*Deadly Innocence*

Triumph Books  
Journey "inside the  
numbers" for an

exceptional set of statistical tools and rules that can help explain the winning, or losing, ways of a basketball team. *Basketball on Paper* doesn't diagram plays or explain how players get in shape, but instead demonstrates how to interpret player and team performance. Dean Oliver highlights general strategies for teams when they're winning or losing and what aspects should be the focus in either situation. He describes and quantifies the jobs of team leaders and role players, then discusses the interactions between players and how to achieve the best fit. Oliver conceptualizes the meaning of teamwork and how to quantify the value of different types of players working together. He examines historically successful NBA teams and identifies what made them so successful: individual talent, a system of putting players together, or good coaching. Oliver then uses these statistical tools and case studies to evaluate the best players in history, such as Magic Johnson, Wilt Chamberlain, Bill Russell, and Charles Barkley and how they contributed to their teams' success. He

does the same for some of the NBA's "oddball" players-Manute Bol, Muggsy Bogues, and Dennis Rodman and for the WNBA's top players. *Basketball on Paper* is unique in its incorporation of business and analytical concepts within the context of basketball to measure the value of players in a cooperative setting. Whether you're looking for strategies or new ideas to throw out while watching the ballgame at a sports bar, *Basketball on Paper* will give you amazing new insights into teamwork, coaching, and success.

### **Jesus the King**

Jabberwocky Literary Agency, Inc. This thrilling YA fantasy debut follows seventeen-year-old Etta Lark as she navigates the underworld of Craewick to pull off the heist of a lifetime. A YALSA (The Young Adult Library Services Association) Teens' Top Ten Book for 2020, Mansy crafts a grim reality where memories are worth their weight in gold. In the city of Craewick, memories reign. The power-obsessed ruler of the city, Madame, has cultivated a society in which memories are currency, citizens are divided by ability, and

Gifted individuals can take memories from others through touch as they please. Seventeen-year-old Etta Lark is desperate to live outside of the corrupt culture, but she grapples with the guilt of an accident that has left her mother bedridden in the city's asylum. When Madame threatens to put her mother up for auction, a Craewick practice in which a "criminal's" memories are sold to the highest bidder before being killed, Etta will do whatever it takes to save her. Even if it means rejoining the Shadows, the rebel group she swore off in the wake of the accident years earlier. To rescue her mother, Etta must prove her allegiance to the Shadows by stealing a memorized map of the Maze, a formidable prison created by the bloodthirsty ruler of a neighboring Realm. Etta faces startling attacks, unexpected romance, and, above all, her own past as she uncovers a conspiracy that challenges everything she knew about herself and the world around her. In a place where nothing is what it seems, can Etta ever become more than a memory thief? Perfect for fans of high-stakemagical

heists such as: Leigh Bardugo (*Six of Crows*) Victoria Aveyard (*Red Queen*) Roshani Chokshi (*The Gilded Wolves*) "Mansy's debut will delight fantasy readers who revel in fully developed settings and unusual powers."- Booklist "A welcome addition to the YA fantasy canon, *The Memory Thief* is a suspenseful page-turner, delightfully chock full of unexpected twists and turns."- Shelf Awareness *The World Book Encyclopedia* Penguin "A tour de force of reporting" (The Washington Post) from a Pulitzer-prize winning journalist that examines the often-corrupt machine producing America's basketball stars "Indispensable."—The Wall Street Journal "Often heart-breaking, always riveting."—The New York Times Book Review "Tremendous."—The Plain Dealer Winner of the PEN/ESPN Award for Literary Sportswriting • Winner of the Award for Excellence in the Coverage of Youth Sports Using eight years of unfettered access and a keen sense of a story's deepest truths, journalist George Dohrmann reveals a cutthroat world where boys as young as eight or

nine are subjected to a dizzying torrent of scrutiny and exploitation. At the book's heart are the personal stories of two compelling figures: Joe Keller, an ambitious coach with a master plan to find and promote "the next LeBron," and Demetrius Walker, a fatherless latchkey kid who falls under Keller's sway and struggles to live up to unrealistic expectations. Complete with a new "where-are-they-now" epilogue by the author, *Play Their Hearts Out* is a thoroughly compelling narrative exposing the gritty reality that lies beneath so many dreams of fame and glory. One of GQ'S 50 Best Books of Literary Journalism of the 21st Century • One of the Best Books of the Year: Los Angeles Times, The Christian Science Monitor, Kirkus Reviews This edition includes an exclusive conversation between George Dohrmann and bestselling author Seth Davis.

