**Puppy Primer** Simon and Schuster  
How to raise the perfect puppy A  
revolution for dogs: Very few dog trainers  
have not been influenced by Dr. Ian  
Dunbar's dog-friendly philosophy. In the  
1970s, Dr. Ian Dunbar sparked a dramatic  
shift in puppy training — away from leash  
corrections and drill-sergeant adult dog  
training classes based on competitive  
obedience and toward a positive approach  
using toys, treats, and games as rewards

for teaching basic manners, preventing  
behavior problems, and modifying  
temperament. Before Dr. Dunbar there  
were no classes for puppy training, very  
few family dog classes, and not much fun  
in dog training. His positive approach  
revolutionized the dog training field,  
especially puppy training. Raising a great  
dog: Now, in *Before and After Getting Your  
Puppy*, Dr. Ian Dunbar combines his two  
popular puppy training manuals into one  
indexed, value-priced hardcover dog  
training book. In clear steps, with helpful  
photos and easy-to-follow puppy training  
milestones, he presents a structured yet

playful and humorous plan for raising a  
wonderful dog. Dr. Dunbar's guide is  
based around six developmental  
milestones: Your doggy education  
Evaluating puppy's progress Errorless  
housetraining and chewtoy-training  
Socialization with People Learning bite  
inhibition The world at large Fans of *The  
Art of Raising a Puppy*, *Training the Best  
Dog Ever*, or *Zak George's Dog Training  
Revolution*, will love Ian Dunbar's *Before  
and After Getting Your Puppy*.  
*Zak George's Guide to a Well-Behaved  
Dog* Booksales  
A revolutionary way to raise and train your

dog, with “a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions” (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet’s unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes:

- Choosing the right pup for you
- Housetraining and basic training
- Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues
- Health care essentials like finding a vet and selecting the right food
- Cool tricks, traveling tips, and activities to enjoy with your dog
- Topics with corresponding videos on Zak’s YouTube channel so you can see his advice in action

Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another

in a way that makes training easier, more rewarding, and—most of all—fun!

*The Koehler Method of Dog Training* □□□□

How To Housetrain Any Dog! Although dogs shouldn't be attributed with having human characteristics, they are intelligent enough to be able to understand the concept of, and execute, certain actions that their owners require of them - if these actions are asked in a way that dogs find rewarding. So, with this rule in mind, owners have to be clever as well and find a way of training their dog that actually works quickly and efficiently. This eBook explains how to achieve this ideal - how to speak “dog” so that you’re able to communicate effectively with your four-legged friend. As with any training, the best time to start is as soon as you get your new pet. The fundamentals for successful housetraining are: Crate training is very important so it should be mastered. A schedule is required for feeding and exercising. Be vigilant and patient throughout the training period.

*Training for Both Ends of the Leash*  
HarperCollins

There is nothing like the bond between you and your dog, and that bond can be

strengthened through training together. Let Certified Pet Dog Trainer Gerilyn J. Bielakiewicz show you how to introduce new skills the right way and teach your dog simple commands, crowd-pleasing tricks, and everything in between! You'll learn how to: Control excessive barking Housebreak a puppy or adult dog Stop jumping and other problem behaviors Teach tricks based on your dog's temperament Walk your dog on-leash safely Use treats, clickers, and toys for training Featuring fun photos that showcase easy tricks, this all-in-one resource is your ultimate guide for a well-behaved and happy pet!

*My Dog Pulls. What Do I Do?* Dogwise Publishing

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice

on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most

rewarding of relationships.

### **Zak George's Dog Training Revolution**

Simon and Schuster

The celebrity dog trainer and Emmy-winning star of the CBS show *Lucky Dog* shares his training system to transform any dog—from spoiled purebred puppy to shelter-shocked rescue—into a model companion in just seven days. Each week on *Lucky Dog*, Brandon McMillan rescues an untrained, unwanted, “unadoptable” shelter dog. In the days that follow, these dogs undergo a miraculous transformation as they learn to trust McMillan, master his 7 Common Commands, and overcome their behavior problems—ultimately becoming well-mannered pets and even service dogs. With his labor of love complete, McMillan unites each dog with a forever family. Now, in his first book, McMillan shares the knowledge he has gained working with thousands of dogs of every breed and personality to help readers turn their own pets into well-trained *Lucky Dog* graduates. *Lucky Dog Lessons* begins with the basics—building trust, establishing focus and control, and mastering training techniques. From there, McMillan explains his playful, careful, and

kind approach to training the 7 Common Commands he teaches every dog: SIT, STAY, DOWN, COME, OFF, HEEL, and NO. Next, McMillan provides solutions to common canine behavior problems, including house training issues, door dashing, chewing, barking, and common mealtime misbehaviors. *Lucky Dog Lessons* includes easy-to-follow steps, illustrative examples, tried-and-true tips and tricks, and photographs to demonstrate each technique. Throughout the book, McMillan shares inspiring stories about his favorite students and gives fans a behind-the-scenes look at the show and some of his most unique and challenging canine encounters, including some never-before-seen outtakes. Brandon McMillan believes that no dog is beyond saving, and the loving, positive, successful methods he offers will work wonders with even the most challenging dog. Create the happy pet family you want with *Lucky Dog Lessons*.

