"This book covers everything you will need to know from selecting a dog for the type of assistance you need, to training advanced obedience for public access, and life-changing assistance tasks to help you with day-to-day life. Service Dog training varies greatly from pet dog training with differences in potty training, controlled loading and unloading out of vehicles and public transportation, training to stay under restaurant tables and under chairs to stay out of aisle ways in public, and how to behave around people and other dogs while working as a service dog in the public setting. Specialized tasks include teaching your dog public access skills, assistance with crowd control, deep pressure therapy, medical alert for panick/anxiety attacks or flashbacks, searching for lost objects, going around corners in advance of you, searching your home for intruders, bracing, as well as advanced service dog obedience. Service dog etiquette, management, and laws are discussed. This book is designed for those with life-

inhibiting psychiatric disorders; bringin a dog into public merely for emotional support is not allowable under the ADA (Americans with Disabilities Act). Dogs must be trained in specific tasks to assist your disability."--Back cover

New York Times bestselling author Maria Goodavage takes us on a thrilling, delightful, globe-trotting journey to discover the heartwarming and fascinating new world of doctor dogs. In this groundbreaking book, Goodavage brings us behind the scenes of cutting-edge science at top research centers, and into the lives of people whose well-being depends on their devoted, highly skilled personal MDs (medical dogs). With her signature wit and passion, Goodavage explores how doctor dogs are becoming our happy allies in the fight against dozens of physical and mental conditions. We meet dogs who detect cancer and Parkinson’s disease, and dogs who alert people to seizures and diabetic lows or highs and other life-threatening physical ailments. Goodavage reveals the revolutionary ways dogs are helping those with autism, anxiety, depression, schizophrenia, and post-traumatic stress disorder. And she introduces us to intrepid canines who are protecting us from antibiotic-resistant bugs, and to dogs who may one day help keep us safe from epidemic catastrophe. Their paycheck for their lifesaving work? Heartfelt praise and a tasty treat or favorite toy. The emotional element in Doctor Dogs delivers as powerfully as the science. You don’t have to be a dog lover to care deeply about what these dogs are doing and what we are learning from them—although if you’re not a dog lover, you probably will be by the end of the book.

The celebrity dog trainer and Emmy-winning star of the CBS show Lucky Dog shares his training system to transform any dog—from spoiled purebred puppy to shelter-shocked rescue—into a model companion in just seven days. Each week on Lucky Dog, Brandon McMillan rescues an untrained, unwanted, "unadoptable" shelter dog. In the days that follow, these dogs undergo a miraculous transformation as they learn to trust McMillan, master his 7 Common Commands, and overcome their behavior problems—ultimately becoming well-mannered pets and even service dogs. With his labor of love complete, McMillan unites each dog with a forever family. Now, in his first book, McMillan shares the knowledge he has gained working with thousands of dogs of every breed and personality to help readers turn their own pets into well-trained Lucky Dog graduates. Lucky Dog Lessons begins with the basics—building trust, establishing focus and control, and mastering training techniques. From there, McMillan explains his playful, careful, and kind approach to training the 7 Common Commands he teaches every dog: SIT, STAY, DOWN, COME, OFF, HEEL, and NO. Next, McMillan provides solutions to common canine behavior problems, including house training issues, door dashing, chewing, barking, and common mealtime misbehaviors. Lucky Dog Lessons includes easy-to-follow steps, illustrative examples, tried-and-true tips and tricks, and photographs to demonstrate each technique. Throughout the book, McMillan shares inspiring stories about his favorite students and gives fans a behind-the-scenes look at the show and some of his most unique and challenging canine encounters, including some never-before-seen outtakes. Brandon McMillian believes that no dog is beyond saving, and the loving, positive, successful methods he offers will work wonders with even the most challenging dog. Create the happy pet family you want with Lucky Dog Lessons.

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America’s most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar’s Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar’s formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn: • What your dog really needs may not be what you’re giving him • Why a dog’s natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no “problem breeds,” just problem owners • How to choose a dog who’s right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar’s longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you’ll need to forge a stronger, more rewarding connection with your four-legged companion.

“Finally, someone has written about the best kept mental health secret: how dogs save psyches, hearts, minds, and sometimes, quite literally, lives . . .”—Belleruth Naparstek, LISW, author of *Invisible Heroes* As the more than 65 million dog-owners in America will attest, there’s something about the presence of a dog that inspires confidence, nurtures emotional well-being, and brings out the best in ourselves. But for some people, the presence of a dog can do even more. Written by the leading expert in an emerging new field of therapy, *Healing Companions* is the first book to detail how dogs are increasingly benefiting those who suffer from a range of emotional ills, from eating disorders and anxiety, to agoraphobia, depression, and post-traumatic stress. *Healing Companions* will teach you: What criteria to consider when choosing the right dog for you. What kind of training service dogs require. What to expect and how to respond when you take a service dog out in public. How a dog can complement other forms of therapy. How to navigate the procedural regulations that apply to a service dog. How to recognize the dog’s needs and provide it with proper care. And much more. “Animals are more complete than people. They are wonderful teachers, therapists and role models for us all. Read *Healing Companions* and learn about their ability to guide and heal us all.”—Bernie Siegel, MD, #1 New York Times bestselling author of *Love, Animals, and Miracles* “This book should be required reading for everybody who is considering getting a psychiatric service dog or is working on training them.”—Temple Grandin, author of *Animals Make Us Human*
