DO YOU WONDER WHAT YOUR LOVED ONES ARE DOING ON THE OTHER SIDE? DO YOU WANT TO BE IN TOUCH WITH THE SPIRIT WORLD? DO YOU KNOW HOW TO RECOGNIZE THE SIGNS THAT YOUR LOVED ONES ARE TRYING TO SEND? As a respected author and newspaper columnist, Bonnie has been asked many questions from people looking for assurance that their loved ones on the other side are safe and happy, and what Heaven is like. This book is a compilation of questions, answers, and stories about your loved ones.

*The Mediums' Book* Weiser Books

"A first rate Medium! Steve Hermann understands that through Mediumistic abilities, one can share great truths and be a vessel for Healing. What is also a rarity is this first rate Medium's compassion for all life, his sincerity and honesty add these qualities to his willingness to share what he has found and you will read something that may well change your life!" Robert Brown, renowned British medium and author of *We Are Eternal*:

What the Spirits Tell Us About Life After Death, (Grand Central Publishing). Packed with amazing stories and 84 easy-to-follow exercises, *Mediumship Mastery: The Mechanics of Receiving Spirit Communications* surpasses the many books written by mediums that either focus on stories from sessions or give only the bare basics. *Mediumship Mastery* goes beyond the expected basics of psychic awareness, angels and guides, and the different phases of mediumship, to discuss in-depth material in such hefty chapters as "The Development Circle," "Psychic Shorthand," "Trance Channeling," "Past Life Readings," "Dealing with Skeptics," "Spirit Art and Automatic Writing," and "The ABC's of Clairvoyance." You will learn: How to distinguish your own imagination from genuine psychic impressions. How to correctly interpret spirit messages without distortion. How to receive ultra-specific evidence from recognizable spirit communicators. How to expand your mediumship in both the private session and from the platform. How to spiritualize your mediumship and enhance your existing abilities. This ultimate guide is a classic in the making. Whether you are curious about spirit communication or interested in developing your mediumistic skills, this book is for you.

You may have wondered if you were a medium or a psychic. Perhaps you have a strong sense of intuition or have felt empathic. You may have wondered why you felt like there were spirits around you. You have often seemed to know the answers before they are spoken. You often have felt like you absorb the energy of others around you. You've been wondering why this happens and what it means. This book will tell you how to know if you are a psychic, a medium, or an intuitive, as well as how to do readings. It will also help you to understand spirit guides, Akashic records, and more. Gifted is intended for people that are opening up to their gifts as a medium, a psychic, or an intuitive. While it can be used for all levels, it is a book that is intended for the beginning to intermediate level student. What people are saying about Gifted - A Guide for Mediums, Psychics & Intuitives: "I like the way she wrote the book because I felt more like I was just having a conversation with a friend than being taught." - Amazon Reviewer "This is the best book I've read so far on the subject matter as it touches on a variety of topics and it offers a lot of possible explanations regarding the experiences that I have had and continue to have that other books have failed to provide thus far." - Amazon Reviewer "This book has already changed my life." - Amazon Reviewer "I am presently studying to be a medium and have read more than 200 books on the subject. This is the only book you will need to read to understand and get started." - Amazon Reviewer

At just five years old, Maureen Hancock discovered her ability to communicate with the dead. Descended from a long line of legendary Irish mystics, she was no stranger to the spiritual realm, but for fear of being misunderstood by her friends and family she kept the otherworldly messages to herself, eventually suppressing them completely. Maureen wouldn't hear the spirits

again until she was in a near-fatal car crash. Soon after, she had hundreds of voices in her head, many of which helped her crack cases and expose fraud in her role as a litigation paralegal at a large Boston law firm. Then, when tragedy struck on 9/11, Maureen was bombarded with messages from the spirit world. As each one made contact with her, she finally came to terms with her calling: to communicate with the deceased, assist the dying, search for missing children, and teach the living about life after death, all the while raising her children in her suburban home. Maureen Hancock is literally the Medium Next Door, and in this book and through her stories of her encounters with the otherworld as well as guided exercises at the conclusion of each chapter, she offers the same comfort and wisdom she shares in her healing encounters and lectures about what is out there waiting for all who are open to its mysteries. . . .