### **How to Teach a New Dog Old Tricks**

Crown

New edition updated for 2022! Develop the tools and understanding you need to be the best trainer for your new puppy or

adult dog—it's never too early or late to start! Professional dog trainer Kate Perry has seen it all: the secret pee-ers, the delivery-man harassers, the skittish wallflowers, the zippy puppy, the pulling sled dog, the barking door dashers, and the withdrawing senior. If any of these remind you of your dog-or you fear your pup is on their way to developing a behavioral challenge-let Kate help you create a balanced training program that will yield positive results for you and your pooch. Kate's layered methodology includes an easy-to-take Canine Drive Survey, the same one she provides to her clients, enabling you to identify your dog's particular set of drives, behavioral traits, and needs. Next, she develops a personalized training program for you and your pooch that blends together your lifestyle and household setup and your dog's unique "canine-ality" to create an atmosphere of mutual trust, respect, and understanding. Kate's goal is to turn you into the best trainer for your dog, using simple commands with step-by-step instructions that cover all the essential training categories: housetraining, socialization, leash walking, exercise, and

dealing with anxiety. Each chapter contains personal stories and photos pulled from Kate's client files including Professor Sophie, Kate's well-trained pug, who also offers her own brand of authentic nose-nudging advice and tips and has helped teach over 2000 pups in the group classes. Whether you're looking for advice for your current canine companion or welcoming a new puppy into your home, *Training for Both Ends of the Leash* will help you create a happy and healthy relationship that will last a lifetime. Dogwise Publishing Voted the #1 BEST BOOK (1999) by the Association of Pet Dog Trainers - the largest and most influential worldwide association of professional pet dog trainers. Fun training with toys, treats, lures, and rewards. Easy, fun-loving, dog-friendly methods for teaching basic manners off-leash, and for temperament modification and behavior problem troubleshooting. Written from the dog's point of view and emphasizing natural motivational methods to teach your dog to want to do what you want him to do! "How To Teach A New Dog Old Tricks is the best book by dog training's leading genius. The

most relevant, important piece ever written on the subject of dog behavior and training. Some fields are lucky enough to be granted a giant: a figure whose contributions inspire awe and are unsurpassable. Ian Dunbar is that in dog behavior. There is no single person on the face of the planet to whom dog trainers and owners (not to mention dogs) owe more." Jean Donaldson (author of *The Culture Clash*)

"How To Train A Puppy" has lots of puppy training tips to start training your puppy as soon as he walks through the door of your home. Puppies need to be trained and socialized the minute they are welcomed into their new homes and are young to ensure they are well behaved and friendly dogs as they grow up. It's important to encourage your puppy to learn by teaching her potty skills, fun training games and basic commands. Teaching a puppy helps him learn words, understand your body language and communicate with you as well as teaching him acceptable and unacceptable behaviors. You'll learn why housebreaking a puppy needs to begin the second your puppy

comes home and the different ways and techniques you can potty train your puppy as well as why praise is very important in the training process. Get crate training puppy tips and advice as well as information on using puppy training pads. Learn why it's essential to be consistent with training. Get advice and instructions on stopping a nipping puppy, stopping your puppy from jumping and crying, and understanding and correcting excessive barking. "How To Train A Puppy" has tips on dog litter box training, paper training and dog obedience puppy training. You'll get step by step instructions for teaching your puppy the basic commands of sit, stay, come and lie down, and whether collar and leash training or using treats is the best way to train your puppy. Discover why dog training treats used as training lures make your puppy happy, foster proper behavior and help him learn faster as he wants to please you. The author also includes information on the responsibility of owning a puppy, what supplies are essential when your puppy first comes home, and what needs to be done for puppy's first night at home. You'll learn how to take care of your puppy the first

week at home and what needs to be done - including veterinary care, how to puppy proof the inside of your house as well as the yard and garage to make the environment safe and hazard free, and how to properly care for your puppy. Find out what type of bedding your puppy needs and how to understand the loneliness your puppy goes through the first few nights without his littermates, how to socialize your puppy properly to people and other animals in your household, and how to ease his fear of noises. Caring for a puppy is a big responsibility, and "How To Train A Puppy" is essential for every puppy owner to discover everything puppy.