### **Behind the Bench**

O'Reilly Media By focusing on a single game in 1982, the author dissects the game of baseball, looking at the pitching, the batting, the owners, the players, and much more. Reprint.

### **Incredible iPhone Apps For Dummies** Houghton Mifflin Harcourt

An insider's revealing look at the hidden world of major league baseball Doug Glanville, a former major league outfielder and Ivy League graduate, draws on his nine seasons in the big leagues to reveal the human side of the game and of the men who play it. In *The Game from Where I Stand*, Glanville shows us how players prepare for games, deal with race and family issues, cope with streaks and slumps, respond to trades and injuries, and learn the joyful and painful lessons the game imparts. We see the flashpoints that cause misunderstandings and friction between players, and the imaginative ways they work to find common ground. And Glanville tells us with insight and humor what he learned from Jimmy Rollins, Alex Rodriguez, Randy Johnson, Barry Bonds, Curt Schilling, and other legendary and controversial stars. In his professional career, Glanville experienced every aspect of being a player—the first-round pick, the prospect, the disappointment, the can't-miss, the cornerstone, the veteran, the traded, the

injured, the comeback kid. His eye-opening book gives fans a new level of understanding of day-to-day life in the big leagues. *The Books of Jacob* Vintage Canada  
 THE CULT NOVEL RETURNS! "The best book I read last year is A Man Lies Dreaming by Lavie Tidhar... It is so cleverly constructed and such a spectacular conclusion unfolds that you are going to take it all very seriously." - Sting  
 "Ambitious as hell" -Ian Rankin "An excellent novel" -Philip Kerr Since its original 2014 publication, A Man Lies Dreaming has been translated into multiple languages and gained a cult following for its dark humor, prescient politics and powerful exploration of the impossibility of fantasy. 1939: Adolf Hitler, fallen from power, seeks refuge in a London engulfed in the throes of a very British Fascism. Now eking a miserable living as a down-at-heels private eye and calling himself Wolf, he has no choice but to take on the case of a glamorous Jewish heiress whose sister went missing. It's a decision Wolf will very shortly regret. For in another time and place a man lies dreaming: Shomer, once a

Yiddish pulp writer, who dreams lurid tales of revenge in the hell that is Auschwitz. Prescient, darkly funny and wholly original, the award-winning A Man Lies Dreaming is a modern fable for our time that comes "crashing through the door of literature like Sam Spade with a .38 in his hand" (Guardian).  
 PRAISE FOR LAVIE TIDHAR  
 Winner - The World Fantasy Award Winner - The John W. Campbell Award Winner - The British Fantasy Award Winner - The Jerwood Fiction Uncovered Prize Winner - The Neukom Literary Arts Award Winner - The Kitschies Award Winner - The BSFA Award "Tidhar is a genius at conjuring realities that are just two steps to the left of our own." -NPR  
 "Tidhar changes genres with every outing, but his astounding talents guarantee something new and compelling no matter the story he tells."  
 -Library Journal "In a genre entirely of his own, and quite possibly a warped genius." -Ian McDonald, author of River of Gods "Already staked a claim as the genre's most interesting, most bold, and most accomplished writer." -Locus "Tidhar is a master at taking

concepts that really shouldn't work and crafting them into something uniquely brilliant." -GeekDad "He is perhaps the UK's most literary speculative fiction writer." -Strange Horizons  
 "Like early Kurt Vonnegut... both writers seem to channel the same prankster glee that covers deep despair." -Locus  
 "Bears comparison with the best of Philip K Dick" -The Financial Times

