate the Bible across topics Anatomy of the Text: describes parts of speech or important types of literature such as parables or apocalyptic books Terms of the Text: what you need to understand about some of the unique words in the Bible

 S. O. A. P Method Scripture Notebook-Daily Devotional SOAP Method Bible Study Journal: Bible Study Guide and Workbook Paperback  
**SOAP YOUR VERSES!** It's one thing to simply read scripture, but when you interact with it, the words suddenly jump off the page. With this method you will be able to have a deeper interaction with the scripture and "see" more than if you simply read the verses. The most important ingredients in the S.O.A.P. method is YOUR interaction with God's Word and your APPLICATION of His Word for YOUR life. What is the S.O.A.P Method?  
 S- The S stands for Scripture- you physically write out the scripture.....you'll be amazed that what God will reveal to you just by taking the time to slow down and actually write out what you are reading!  
 O- The O stands for observation- what do you see in the verses that you're reading? Who is the audience? Is there a repetition of words? What words stand out to you?  
 A- The A stands for Application- this is when God's Word becomes personal. What is God saying to me today? How can I apply what I just read to my own personal life? What changes do I need to make? Is

there an action that I need to take? P- And finally P stands for Prayer. Pray God's Word back to Him. If He has revealed something to you during this time in His Word, pray about it. Confess if He has revealed some sin that is in your life.
