This stunning issue of the critically acclaimed hit maxiserie reveals the secrets behind Dr. Manhattan and his connection to the DC Universe.

The Diary of Princess Pushy's Sister e-artnow sro

This fresh look at Hollywood's "Queen of Screwball," Carole Lombard, presents a first-ever examination of the events that led to the shocking flight mishap that took her life on the side of a Nevada mountain in 1942. It also provides a day-by-day account of the struggles of Lombard's husband, Clark Gable, and other family, friends, and fans to cope with the tragedy. In effect, having just completed the first sale of war bonds and stamps in the nation following its entry into World War II, Lombard became the first Hollywood star to sacrifice her life in the War. The War Department offered Gable a funeral service with full military honors, but he refused it, knowing that his wife would not approve of such spectacle. Based on extensive research rather than gossip, this investigation further explores the lives of the 21 others on the plane, including 15 members of the U.S. Army Air Corps, and addresses one of the most enduring mysteries of World War II. On a clear night full of stars, with TWA's most experienced pilot at the controls of a 10-month-old aircraft under the power of two fully functioning engines, why did the flight crash into that Nevada mountainside? This gripping page-turner presents the story of the people on the plane, the friends and families left behind, and the heroic first responders who struggled up a mountain hoping to perform a miracle rescue. It is a story of accomplishment, bravery, sacrifice, and loss.

The State of Affairs BlogIntoBook.com

#1 NEW YORK TIMES BESTSELLER • An eye-opening, no-holds-barred memoir about life in the Church of Scientology, now with a new afterword by the author—the outspoken actress and star of the A&E docuseries Leah Remini: Scientology and the Aftermath Leah Remini has never been the type to hold her tongue. That willingness to speak her mind, stand her ground, and rattle the occasional cage has enabled this tough-talking girl from Brooklyn to forge an enduring and successful career in Hollywood. But being a troublemaker has come at a cost. That was never more evident than in 2013, when Remini loudly and publicly broke with the Church of Scientology. Now, in this frank, funny, poignant memoir, the former King of Queens star opens up about that experience for the first time, revealing the in-depth details of her painful split with the church and its controversial practices. Indoctrinated into the church as a child while living with her mother and sister in New York, Remini eventually moved to Los Angeles, where her dreams of becoming an actress and advancing Scientology’s causes grew increasingly intertwined. As an adult, she found the success she’d worked so hard for, and with it a prominent place in the hierarchy of celebrity Scientologists alongside people such as Tom Cruise, Scientology’s most high-profile adherent. Remini spent time directly with Cruise and was included among the guests at his 2006 wedding to Katie Holmes. But when she began to raise questions about some of the church’s actions, she found herself a target. In the end, she was declared by the church to be a threat to their organization and therefore a “Suppressive Person,” and as a result, all of her fellow parishioners—including members of her own family—were told to disconnect from her. Forever. Bold, brash, and bravely confessional, *Troublemaker* chronicles Leah Remini’s remarkable journey toward emotional and spiritual freedom, both for herself and for her family. This is a memoir designed to reveal the hard-won truths of a life lived honestly—from an author unafraid of the consequences. Praise for *Troublemaker* “An aggressively honest memoir . . . *Troublemaker* is the most raw and revealing Scientology memoir to date.”—*Entertainment Weekly* “Leah’s story is a juicy, inside-Hollywood read, but it’s more than that. It’s a moving story about the value of questioning authority and how one woman survived a profound crisis of faith.”—*People*

Watch Me Scholastic Inc.

An account of the acclaimed actor’s Hollywood career and struggles with methamphetamine addiction covers his Detroit background, his relationships with various co-stars, and his experiences as a father of twin boys.

