know about being a member of the vestry The Church Security Handbook The Church Security Handbook: Because It Can Happen Here Attacks on churches are on the rise. Yet the temptation is to think that it can't or won't happen in our city or congregation. The Church Security Handbook takes a practical, biblical approach to answering critical questions about security including: * What are the odds of an attack on my church? * Does church security indicate a lack of faith in God? * How can we have a security team without a "fortress mentality"? * Does a security team have to be armed? * How do we select and train our team? The Church Security Handbook is written by the experienced, real-world professionals at Strategos International, www.strategosintl.com Church Member's Handbook "Part of this book was originally published as The Lutheran handbook, c2005, Ausburg Fortress"--T.p. verso. *The Church Leader's Counseling Resource Book* Oxford University Press This helpful resource provides a blueprint for developing a spiritually strong and effective ministry team in the local church.

Pastors will find the book useful as a regular reference to "tune up" their staff to foster a healthy, unified, effective team.

 the retired

editor of The Banner, weekly news magazine of the Christian Reformed Church. He is the former Director of Libraries for Calvin College and Seminary. He currently writes and publishes books on Christian living from the Reformed Calvinist perspective. Gerard Berghoef is the retired President of Widdicomb Furniture Company and a long time elder in the Christian Reformed

Church. *The Church Rituals Handbook* Kregel Academic "This is a book on church membership to place in the hands of members to help them know the meaning of their membership and understand the doctrines and polity of Baptists. Chapters include The Meaning of Church Membership, The Church covenant, Christian Growth, Baptist

History, Baptist Doctrine, Baptists and Other Denominations, God's Plan of Church Finance, and Baptist Churches at Work." *Church Law Fire Engineering Books Church Administration* organizes and structures effective ministry, so each person (paid staff & volunteers) can focus on their strengths and gifts. Administration helps involve more people, supports

<p>stewardship, eliminates chaos, thereby simplifying ministry. This book provides dozens of Ministry Descriptions (aka Job Descriptions); and general topics on Staff/Board Philosophies; Pastoral Challenges; Conflict Management & Resolution; Grief, Addiction, & Marriage Counseling; Fundraising; Safety & Security; Governance; Non-Profit Incorporating; Budgeting;</p>	<p>and much more. A must-have book for pastors and their churches (all at an incredibly low price)! <i>Routledge Handbook of Law and Religion</i> Christian Focus The field of law and religion studies has undergone a profound transformation over the last thirty years, looking beyond traditional relationships between State and religious communities to include rights of</p>	<p>religious liberty and the role of religion in the public space. This handbook features new, specially commissioned papers by a range of eminent scholars that offer a comprehensive overview of the field of law and religion. The book takes on an interdisciplinary approach, drawing from anthropology, sociology, theology and political science in order to explore how laws and court decisions</p>
---	---	--

concerning religion contribute to the shape of the public space. Key themes within the book include: Religions symbols in the public space; Religion and security; Freedom of religion and cultural rights; Defamation and hate speech; Gender, religion and law; This advanced level reference work is essential reading for students, researchers and scholars

of law and religion, as well as policy makers in the field.

FEMA
Community Preparedness Award
When disasters happen, people turn to local churches as centers for response and assistance. When floods or tornadoes devastate an area, or when shootings and violence shock a community, knowing what to do can be

the difference between calm and chaos, courage and fear, life and death. But few churches plan in advance for what they should do—until the storm hits. Don't get caught unprepared. If a natural disaster or human tragedy strikes your community, your church can minister to the hurting. Jamie Aten and David Boan, codirectors of the Humanitarian Disaster Institute,

provide a practical guide for disaster preparedness. Disaster ministry is a critically important work of the church, preparing for the unthinkable, providing relief to survivors, caring for the vulnerable and helping communities recover. Filled with resources for emergency planning and crisis management, this book provides best practices for local congregations . By taking

action in advance, your church can help prevent harm and save lives during a disaster. The time to plan is now. Be prepared. *The Vestry Handbook* InterVarsity Press Provides an introduction to the academic study of early Christianity (c. 100-600 AD) and examines the vast geographical area impacted by the early church, in Western and Eastern late antiquity. -- from publisher description.

The Oxford Handbook of Theological Ethics Christians Library Press The destination of the Christian life isn't merely heaven. God invites His people to join Him in His global, redemptive plan. Understanding a simple Spiritual Pathway, the pastor will discover timeless principles to help lead their people to greater missional living. This book is a vital

ministry tool to help church leaders live, teach and model biblical principles so that healthy churches are established everywhere. Handbook of Church Discipline Routledge The church across North America has struggled to minister effectively with children, teens, and adults with common mental health conditions and their families. One reason for the lack of ministry is the absence of a widely

accepted model for mental health outreach and inclusion. In Mental Health and the Church: A Ministry Handbook for Including Children and Adults with ADHD, Anxiety, Mood Disorders, and Other Common Mental Health Conditions, Dr. Stephen Grcevich presents a simple and flexible model for mental health inclusion ministry for implementation by churches of all sizes,

denominations, and organizational styles. The model is based upon recognition of seven barriers to church attendance and assimilation resulting from mental illness: stigma, anxiety, self-control, differences in social communication and sensory processing, social isolation and past experiences of church. Seven broad inclusion strategies are presented for helping persons of all

ages with common mental health conditions and their families to fully participate in all of the ministries offered by the local church. The book is also designed to be a useful resource for parents, grandparents and spouses interested in promoting the spiritual growth of loved ones with mental illness. *The Oxford Handbook of Church and State in the United States* Oxford University

The Church Security Handbook: Because It Can Happen Here Attacks on churches are on the rise. Yet the temptation is to think that it can't or won't happen in our city or congregation. The Church Security Handbook takes a practical, biblical approach to answering critical questions about security including: * What are the odds of an attack on my church?* Does

church security indicate a lack of faith in God?* How can we have a security team without a "fortress mentality"?* Does a security team have to be armed?* How do we select and train our team?The Church Security Handbook is written by the experienced, real-world professionals at Strategos International, www.strategosintl.com *The Church Clerk* Kregel Academic It is

imperative in the day and age in which we live, that Christian leaders understand the law as it relates to pastors, churches, and non-profit organizations. Christian Leaders must have an understanding of the laws affecting pastors, and why they are important for church boards and ministers to know. Dr. Charles C. Lantz uses court cases to help define and explain the legal distinction of

ministerial status and its implications for pastors and church boards. This brief and concise handbook on Church Law addresses clergy employment contracts, compensation, termination, legal privileges and conditions of ministers, and the legal authority of ministers on behalf of the church. Also, the more common theories of clergy legal liability are examined. The laws of

today are more complex than they ever have been, and lawyers are in the business of making "BIG BUCKS." They are able to do this because, unfortunately, many pastors and church leaders are ignorant about the law. There are now more legal problems and lawsuits against churches than in any other era. Therefore, it is imperative that the minister/pastor be aware of legal issues, and potential problems that

can come their way if they are not careful in handling church members, non-members and counseling situations, in particular. Church leaders must become aware of the potential legal problems that can result from relationships with parishioners, as well as legal problems with employees. Pastor, beware of the dangers that are lurking in the world of lawyers, lawsuits, and the American Legal System. Every Pastor, Full-Time Church Leader, and Christian Minister, needs to purchase a copy of this concise handbook on Church Law.
