Why do most new businesses fail, yet a few entrepreneurs have a habit of winning over and over again? The shocking discovery of years of research and trial is that most startups fail by doing the "right things," but doing them out of order. In other words,

human nature combined with our entrepreneurial drive puts us on autopilot to become part of the 70% to 90% of ventures that fail. From Thomas Edison to Steve Jobs, the Nail It Then Scale It method is based on pattern recognition of the timeless principles and key practices used by successful entrepreneurs to repeatedly innovate.

The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival-demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explaining appropriate practice.

Death by Pedicure provides helpful hints on how to keep your feet and nails healthy and covers the full range of infections in the nail salon industry. It provides answers to questions like: What is the most dangerous instrument in a nail salon? What are the primary bacterial organisms responsible for infections? How many infections are estimated to occur yearly with manicures and pedicures in the United States? How can I protect myself from unsanitary nail salons or nail technicians? What are some foot and nail care products to avoid? Who controls the nail salon industry? How can nail technicians detect and refer foot problems before they become serious? Many states have a Failing Grade in disinfection safety protocols. See what YOUR STATE'S GRADE is. *Identity and Privacy Governance* Spalding Publishing
Marquetta Breslin teaches hair stylists and beauty professionals from around the world how to build a successful business, gain the freedom they deserve, and live life on their own terms. *Million Dollar Stylist®* is about taking your skills and love for doing hair and creating a future you never thought possible. Want to learn about databases without the tedium? With its unique combination of Japanese-style comics and serious educational content, *The Manga Guide to Databases* is just the book for you. Princess Ruruna is stressed out. With the king and queen away, she has to manage the Kingdom of Kod's humongous fruit-selling empire. Overseas departments, scads of inventory, conflicting prices, and so many customers! It's all such a confusing mess. But a mysterious book and a helpful fairy promise to solve her organizational problems—with the practical magic of databases. In *The Manga Guide to Databases*, Tico the fairy teaches the Princess how to simplify her data management. We follow along as they design a relational database, understand the entity-relationship model, perform basic database operations, and delve into more advanced topics. Once the Princess is familiar with transactions and basic SQL statements, she can keep her data timely and accurate for the entire kingdom. Finally, Tico explains ways to make the database more efficient and secure, and they discuss methods for concurrency and replication. Examples and exercises (with answer keys) help you learn, and an appendix of frequently used SQL statements gives the tools you need to create and maintain full-featured databases. (Of course, it wouldn't be a royal kingdom without some drama, so read on to find out who gets the girl—the arrogant prince or the humble servant.) This EduManga book is a translation of a bestselling series in Japan, co-published with Ohmsha, Ltd., of Tokyo, Japan.

The Science of Pedicures The Rosen Publishing Group, Inc Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. If your success at work or in school depends on your ability to communicate persuasively in writing, you'll want to get *Good with Words*. Based on a course that law students at the University of

Michigan and the University of Chicago have called "outstanding," "A-M-A-Z-I-N-G," and "the best course I have ever taken," the book brings together a collection of concepts, exercises, and examples that have also helped improve the advocacy skills of people pursuing careers in many other fields--from marketing, to management, to medicine. "There is nobody better than Patrick Barry when it comes to breaking down how to write and edit. His techniques don't just make you sound better. They make you think better. I'm jealous of the people who get to take his classes." --Professor Lisa Bernstein, University of Chicago Law School and Oxford University Center for Corporate Regulation "Whenever I use Patrick Barry's materials in my class, the student reaction is the same: 'We want more of them.'" --Professor Dave Babbe, UCLA School of Law "Working one-on-one with Patrick Barry should be mandatory for all lawyers, regardless of seniority. This book is the next best thing." --Purvi Patel, Partner at Morrison Foerster LLP "I am proud to say that, when it comes to writing, I speak Patrick Barry. What I mean is that I use, pretty much every day, the writing vocabulary and techniques he offers in this great book. So read it. Share it. And then, if you can, teach it. There are a lot of good causes in the world that could use a new generation of great advocates." --Professor Bridgette Carr, Assistant Dean of Strategic Initiatives and Director of the Human Trafficking Clinic at the University of Michigan Law School "Patrick Barry is my secret weapon. I use his techniques every time I write, and I also teach them to all my students." --Professor Shai Dothan, Copenhagen Faculty of Law "I know the materials in this book were originally created for lawyers and law students. But I actually find them really helpful for doctors as well, given that a lot of what I do every day depends on effective communication. There is a tremendous upside to becoming 'Good with Words.'" --Dr. Ramzi Abboud, Washington University School of Medicine in St. Louis.

My name is Tina Alberino, and I wrote this book to save you. This is not another lame book full of generic beauty business advice. This book serves as the literary equivalent of a kick in the ass and a punch to the throat. You hold in your hands compendium of harsh lessons and a raw depiction of the true nature of this industry. The vast majority of these lessons aren't taught in schools and don't appear in textbooks; they're learned through experience--often in a way that is less-than-gentle. This book will help you navigate this tumultuous industry. The waters run deep, the currents are swift, and the tides shift quickly. The journey can certainly be treacherous. Don't learn these lessons the hard way. Learn how to avoid scoundrel salon owners and crackpot contracts, build a loyal following of glamorous gals and gallant gents, and land your first big break before graduation day!