Chicago Review Press

Picking up where *A Story Lately Told* leaves off, when Anjelica Huston is 22 years old, *WatchMe* chronicles her glamorous and eventful Hollywood years. She tells the story of falling in love with Jack Nicholson and her adventurous, turbulent, high-profile, spirited 17-year relationship with him and his intoxicating circle of friends. She writes about learning the art and craft of acting, about her Academy Award-winning portrayal of Maerose Prizzi in Prizzi’s Honour, about her collaborations with many of the greatest directors in Hollywood, including Woody Allen, Wes Anderson, Richard Condon, Bob Rafelson, Francis Ford Coppola and Stephen Frears. She writes movingly and beautifully about the death of her father, the legendary director John Huston and her marriage to sculptor Robert Graham.

*F*ck Off, Chloe!* Simon & Schuster

New York Times Bestseller Fame. Sex. Pain. Drugs. Death. Booze. Money. Addiction. Redemption. Dizzying heights. Rock-bottom depths. Desperation and elation—sometimes in the same hour. Not to mention power . . . and the struggle for it. The world knows Lamar Odom as a two-time NBA world champion who rocketed to uncharted heights of fame thanks to being a member of both the storied Los Angeles Lakers and the ubiquitous Kardashian empire. But who is Lamar, really? Fans have long praised his accessibility and genuine everyman quality—he is a blinding talent who has suffered a series of heartaches, setback, and loss. But until now, his most candid moments have remained behind closed doors . . . sometimes face-down on the floor. In *Darkness to Light*, Lamar gives readers an intimate look into his life like never before. His exclusive and revealing memoir recounts the highs and lows of fame and his struggle with his demons along the way to self-discovery and redemption. From the pain of his unraveled marriage to Khloé Kardashian to the harmful vices he used to cope—and the near-death experience that made him rethink everything about his life—this is Lamar as you have never before seen him. Lamar brings basketball fans directly into the action of a game during the Lakers championship years. He shares his personal account of the lifelong passion that started as one shining light in a childhood marked by loss and led to his international fame as one of the most extraordinary athletes of all time. In this profoundly honest book, Lamar invites you to walk with him through the good times and bad, while looking ahead to a brighter future.

Dolly on Dolly Paladin Communications

The first biography of rapper Mac Miller, the Pittsburgh cult favorite-turned-rap superstar who touched the lives of millions before tragically passing away at the age of 26—now in paperback Malcolm James McCormick was born on January 19, 1992. He began making music at a young age and by 15 was already releasing mixtapes. One of the first true viral superstars, his early records earned him a rabid legion of die-hard fans—as well as a few noteworthy detractors. But despite his undeniable success, Miller was plagued by struggles with substance abuse and depression, both of which fueled his raw and genre-defying music, yet ultimately led to his demise. Through detailed reporting and interviews with dozens of Miller’s confidants, Paul Cantor brings you to leafy Pittsburgh, seductive Los Angeles, and frenzied New York, where you will meet Miller’s collaborators, producers, business partners, best friends, and even his roommates. Traveling deep into Miller’s inner circle, behind the curtain, the velvet ropes, and studio doors, *Most Dope* tells the story of a passionate, gifted young man who achieved his life’s ambition, only to be undone by his personal demons. *Most Dope* is part love letter, part cautionary tale, never shying away from the raw, visceral way Mac Miller lived his life. Praise for *Most Dope* "A tender, studious remembrance." —*The New York Times Book Review* "An insightful exploration of his life . . . painstakingly reported by Cantor, who interviewed more than 100 people during a three-year process." —*USA Today* "An inside look at Miller’s life through the eyes of his friends and industry peers, tracking the musician’s life journey as he quickly ascended the ranks." —*Daily Beast*

