The Complete

Book of Striped Bass Fishing is the fullest, most authoritative, most helpful book ever written on the species. Nick Karas, one of the world's great experts on the striped bass, offers proven techniques for more successful fishing. He details fishing from the surf; from boats; from bank, pier, jetty, and bridge - with all kinds of tackle and methods. And he takes an especially careful look at the growing

popularity of fly rodding for stripers, fishing at night, and even how to catch striped bass in fresh water. An entire section of the book is devoted to tackle - where he takes a thorough look at the best rods, reels, lines, hooks, live and natural baits, artificial lures, accessory equipment of all kinds, bass boats, and the most innovative and practical beach vehicles. The Complete Book of

Striped Bass Fishing offers a comprehensive look at every aspect of the striped bass, making it a book that no one who fishes for this great gamefish will want to be without, and the essential book for all striped-bass enthusiasts. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-

casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on

subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. Lake Greeson Safety Book Big Earth Publishing A complete update to the one and only true guide to Arkansas In this, the second edition to the only comprehensive travel guide to Arkansas, Jana Wood covers all the attractions well-known and little-known in “the

Natural State.” A land rich in history and nature, Arkansas is home to the only public diamond mine in the world, the first federally protected river, and the first national park. From the Ozarks to the Mississippi Delta, this book offers complete coverage of towns large and small, along with a wealth of information on local history and the state’s 52 state parks. As with all Explorer’s

Guides, readers will also find helpful maps, food and lodging recommendations, contact information, hours, pricing, and beautiful color photography throughout.

Regions include: • The Mississippi Alluvial Plain • The Arkansas River Valley • The Ozark Mountains

Gallopade International Reading Hunting Arkansas is like walking

alongside acclaimed Arkansas outdoorsman and writer Keith Sutton as he searches for the elusive woodcock in bottomland timber near the L'Anguille River, stalks deer across farmland, or treks through woodlands hunting black bears. Sutton weaves hunting know-how with personal stories and histories of various regions to produce this book telling you when, where, why

and how to hunt in the Natural State.

The Complete Book of Striped Bass Fishing

National Geographic With this easy-to-use guide in hand, you'll discover the hidden Arkansas. Seven maps and twelve black-and-white illustrations keep you on track, whether you're visiting unknown caves or scoping out a not-to-be missed (but unfamiliar) restaurant.

Fishing

Arkansas The Countryman Press If you are looking to pursue salmon fresh from the sea in Alaska or are thinking of chasing wild brook trout in a mountain stream, this comprehensive guide to the fishing guides, outfitters, lodges, and resorts that offer freshwater fishing will be the most useful tool in your pre-trip tackle box. Listings are organized on a state-by-state basis. Each listing

includes details such as the style of fishing (trolling to ice fishing to fly fishing), targeted species, types of boats used, type of water fished, and services provided. There is, in short, a complete profile of what the client is getting. Photos and maps complete the picture. **The Outdoorsman's Guide to Government Surplus** McGraw-Hill/Contemporary

Lake Greeson Safety BookCreateSpace *Flyfisher's Guide to Missouri & Arkansas* Skyhorse Publishing Inc. A guide to camping, fishing, hiking & sightseeing and to the 558 state parks throughout America's South, stretching from the Atlantic Ocean to the Texas Panhandle--14 states in all. **Wild Trout VII** Bobbs-Merrill Company Fishing Arkansas is a comprehensive

e guide to the angling opportunities that the Natural State offers to its 500,000–700,000 licensed fisherman as well as to visitors to the state. In addition to conveying the very drama and excitement of the fishing experience itself, the month-by-month organization of the book allows the reader a detailed look at the life histories of many Arkansas sport fish, the

best lakes and streams in which to find them, and the most successful tactics and tackle to use. Enhanced by Sutton's excellent photographs, the guide includes twelve sections on popular game fish, such as largemouth and smallmouth bass, crappie, catfish, bluegill, and trout. It also provides an introduction to often-overlooked species like bowfin, gar, carp,

paddlefish, and pickerel. Hundreds of valuable fishing tips gleaned from decades of on-the-water experience and interviews with dozens of guides, biologists, and expert anglers enhance the engaging narrative. From the glistening trout in the cold tailwaters of the White River, to feisty catfish on the muddy bayou bottoms of the Delta region, Keith Sutton has served up a tempting array of the fish that can be sought and

caught on hook and line in the teeming waters of Arkansas.
