Graduation Mad Libs Northwestern  
University Press

I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls other artifacts, in the aim to achieve whimsy. My coloring books are my

paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and "zap" the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work.

Stay tuned and enjoy.

**Dogwinks** Longman

Marcia Willett's *The Garden House* is a charming and heartwarming novel about family, yearning, and long-buried secrets ... Fresh out of university and right on the precipice of adulthood, El is trying her best to figure out what it is she really wants from life. This is complicated by the fact that she is also dealing with the loss of her father, Martin. After his sudden death, El inherits and moves into his home just outside Tavistock, in the Devon countryside. Her stepbrother and sort-of friend, Will, comes to help her through her

grief and to go through her father's belongings. As El spends time in her father's home, she uncovers more about his life, and the secrets he had been keeping from her and her family. This includes mysterious messages on his phone from someone El suspects may have been more than just a friendly acquaintance. Julia is also mourning Martin, but for many reasons, they thought best to keep their relationship a secret. So she must now grieve entirely on her own. All she has to remember of her love are the text messages they sent to each other in their secret code, and the memories of their time spent at The Garden House: a beautiful community garden and teashop nearby. It is where they met, fell in love, and where their secret affair will inevitably be uncovered one day. As El and Will begin to decipher the messages on Martin's phone, and piece together her father's long-buried secrets, they are brought closer and closer to each other, to Julia, and to a truth that is difficult for all to face.

*Floret Farm's A Year in Flowers* Lantern Books

John Langan's *English Essentials* offers

guidance through the grammar, punctuation, and usage skills needed for success in college and beyond. In short, *English Essentials* is an efficient, accessible, and helpful guide to mastering practical English skills.

*Everyone Is Italian on Sunday* Now Media, LLC

*French Kids Eat Everything* is a wonderfully wry account of how Karen Le Billon was able to alter her children's deep-rooted, decidedly unhealthy North American eating habits while they were all living in France. At once a memoir, a cookbook, a how-to handbook, and a delightful exploration of how the French manage to feed children without endless battles and struggles with pickiness, *French Kids Eat Everything* features recipes, practical tips, and ten easy-to-follow rules for raising happy and healthy young eaters—a sort of *French Women Don't Get Fat* meets *Food Rules*.

*Home Cooking with Trisha* Yearwood  
 Clarkson Potter

**Twelve Years A Slave, Illustrated Edition** Penguin

A celebration of Japan's vegan and

vegetarian traditions with 100 vegan recipes. *Kansha* is an expression of gratitude for nature's gifts and the efforts and ingenuity of those who transform nature's bounty into marvelous food. The spirit of *kansha*, deeply rooted in Buddhist philosophy and practice, encourages all cooks to prepare nutritionally sound and aesthetically satisfying meals that avoid waste, conserve energy, and preserve our natural resources. In these pages, with *kansha* as credo, Japan culinary authority Elizabeth Andoh offers more than 100 carefully crafted vegan recipes. She has culled classics from *shōjin ryōri*, or Buddhist temple cuisine (Creamy Sesame Pudding, Glazed Eel Look-Alike); gathered essentials of macrobiotic cooking (Toasted Hand-Pressed Brown Rice with Hijiki, Robust Miso); selected dishes rooted in history (Skillet-Scrambled Tofu with Leafy Greens, Pungent Pickles); and included inventive modern fare (Eggplant Sushi, Tōfu-Tōfu Burgers). Decades of living immersed in Japanese culture and years of culinary training have given Andoh a unique platform from which to teach. She explains basic cutting techniques, cooking methods, and equipment that will help you

enhance flavor, eliminate waste, and speed meal preparation. Then she demystifies ingredients that are staples in Japanese pantries that will boost your kitchen repertoire—vegan or omnivore—to new heights.

**The Garden House** UNM Press

These photographs by Drew Barrymore reveal hearts found in everyday situations. "I have always loved hearts," writes acclaimed actress Drew Barrymore in the foreword to this heartwarming gift book. "The way that continuous line accomplishes the most extraordinary thing -- it conveys love." In *Finding it in Everything*, Barrymore shares the photographs she has taken of heart-shaped objects and patterns she has come across over the past ten years. Some are obvious and others barely discernible. A discarded straw wrapper, a hole in a T-shirt, a scallion in a bowl of miso soup -- seemingly everywhere she turns her lens a heart reveals itself. A very personal collection of images, many of them accompanied by brief captions that reflect on beauty in the everyday, *Finding it in Everything* is a delightful book from the beloved actress and director, who now

adds photographer to her list of credentials.

Hitch Fit's Micah Lacerte and Diana Chaloux provide insight and tips on how anyone can be motivated and inspired to transform their own lives. Included in this book is information on lifestyle, nutrition and fitness. This educational book will show readers how they too can achieve weight loss, happiness, their ideal size, and relationship success, and all from a couple who don't just talk the talk, but walk the walk. Micah Lacerte and Diana Chaloux of HITCH FIT gym ([www.hitchfit.com](http://www.hitchfit.com)) want to help transform lives. This book includes the key points to start you on your own personal journey of success.