The Burn Cookbook e-artnow sro

From writer/director Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

Hope Avon

Pretty Mess meets #Girlboss in this part memoir, part entrepreneurial manifesto from *The Real Housewives of New Jersey*’s “Powerhouse in Pigtails.” Margaret Josephs is a hustler. She’s a tough cookie. She speaks her mind. She never leaves the house without lipstick on. She’s also a devoted wife, mother, daughter, businesswoman, lifestyle expert, and fan-favorite star of the reality TV series *The Real Housewives of New Jersey*. Sounds pretty glamorous, right? Well, things are never exactly as they seem. Before she arrived where she is today, “The Marge” was born to young immigrant parents. Raised by a single party-girl mother who left her physically abusive father when she was one and a half, she was taught that it was more important to look good than to feel good. No structure. No rules. No blueprint for future success or stability. But like most people who struggle through atypical childhoods, destructive relationships, and career challenges, she forced herself to wake up every morning and put one high heel in front of the other, even if she didn’t know where she was going. Margaret took the cards she was dealt and eventually turned them into a winning hand, and she wants to arm fans with the ability to do the same. In *Caviar Dreams*, *Tuna Fish Budget*, she’ll talk about how to launch a lifestyle brand, how to work with family members, and how to be an uncompromising woman in a man’s world. She also spills stories from her personal life about the son *Real Housewives* viewers don’t know exists, the time Joan Rivers gave her the best advice she ever got, the rendezvous she had with a famous rock star, and the affair with her contractor that ended her marriage but gave her the happily ever after. *Caviar Dreams*, *Tuna Fish Budget* takes fans along Margaret’s wild, bumpy journey to entrepreneurial success and reality TV fame, written in her trademark no-nonsense, tongue-in-cheek voice with the perfect combination of grit and glitz.

Caviar Dreams, Tuna Fish Budget Createspace Independent Publishing Platform

A laugh-out-loud account of working in media! Public relations’ snarkiest publicist Jeremy Murphy expertly chronicles his hatred, love, indifference, amusement, and scorn for the profession in *F*ck Off, Chloe!*. From entitled millennials to surly reporters, obnoxious clients, and cumbersome, color-coded “trackers,” Murphy takes a scalpel and glass of Châteauneuf-du-Pape to the PR industry in a searing, hilarious, and pissy voice that his own psychiatrist finds “deeply concerning.” His collection of annoyances shed light on the industry’s idiosyncrasies, insanities, contradictions, and past due invoices, providing an illuminating window into the dirty world of public relations not even Xanax can help. Complementing the scathing prose are color-in illustrations by artist Darren Greenblatt, creator of the “Ugly Lives of Beautiful People” sketch series.

He’s Making You Crazy Ballantine Books

Draws on exclusive reporting to honor Bob Hope’s top-rated successes while discussing such topics as his secret first marriage, stint in reform school and ambivalent relationships with fellow stars.

Startup Lessons #203-#303 Simon and Schuster

NEW YORK TIMES BESTSELLER Power couple Marlo Thomas and Phil Donahue have created a compelling and intimate collection of intriguing conversations with famous couples about their enduring marriages and how they have made them last through the challenges we all share. What makes a marriage last? Who doesn’t want to know the answer to that question? To unlock this mystery, iconic couple Marlo Thomas and Phil Donahue crisscrossed the country and conducted intimate conversations with forty celebrated couples whose long marriages they’ve admired—from award-winning actors, athletes, and newsmakers to writers, comedians, musicians, and a former U.S. president and First Lady. Through these conversations, Marlo and Phil also revealed the rich journey of their own marriage. *What Makes a Marriage Last* offers practical and heartfelt wisdom for couples of all ages, and a rare glimpse into the lives of husbands and wives we have come to know and love. Marlo and Phil’s frequently funny, often touching, and always engaging conversations span the marital landscape—from that first rush of new love to keeping that precious spark alive, from navigating hard times to celebrating triumphs, from balancing work and play and family to growing better and stronger together. At once intimate, candid, revelatory, hilarious, instructive, and poignant, this book is a beautiful gift for couples of every age and stage. Featuring interviews with: Alan and Arlene Alda • Kevin Bacon and Kyra Sedgwick President Jimmy and Rosalynn Carter • James Carville and Mary Matalin Deepak and Rita Chopra • Patricia Cornwell and Staci Gruber Bryan Cranston and Robin Dearden • Billy and Janice Crystal Jamie Lee Curtis and Christopher Guest • Ted Danson and Mary Steenburgen Viola Davis and Julius Tennon • Gloria and Emilio Estefan Michael J. Cheat Codes Simon and Schuster

