Where were you 25 years ago today? Watching NBC? Witnessing history as Saved by the Bell debuted with its new name, new cast, and a slight resemblance to a Disney Channel show called Good Morning, Miss Bliss? Or maybe you weren't even born yet. Either way, today is an anniversary worth celebrating, as TV's best-ever sitcom for kids is finally old enough to rent a car. And there's no better way to celebrate than taking these quizzes

The Little Book of Mr & Mrs Questions Dell

This insightful book reviews the current research on literacy programming, examines the latest standards for strengthening reading skills, and provides educators, families, and caregivers methods for building successful reading habits in and out of the classroom. Research indicates that children need more than classroom instruction to become proficient readers. Unfortunately, few parents realize how simple, everyday practices can build a lifelong love of reading. Educators, diligent with employing mandatory literacy standards, may overlook families and support systems as tools for improving student performance. This book provides a comprehensive overview of the various methods of reading instruction, analyzing the pedagogy behind Sustained Silent Reading (SSR), the importance of reading aloud to children, and the necessity of working the home-school connection. For the Love of Reading: Guide to K-8 Reading Promotions provides strategies and tips for setting

up successful reading environments for children, including having a well-stocked library collection; engaging students through book clubs, reading lists, and prepared book talks; and involving student and adult volunteers. The author asserts that the entire school community—teachers, librarians, parents, caregivers, and administrators—must work together to promote literacy.

If you are a new young adult librarian or an experienced librarian with little time to plan and execute programs for teens, this book is for you! For each month in the calendar year, two or three programs popular with teens are presented with instructions, sample flyers, letters, and checklists. From

simple programs such as a candy raffle to more complex programs such as a mystery night, librarians can keep their teen calendar full of activities with a minimum of effort. Programs that tie into both school events and national events for teens are included as well as those that can be presented at an individual library. Suggestions for programs range from a poetry contest to a summer job program. Instructions for ongoing procedures for soliciting teens' opinions are provided: a monthly question board, candy raffle, starting and running a Teen Advisory Board and so on. Basic skills for all YA librarians are emphasized in each of the programs; these skills include booktalking, working with the schools, and marketing your programs within the library and to the community. By creating variations in each of the programs, young adult librarians will have a wealth of ideas in this book to keep their YA program calendar filled for years to come.

Ken Jennings's Trivia Almanac is the ingeniously organized book where, for a change, the all-time Jeopardy! champ gets to ask the questions—and where every day of the year will give you the chance to test your trivia mettle. For example—February 21: In 1912, on this day, Teddy Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. What two NFL quarterbacks have four Super Bowl rings each?* What rings are divided by the Cassini Division?** Also on this date, in 1981, the “goth” music scene was born in London, so here’s a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe’s Black Knight*** or Men in Black’s Agent M****? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes, and other flights of fancy will make each day a fun and intriguing new challenge.
