In this near-future utopia, in Halcyon all are free. People with wings fly alongside skyline railcars, between the towers. They are more than what we've known as human, the next stage of our evolution. Amid the psychic computers and genetic freaks, competitive laser sports and mindless bots, runs a love triangle stronger than death itself. Over these three nights in 2051, Harmony and Azad must find their way through misfits and prophets, blood and tears, to new horizons. Their fate, in the time of climate change, in the afterglow of the rise of machines, is entwined with the world.

Celebrate Anglicanism is an extremely accessible introduction to

Anglicanism -- and in particular to its North American expression. For any who want to understand the basics of Christian Faith and the way that Faith has come to be handed on by those who would describe themselves as Anglican Christians this book covers all the basics. Celebrate Anglicanism is written by a layman for the laity of the Anglican Church. The book is for those who are curious, who want to learn, who need basic knowledge. It is for ordinary Christians and those who are considering claiming their vocations as laymen and women in the world. The book is an invitation to becoming a disciple, and being informed enough to invite others into following Christ as committed and informed Anglicans. Celebrate Anglicanism is divided into seven chapters. It encourages use by groups -- classes -- where together inquirers can discover the treasure that is the Christian Faith in the Anglican Way. There are lots of questions to connect what is being learned to personal reflection or group discussion. The appendices offer everything from the classic creeds to a Church Constitution to contemporary statements from global gatherings. Celebrate Anglicanism is particularly useful in describing the way in which historic and global Anglicanism has been recovered and renewed in the Anglican Church in North America. Indeed, the book helps one understand how the emergence of the Anglican Church in North America is the fruit of a world-wide Reformation of Anglicanism. Among the stories that are told is how the Global Anglican Future Conference of 2008 called for the formation of the Anglican Church of North America as part of the re-centering of world-wide Anglicanism on the Faith once for all delivered to the saints. The second Global Anglican Future Conference has meet in 2013 where the North American Province took its place as part of the great missionary movement, which is 21st century orthodox Anglicanism. As one whose ministry has been concerned to offer the fullness of Anglicanism as a very reliable way to invite, form, disciple, and deploy committed Christians, I commend Celebrate Anglicanism to those who are looking for a new life in Christ and to those who are charged with preparing souls for such a life in the Anglican Way. The Most Reverend Robert Duncan, D.D.

"Pride, greed, and power have driven men to do the unthinkable-- including selling out their nations and unsuspected citizens to the most corrupt and destructive "invisible" global leaders on Earth.

But how did this happen on American soil? How did the downfall begin and who were the predators that the "land of the free and home of the brave" fell victim to? And is all hope lost? This book captures details of the last 200 years of American history that mainstream media does not want you to know. It dissects the "legalized" system of the private central banks that has gone unchecked, and delivers gut-wrenching truths about the real domestic and foreign enemies of the United States. With over 1000 footnotes and quotes from former presidents, prime ministers, and state officials, it will equip you with the facts that the elites have covered up for centuries and empower you to stand up for the truth"--Dust jacket.

New hope for our most vulnerable English learners “One of the guiding principles of effective English language teaching is for educators to know their students. And that in a nutshell captures the value of this book. . . . The compassion that Custodio and

O’Loughlin feel for our SIFE students, the commitment they have to educating them well, and the comprehension they have of the assets these learners bring to the classroom are evident in the writing, tools, and vignettes they share.” -Deborah J. Short Under the best of circumstances, the academic demands of today’s classrooms can be daunting to our English learners. But for the tens of thousands of newly arrived students with interrupted formal education, even the social challenges can be outright overwhelming. Rely on this all-in-one guide from Brenda Custodio and Judith O’Loughlin for expert insight on how to build the skills these students need for success in school and beyond. Inside you’ll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for long-term social and emotional health Recommendations for creating supportive environments at the classroom, school, and district level About one thing, Brenda and Judith are absolutely convinced: our SIFE students can learn and make progress, often at a remarkable speed. But it’s up to us, their educators, to provide the time, attention, and a specific focus. Consider this book your first step forward.
