Basic Books

Can shattered love ever be restored? There's an extreme heat wave at River's Sigh B & B, but things have never been colder between Noelle Archer and her husband Cade. Dragged there for a reunion with Cade's screwed up family, Noelle is confused, resentful—and considering divorce. Noelle never would've predicted she'd be trapped in a loveless marriage, but Cade's more distant and aloof than ever, plus she's sure he had an affair. What other choice does she have? Husbands who cheat don't become faithful, and wives who put up with it become bitter and lonely. She won't have that for herself, and she won't model that

for her children. Cade has always clung tightly to Noelle, his beloved daughters, and their life together. He's not good at expressing himself, but he's been confident, even cocky, that if he's strong enough, works hard enough, provides well enough, Noelle will know how he feels. But now one moment of stupidity that wasn't what it appeared has wrecked everything. He wants her to believe in him the way his parents and brothers never have, with no explanations necessary—but maybe that's unfair. He'll swallow his pride. He'll find the words. He'll do anything to fix their relationship. But what if it's too late? Fans of heartwarming small-town contemporary romance, sister stories, second chances, and furry dog friends, will fall in love with River's Sigh B & B and never want to leave!

The owner of Bird's Eye Tattoo Studio doesn't want you to tip him with your phone number or flirty glances. He's tired of all the wrong women wanting him for all the wrong reasons. Drew Ashby has no time—for anything. As a recently-divorced single mother, her focus is on finding a job, caring for her daughter, and rebuilding some semblance of a life after hers was wrecked. When Drew lands a job at Bird's Eye, sparks don't immediately fly. She can't deny the fact that her boss is a delicious specimen of a man. His tattoo-covered skin might even drive her wild, but his brooding presence and set jaw make him hard to read. That is, until he drops the bad boy persona and starts making moves on her—kind and caring gestures she doesn't expect. Things turn hot, and just when Drew thinks everything is finally going right, life does what it does best: It throws her a curveball from her past. Bird's Eye might not be the family Drew envisioned for herself, but ideals can change in a heartbeat. There's no doubt Hawk is the man she wants, but can he step up and be the man she needs?
