Love Notes A Couples Journal with Prompts for Relationship Growth

A Journal for a Couple's Love Story. This guided journal is

designed to document a couple's journey through: *writing prompts on blank lined pages *blank pages (lined, dot grid, and blank sketch) *fun checklist-style questionnaires *ample pages for listing couple's goals Journal Features: *120 pages *6x9 inches, convenient size *various page styles: blank, lined and dot grid pages *pink soft cover, glossy finish This journal is a simple, fun way to create a keepsake for years to come. It also makes a unique gift. Grab a journal today for yourself, your valentine, the bride-to-be, the newly engaged, or newlywed couple in your life. Couples Love Notes Journal Rockridge Press

This journal is for any couple who would like to embark on an exciting journey of discovery for the next 90 days. Daily journaling prompts will assist you in connecting with one another via hopes, dreams, fears, desires, opinions and feelings. It will allow you to see what makes you unique and compatible as a couple. If you already feel you know one another well, this journal will strengthen your bond; and you may even discover things that will surprise you. If you are in a fairly new relationship, you are sure to learn about your partner's past, opinions, successes, failures, likes and dislikes along the way. You should be warned that not all questions are easy; some will require a great deal of thought and many are open-ended, which leaves little room for simple "yes" or "no" answers. If you use this journal consistently, it can assist you in realizing solutions to the real or potential issues in your relationship that impede your communication and keep you from connecting on a more intimate level. It is important to note, however, that you must answer all questions completely and honestly. You will need to decide who is "me" and who is "you" and write your answers under the appropriate column. When finished, you can keep this journal to reflect on as a memento of what drew you together as a couple to begin with. As goals and dreams evolve, you may want to revisit shared journaling again some day, and repeat the process to keep your relationship fresh. When you are ready, commit to 90 days of shared self-reflection, and take the first step in your journey to a lifetime of happiness. Couple's journaling can: Help you connect with each other on a deeper level Improve your emotional stability Help you both establish future goals Learn from your past mistakes Strengthen your relationship Reduce relationship

anxiety Elevate your mood Keep your relationship fresh This is a perfect gift for Christmas, New Year's resolution commitment, Valentine's day, Mothers Day, Fathers Day or Birthday!