A wealthy and bitter exile, he most dangerous and desirable man in all of England, he burns to possess a proud, headstrong beauty who is promised to another. But winning Emma Stokehurst’s exquisite hand through threats and determination does nothing to fill the empty spaces in Nikola’s heart—until passion’s magic carries the handsome, tormented prince back to a bygone era of splendor and romantic dreams. For there his destiny awaits him in a distant life. And in one remarkable woman’s tender touch—achingly familiar but gloriously new—he must seek the elusive promise of ecstasy . . . and learn, at last, to love.

Fireball HarperCollins

"A fresh look at infidelity, broadening the focus from the havoc it wreaks within a committed relationship to consider also why people do it, what it means to them, and why breaking up is the expected response to duplicity — but not necessarily the wisest one." — *LA Review of Books* From iconic couples’ therapist and bestselling author of *Mating in Captivity* comes a provocative and controversial look at infidelity with practical, honest, and empathetic advice for how to move beyond it. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love

more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

Focus On: 100 Most Popular American Musical Theatre Actresses No One Asked for This

In 2014, Conrad Roy committed suicide following encouragement from his long-distance girlfriend, Michelle Carter, in what has become known as the Texting Suicide case. The case has attracted much attention, largely focusing on the First Amendment free speech issue. This book takes the view that the issue is intertwined with several others, some of which have received less attention but help explain why the case is so captivating and important, issues concerning privacy, accountability, coercion, punishment, and assisted suicide. The focus here is on how all of these issues are interconnected. By breaking the issue down into its complex layers, the work aids reasoned judgment, ensuring we aren't guided solely by our gut reactions. The book is laid out as a case against punishing Ms. Carter, but it is less important that we agree with that conclusion than that we reach our conclusions not just through our instincts and intuitions but by thinking about these fundamental issues. The work will be of interest to scholars in

law, political theory, and philosophy as an example of how theoretical issues apply to particular controversies. It will also appeal to readers interested in freedom of speech and the First Amendment, criminal justice and theories of punishment, suicide laws, and privacy.

Heartburn Grand Central Publishing

New York Times Bestseller • From the “best advice columnist of her generation” (*Esquire*) comes a hilarious, frank, and witty collection of all-new responses, plus a few greatest hits from the beloved “Ask Polly” column in *New York* magazine’s *The Cut*. Should you quit your day job to follow your dreams? How do you rein in an overbearing mother? Will you ever stop dating wishy-washy, noncommittal guys? Should you put off having a baby for your career? Heather Havrilesky is here to guide you through the “what if’s” and “I don’t know’s” of modern life with the signature wisdom and tough love her readers have come to expect. Whether she’s responding to cheaters or loners, lovers or haters, the anxious or the down-and-out, Havrilesky writes with equal parts grace, humor, and compassion to remind you that even in your darkest moments you’re not alone.

Going Off Script Anchor

Now in paperback, the New York Times bestseller from the entertainment journalist, television personality, reality show star, and author, Giuliana Rancic. In her hilarious memoir *Going Off Script*, Giuliana Rancic gives readers an honest look at her life on and off camera. From a young age she dreamed of becoming a TV anchorwoman, but her path to her dream job was far from straight, leading her instead to Hollywood news and a bounty of LA misadventures (featuring notables such as Johnny Depp, Leonardo DiCaprio, and Russell Crowe). In spite of her glamorous Hollywood life, however, Giuliana could not escape some rockier times, including her battles with infertility and breast cancer. Here, she reveals the whole truth behind her well-publicized struggles, and the highly controversial decisions she had to make. Candid, funny, and poignant, *Going Off Script* is an autobiography that proves you don't always have to follow the rules to get the life you've always dreamed of.