Lauren Robertson is a medium with a difference. Since training as a psychic medium at the age of 14, Lauren has helped tens of thousands of people to connect with their loved ones in Spirit, and is known for her highly accurate readings and her ability to provide super-specific details from those who have crossed over. But it's Lauren's fresh, unique approach to mediumship that makes her stand out from the crowd. *The Medium in Manolos* tells the story of how this young woman overcame her own fears, self-doubt and self-consciousness to go from grieving granddaughter to confident and empowered medium and coach. Discover: •How to handle your grief when a loved one dies •The three elements required to become a great Spirit communicator •Effective tools to clear your mind and elevate your consciousness so you can create a deep connection with Spirit •How to tell when a message you receive is genuine •What to do when you doubt yourself and your abilities  
 Written with compassion, humour and warmth, this heart-warming book is both for people who have lost someone and are in the process of grieving and healing, and for those who wish to develop their own connection with Spirit and bring through messages for themselves and others.

In the Creator's intelligence, our lives are divinely orchestrated in so many ways that are far beyond humanity's ability to comprehend. Deborah Finley takes you on a journey of being a sensitive child and how her empathic heart opened to compassion and her gift, a calling of Mediumship. Her interactions with angels, guides and spirit is a multifaceted story of her life in between the worlds she embraces to bring hope and inspiration to others who are grieving the loss of their loved ones. Deborah describes the types of mediumship and how she became what is called an "evidential medium". Her healing messages and channeled sessions provide greater insight into the world of spirit, compassion and the forms of psychic phenomena associated with the Spiritualist movement. In early days, when man lived close to nature, ancestor-worship became a form of religion; primitive man had no doubt that his ancestors had survived death and that they had powers to affect the living for good or ill. Enlightening and engaging information to help those who want a greater understanding of the journey of a medium and how to develop their skills.

Everyday Conversations - The Key to the Contemporary Medium is a thought-provoking view of the work of today's psychic-medium. Written by local professional psychic-mediums and educators, Susan Fiandach and Connie Wake, this book is aimed at bringing psychic-mediumship into the 21st century by dispelling the old myths and fears about divination. Psychic or not, this is an interesting read about life and intuition. This is a straight-forward look at what a psychic-medium reading is, and what it is not, and the evidential information you can expect from today's psychic-mediums. The book describes the ease of the reading through an understanding of the energy and information involved and allowing the medium to facilitate a conversation with the client and their loved ones who have passed. "Everyday Conversations" is a part of a multi-series training program to explore, engage and experience your sixth sense. Our mission is to create a platform from which you can begin your journey as a psychic-medium, take your next step as a working professional, or perhaps start your own practice group or "circle" in your area.

Publisher's message: As of July 2014 this book was updated and

expanded. Editor: J. Wheeler. The supernatural is really the most natural thing in the world writes Betsey Lewis in her new book, COMMUNICATING WITH THE OTHER SIDE: True Experiences of a Psychic-Medium. What exists on the Other Side? Is there a heaven or hell? Does love transcend physical death? Can we communicate with our loved ones after they have passed on? Is there a heaven and a hell? Do we have soul mates? Do we reincarnate? What happens to those who commit suicide? What is the purpose of physical life? Do our pets have souls and reincarnate? What happens to infants when they die? Does God judge us on the Other Side? From Betsey's own life experiences she answers these questions and more. Since the age of three Betsey's spirit guides and departed family have communicated to her through visions, dreams and premonitions, and validated the eternal soul. She knows what exists on the Other Side. Her spirit family has guided her through hard time and saved her life through the years. Betsey was blessed with the God-given gift of prophecy and has foreseen volcanic eruptions, major earthquakes and world breaking events before they happened. She continues to receive messages from the Other Side, and visions of future world events. In the book you'll discover how Betsey investigated a Los Angeles actress's claim that she was the famous 1930's platinum blonde actress Jean Harlow and how she witnessed the assassination of a world leader. The Beverly Hills house Betsey toured in 1966 and sensed something evil would happen there. Three years the house became one of the most gruesome murder scenes in Los Angeles history on August 9, 1969. Discover the spiritual lessons and the incredible validations from the Other Side--most recently from Betsey's deceased sister Kathy. Kathy's spirit image was captured on May 26, 2014 and uploaded to YouTube. Discover the people who transformed Betsey's life and the powerful lessons each person taught her about love and forgiveness. Without a doubt, the Other Side is more beautiful and more alive than anything you can imagine in the physical world. MESSAGE FROM PUBLISHER: Betsey's book incorporates her personal experiences with the Other Side, and only a small portion of the story is devoted to her late husband, Joe, cousin of the late actor/comedian Desi Arnaz, Lucille Ball's husband, who died of cancer. This is one of the many stories paramount to the book. There isn't anyone who hasn't lost a loved one sometime in their lifetime, and the story points out how we all experience and relate to death in our own way. Death is a part of life. It is from Betsey's departed family that she had experienced profound messages from the spirit world. It is the author's sincere wish that the reader will find faith and hope that the soul continues on after death.