**How To Train A Puppy** Dogwise Publishing

As every dog owner knows, it takes a lot of time and patience to train a dog--whether she's a puppy or an adult dog learning new behaviors. 1000 Best Dog Training Secrets is packed full of useful training tips for new and seasoned dog owners from two experts in the field. Establishing leadership -- Socialization-- learning from human leaders -- Obedience training -- Developing life skills -- Teaching manners -- Dog etiquette -- Behavior problem prevention & solutions -- Toys, games & leisure activities

*Cesar's Way* Workman Publishing

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to

say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big

and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Let Dogs Be Dogs* Maree Ryan One of the most popular books in the series, *Leash Training* is perfect for dog owners who want a leash training book to get right to the point: what to do, when, and how, so they can get on to enjoying life with their leash-trained dog. *Leash Training* boils this most basic, but critical, dog training skill down to its basics, solves the most commonly-occurring challenges dog owners face when leash training, and gives dog owners hope that there’s light at the end of the leash! [The Everything Essential Dog Training and Tricks Book](#) Zak George's Dog Training Revolution New edition updated for 2022! Develop the tools and understanding you need to be the best trainer for your new puppy or

adult dog—it’s never too early or late to start!  America's foremost authorities on dog care and training distill decades of experience in a comprehensive "foundational" guide for dog owners. No matter what training method or techniques you use with your dog, the training is unlikely to be optimally successful unless it is predicated on an understanding of the dog's true nature. Dogs need food, water, exercise and play, rest, veterinary care--the basics. But since dogs naturally want to be led, they also need focused and compassionate guidance. Through abundant stories and

case studies, the authors reveal how canine nature manifests itself in various behaviors, some potentially disruptive to domestic accord, and show how in addressing these behaviors you can strengthen the bond with your dog as well as keep the peace. The promise of this book is that, especially in an ever-accelerating world filled with digital distractions, you can learn from your dog's example how to live in the moment, thereby enriching your life immeasurably. *Dog Training in No Time* Hachette UK  
 A dog can be a wonderful companion with enormous affection for you and your family. His keen senses and alertness can provide you with much-needed protection, but it is important to remember that you must be prepared to care for your pet for the next twelve or more years. Like a child, it will depend on you, not only for its health and well-being, but also for dedicated training in order to become a friendly, well-mannered dog that is a pleasure for you and others. It must also be remembered that we do not live in a dog's world but that our dogs are the ones who must learn to live in a human world. It is therefore our responsibility to

adequately prepare them for the unfamiliar environment in which we place them. Society does not punish a child for pulling a dog's tail but will punish the dog for biting that child. Before a handler can train his dog, he must understand what is involved in the training process. He needs to understand what is required from him and the dog in each part of each of the different obedience exercises. He must be able to teach his dog what it is expected to know, help it as much as possible, and make it as easy as possible for the dog. He needs to know about positive reinforcement in order to get the targeted behavior to recur and to reward good behavior. Above all, he needs to know when and how much to praise and what to do when the dog is not performing a task it was taught. All this he cannot learn during the relatively short time he spends each week with the instructor at the club. Six days a week he is alone at home with his dog and needs to continue to build on the training he received at the club. He needs to remember the sequence of training steps and how to break them up into the small component parts to be mastered by the dog. And when he

becomes confused, he needs help or notes to refer to! This is what I had in mind when I decided to write these notes on basic dog obedience training. There are many basic training methods from clicker training to the more traditional methods that can be used to train a dog for obedience work. The perfect training method does not exist; otherwise, we would all have had copies made and used on our dogs. No, we are all learning and improving. I have adopted an eclectic approach to dog training—that is, I have, over many years, studied different training methods and selected from them what will work for most dogs. At times, however, I may use a combination of these methods, or I may shift from one method to another, depending on the training need or exercise. What is very important to me is that the reader must not only know about the best methods of teaching dogs today but must understand why a dog behaves the way it does. Above all, it must be remembered that dog training must be fun for both dog and trainer. Most dog owners do not ask much of their dogs: they ask only that the dogs obey some basic commands and that they are well behaved

at home and in public. That is why all dogs should, at least, do the Canine Good Citizen test. I hope my notes will add to your knowledge of basic dog obedience training and that your trained dog will bring much joy to you and your family. Jan Meyer BA (SA), MEd DCRT (US), HP (MT) *Everything You Need to Know about House Training Puppies & Adult Dogs* Best Paw Forward Dog Education Inc. Struggling to solve your dog's behavioural problems? Looking to achieve the perfect relationship with your dog? The Dog Guardian is here to help.
