Clear, quick, effective solutions to the 50 most common resume problems "No matter how much you think you know about writing resumes, you'll learn something

new. I'd recommend this book to anyone conducting or anticipating a job search."—Laura Lorber, Managing Editor, CareerJournal.com In this solution-oriented guide, bestselling careers author John J. Marcus zeros in on the 50 most common resume writing problems and offers easy-to-perform fixes for each. Among other crucial lessons, readers learn

how to identify and deal effectively with job history problems, skill-set deficiencies, poor visual presentation, and formatting problems. A compelling feature that distinguishes The Resume Makeover from all the competition is its unique quick-reference, "Before & After" format. Each chapter focuses on one common problem and offers a proven solution,

along with before-and-after documents illustrating how a few simple changes can significantly improve a resume. In addition, readers learn: How to write a resume in half the usual time Strategies for changing careers or reentering the workforce Key words and phrases to include How to write high-impact cover letters The five areas in which all recruiters and employers grade resumes, and how to ace each one

WETFEET, INC.

When you have worked in the real estate industry or property management field, you need to see "pictures" of resumes from others with similar backgrounds. (How much does it help you to look at resumes of nurses, CEOs, or teachers when you come to change fields or seek employment?) At last there is a book of resumes and cover letters tailored to your needs. See how professionals like you have shown their

credentials and how they have used the specialized lingo of your field. This is YOUR resume book, written especially for you, if your background includes experience in real estate or property management -- or if you are trying to enter those fields for the first time. A book written just for you, by one of the most knowledgeable writers and editors who has specialized in helping job hunters.

*Vault Career Guide to Advertising* PREP Publishing

Title shows resumes and cover letters of people seeking employment in the construction industry. Job hunting techniques are explained in step-by-step fashion in order to benefit those seeking construction work. Because the construction industry tends to be cyclical, a helpful section is included which describes how to transfer construction industry experience to other fields and industries. The book's main contents are the resumes and cover letters of construction industry

professionals. Included are resumes of project manager, carpenter, foreman, safety manager, electrician, brick mason, engineering manager, real estate agent, plumber, job planner, sander, flooring installer, interior designer, independent contractor, and many others. PREP Publishing Did you know most resumes are tossed aside because of content; not qualifications. What a shame when you are qualified for a job yet eliminated because as little as one word or

phrase sent up a \*red flag\* about you or annoyed the person making the final decision. There are many common words that employers and HR do not like to see. Words that are so overused and misused, just seeing the words annoys them. So what happens next? When employers read your resume and see \*red flags\* or are annoyed, they hit the delete button and move on to the next resume. [Resumes For Dummies](#) Atlantic Publishing

## Company

Even within the nursing field, there are a wide variety of positions, and this book shows samples of resumes and cover letters that have worked. This title will be a valuable resource to nursing professionals who seek clinical nursing or administrative positions. Newly minted nurses and newcomers to the field will learn how to show off their clinical rotations to best advantage. Nurses often change fields, too, and the book includes resumes of nurses who

have successfully transitioned into pharmaceutical sales and other areas. A ?bonus? of this book is that it includes samples of paperwork involved in getting federal government jobs: specialized resumes and the federal ?resumix? as well as the write-ups for the Knowledge, Skills and Abilities (KSAs) which are often required for government positions. This book will show nurses how to maximize their career potential, get federal nursing positions,

and change fields if they want to. (This is the 25th title in PREP's Real-Resumes Series.)

 A key to advancing professionally is to choose the right industry in which to work, and if your interests are in any way medically related, you are fortunate career-wise. The medical field is a fast-growing one, and this targeted resume and cover letter book will help you enter this "land of opportunity" or advance in it. A key is to make sure your resume "talks the lingo" of the medical field. Get the book that can

show you how to best express and phrase the concepts you want to communicate. Here's a book in which you will find resumes with job titles such as these: director of nursing, medical therapist, nurse's aide, medical doctor (M.D.), nurse practitioner, dental hygienist, cytotechnologist, director of nursing, director of dental surgery, pharmaceutical sales representative, massage therapist, medical administrator, medical supplies coordinator,

nursing home administrator, medical office manager, operating room nurse, patient care advocate, orthopedic technician, pharmacy manager, phlebotomist, registered nurse (R.N.), licensed practical nurse (L.P.N.), public health case worker, transcriptionist, veterinary technician, and many more!

**Ranjesh's Practical Effective English Communication And Soft Skills For Undergraduate Courses** PREP Publishing

Using the right phrases at the right moment can make all the difference! It can generate real interest in you, provoke more questions, and show an interviewer that you are the right person for the job. The same applies to written communications such as letters or emails and to voice mail messages. Like learning a foreign language, these phrases, when practiced carefully and used properly, become natural and powerful techniques by which to express oneself. The advice,

materials and phrases in *Beyond the Resume* arm you with appropriate actions to take and phrases to use. It is not the intent of the book to "prop you up" to sound like someone you are not. Instead, it is to help you speak to your strengths, experiences, and job know-how. The book is a "soup to nuts" kind of book that takes you from the point of initial contact with the hiring authority, through interviewing, and on to closing the deal. *Killer Consulting Resumes* Hippocrene Books

Title shows resumes and cover letters of people who wish to enter the social work field, advance in it, or exit from it into new careers. Job hunting strategies are discussed. There is also a section which shows how to transition out of social work into new fields and industries.