The appearance of mediums, those who claim to be able to communicate with the dead, is not a recent phenomenon. Mediums have been practicing since the late 1800s, and in the Victorian Era had a strong presence throughout the United States and the world. However, we have never seen the sheer number of such practitioners that exist today. The media has contributed to this proliferation, as TV shows and films involving paranormal and spiritual themes have enjoyed great success. But there is a problem. The overwhelming majority of mediums today cannot do what they claim. Some are frauds, others are inexperienced, and many delude themselves into believing that they have such ability. These practitioners have no business sitting with the bereaved and they can do great harm. On the other hand, there are some mediums that truly can speak to the dead, do so at a very high level of accuracy, and provide an invaluable service to those who have suffered the loss of a loved one. This book

provides a guide for all those who have either sat with a medium or intend to do so. You will learn what to expect, how to evaluate the information that you are told, and how mediums operate. The author includes commentary on evidence for life after death and includes personal accounts that are backed up by research.

James Van Praagh is a nationally recognized medium, a frequent guest on television shows who has a two-year waiting list for personal appointments. But now he sets forth on the page his unique insights into the world beyond. Van Praagh's ability to bridge the gap between the physical and spiritual worlds was something he came to terms with slowly. By the time he reached his twenties he finally accepted the fact that he could provide proof of life after death by relaying specific messages containing names, places, and events known only to the people who sought him out and to the spirits being contacted. He recounts here his experiences in helping grieving people come to terms with the loss of a loved one. The reader shares in many personal and profound stories, such as the devastated mother who finds reason to live after hearing the sweet message from her courageous little girl who had wasted away from AIDS. Or the son, filled with heartfelt sadness, who begs from beyond for his mother's forgiveness because he committed suicide. Van Praagh also offers readers means for recognizing and dealing with the harrowing pain of grief in a healthy manner, as well as showing them how they, too, can contact the spirit world and recognize spirit signs that a loved one is trying to attract their attention. Inspiring, moving, and reassuring, *Talking to Heaven* provides a connection to a spiritual world for which millions hunger through the insight and wisdom of an extraordinary man.

There's a special language that transcends time and space—a language that's not constrained by the limitations of just words—but one that consists of signs, symbols, energy, and thought. A language that can only be heard when one truly listens. It's the language of *The Spirit Whisperer*. In John Holland's past books, he explained how he came to terms with, and learned to accept and embrace, his spiritual gifts as a psychic medium; and how "readers" could develop their own intuitive psychic abilities. In this book, John picks up the fascinating story of his personal journey of growth and development as one of the most respected practicing mediums today. This work chronicles his career to date

and includes some enlightening and heartfelt real-life case studies. He candidly discusses readings with clients, including those who've had their own After Death Communications (ADCs)—from the outrageous to the profound. John also explains the signs and symbols that our loved ones continually try to send us. One of his most popular sayings is: "Those on the Other Side want to talk to you—as much as you want to talk to them!" John divulges for the first time some of the extraordinary paranormal occurrences he's witnessed throughout his career, and provides a rare glimpse behind the scenes of what it's like to be a "Psychic Time Machine" for several television shows. He'll also help parents who have a psychic child themselves. *The Spirit Whisperer* is a book you'll want to read over and over, as many of the stories will touch your heart as well as your soul!