*Home Cooking with Trisha Yearwood*  
Harper Collins

This is a novel about appearance versus reality - how our lives and relationships appear to others versus how they are experienced, and the complex ways that social class shapes identity, relationships, and the codes of friendship. *American Circumstance* also provides a window into

the replication of wealth, power, and privilege. The novel can be used as supplemental reading in courses across the disciplines that deal with gender, social class, inequality, power, family systems, relational communication, intimate relationships, identity, American culture, narrative or creative writing. It can also be read in book clubs or entirely for pleasure. "American Circumstance is wonderful! The characters and story invite you into a world that is both familiar and unfamiliar. Highly recommended!!" - Carl Leggo, Ph.D., University of British Columbia "American Circumstance kept me up! I wanted to see how the characters' lives untangled. I loved how Leavy challenged my cultural assumptions. Students will have a lot to talk about as they discover the 'sociology of everyday life' embedded in the fiction." - Laurel Richardson, Ph.D., The Ohio State University "The characters were so compelling that I couldn't stop reading ... a great beach read, or class text." - U. Melissa Anyiwo, Ph.D., Curry College "Leavy writes in an engaging way that helps you ask important questions about class issues in America. This story keeps

you interested and wondering why women make the choices they do." – Margaret A. Robbins, *The Journal of Language & Literacy Education* "American Circumstance is one of my favorite texts to assign to my sociology students." – Cheryl Llewellyn, Ph.D., University of Massachusetts Lowell Patricia Leavy, Ph.D., is an award-winning independent sociologist and best-selling author.

#### Equally Wed Harlequin

Diane France loves bones. Why? Because they talk to her. Every skeleton she meets whispers secrets about the life-and death-of its owner. Diane France can hear those secrets because she's a forensic anthropologist, a bone detective. She has the science skills and know-how to examine bones for clues to a mystery: Who was this person and how did he or she die? *Bones* tell Diane about the life and times of famous people in history, from a Russian royal family to American outlaws and war heroes. They speak to her about murders, mass disasters, and fatal accidents. One day she's collecting skeletal evidence at a crime scene. A phone call later she's jetting to the site of a plane crash or other unexpected tragedy

to identify victims. Young readers will be captivated by the thrilling real-life story of this small-town girl full of curiosity and mischief who became a world-famous bone detective.

*The Small Business Advocate* Hachette UK "If you're like Rachael Ray, you'll agree that there is something comforting and heartwarming about a heaping plate of perfectly cooked spaghetti with moist and tender meatballs covered in a luscious, dark-red tomato sauce. Now, in *Everyone Is Italian on Sunday*, Rachael invites you into her home to share her family's culinary history and the recipes that have shaped her life and career,"--Amazon.com. *The Makeup of a Confident Woman* Weidenfeld & Nicolson

By and large, most wedding books in the market are still centered around one bride and one groom. And yet, the advent of full marriage equality in the United States has made a new, polished wedding planning book dedicated to guiding LGBTQ couples both timely and essential. Kirsten Palladino will fill that need with this definitive book to inspire couples everywhere who are seeking a meaningful, personal ceremony and a momentous

beginning to legally married life. Equally Wed brings author Palladino's expertise as the founder and editorial director of the world's leading online resource for LGBTQ wedding planning to the page. Palladino walks readers through every step of the notoriously costly and arduous planning process with wisdom and accessibility. From how to incorporate hot trends among LGBTQ couples to advice on how to incorporate children into a ceremony to more serious hurdles like dealing with homophobia among family members, Equally Wed has it all. The author importantly includes an accurate picture of wedding budgets for couples from all backgrounds, and shares her invaluable insider tips for making the most of each vendor; she also addresses fashion advice specific for LGBTQ readers, such as suiting up as a nonbinary newlywed or attending fittings as a butch lesbian or a transgender woman. And best of all, she does it with the celebratory, joyful approach that all couples deserve. With a beautiful 2-color package, a total absence of heteronormative terms and assumptions, and a wealth of advice on every wedding-related topic imaginable, Equally Wed is

set to be the go-to LGBTQ wedding guide just as every couple is finally free to wed. *The Pornography of Meat* Clarkson Potter Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

#### **French Kids Eat Everything**

Createspace Independent Pub Internationally recognized makeup artist and trailblazing entrepreneur Trish McEvoy

reveals her revolutionary, proven system that teaches women everywhere at any age to achieve total beauty security and confidence in this inspirational full-color playbook that is part empowering manifesto, part comprehensive how-to guide. Thousands of women, both celebrities and private clients alike, have turned to Trish McEvoy's proprietary system for applying makeup, and looking—and feeling—transformed. Now, millions of women will have the opportunity to access her secret method in one complete, gorgeous book that goes beyond the basic step-by-step makeup lessons. Trish understands the power of beauty security. A woman with a positive self-image, can-do attitude, and sense of grace and calm will get what she wants out of life, and then some. But it's not so easy to cultivate these qualities. Trish has a simple, 4-part solution. And it surprisingly starts with leveraging just a few minutes a day in a unique way. Even the most time-starved woman can do this, with lasting results. Compiling all of her best wisdom, Trish begins with a

passionate and persuasive argument that makes clear the importance of self-care, then offers specific strategies to transform yourself from the outside in. Infused with Trish's trademark charisma, this motivational, must-have resource is filled with highly practical takeaways and tutorials that will equip you with the tools to face life at your most beautiful and self-assured. The *Makeup of a Confident Woman* includes over 200 full-color illustrations.

*Maudie and Sophie* Simon and Schuster Charles Bernstein has described conceptual "poetry pregnant with thought." *Against Expression*, the premier anthology of conceptual writing, presents work that is by turns thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred writers from

Aasprong to Zykov demonstrate a remarkable variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language. --Book Jacket.