 "Complex, elusive and intriguing" -The Jerusalem Post  
 "Nasty, clever, waspish and witty... a brilliant and potent thought experiment" -The Sunday Herald  
 "Bold and unnerving" -NPR  
 "Damn good" -Jewish Book Council  
 "A wholly original Holocaust story: as outlandish as it is poignant." -Kirkus (starred review)  
 "A vital, brilliant novel" -Barnes & Noble SFF Blog  
 "Outstanding and moving" -Maxim Jakubowski, LoveReading.co.uk

“Gripping... clever and thrilling work” –Buzz Magazine “In turns brutal, harrowing, heartbreaking and intriguing.... [an] unforgettable novel.” –Gulf Weekly “poetic & terrible... quite incredible” –Tor.com “A brilliant novel.” –Pop Verse □ *Win Daily* Simon and Schuster

Based on dozens of shocking interviews with some of the most influential names in sports, this is the urgent and revelatory examination of racial inequality in professional athletics America has been waiting for. Commentators, coaches, and fans alike have long touted the diverse rosters of leagues like the NFL and MLB as sterling examples of a post-racial America. Yet decades after Tommie Smith and John Carlos raised their fists in a display of Black power and pride, and years after Colin Kaepernick shocked the world by kneeling for the national anthem, the role black athletes and coaches are asked to perform--both on and off the field--still can be determined as much by stereotype and old-fashion ideology as ability and performance. Whether it's the pre-game

moments of resistance, the lack of diversity among coaching and managerial staff, or the consistent undervaluation of black quarterbacks, racial politics impact every aspect of every sport being played. Yet, the gigantic salaries and glitzy lifestyles of pro athletes tend to disguise the ugly truths of how minorities are treated and discarded by their white bosses. Promising to finally expose the structural prejudices underpinning this pillar of modern society, John Feinstein has crisscrossed the country to not only get the stories none of us have heard but all of us should know but also constructed those harrowing tales into a larger narrative that will be the definitive book on race and sports for a generation to come. Seventy-five years after Jackie Robinson broke baseball's color line, race is still a central and defining factor of America's professional sports leagues. With an encyclopedic knowledge of professional sports, and shrew cultural criticism, John Feinstein uncovers not just why, but how, pro sports continue to perpetuate racial inequality.

### The Fantasy Football Black Book 2021 Sam Hendricks

In Lionel Shriver's entertaining send-up of today's cult of exercise—which not only encourages better health, but now like all religions also seems to promise meaning, social superiority, and eternal life—an aging husband's sudden obsession with extreme sport makes him unbearable. After an ignominious early retirement, Remington announces to his wife Serenata that he's decided to run a marathon. This from a sedentary man in his sixties who's never done a lick of exercise in his life. His wife can't help but observe that his ambition is “hopelessly trite.” A loner, Serenata disdains mass group activities of any sort. Besides, his timing is cruel. Serenata has long been the couple's exercise freak, but by age sixty, her private fitness regimes have destroyed her knees, and she'll soon face debilitating surgery. Yes, becoming more active would be good for Remington's heart, but then why not just go for a walk? Without several thousand of your closest friends? As Remington

joins the cult of fitness that increasingly consumes the Western world, her once-modest husband burgeons into an unbearable narcissist. Ignoring all his other obligations, he engages a saucy, sexy personal trainer named Bambi, who treats Serenata with contempt. When Remington sets his sights on the legendarily grueling triathlon, MettleMan, Serenata is sure he'll end up injured or dead. And even if he does survive, their marriage may not. *The Motion of the Body Through Space* is vintage Lionel Shriver written with psychological insight, a rich cast of characters, lots of verve and petulance, an astute reading of contemporary culture, and an emotionally resonant ending.

**Power Play** Sam Hendricks

They are motivators, key strategists, tough bosses, and choreographers. They can be branded as heroes, ousted as scapegoats, quietly valued as friends, and everything in between. It's all in the job description for an NHL head coach. In *Behind the Bench*, ESPN's Craig Custance sits down for film sessions and candid

conversations with some of the game's most notable modern luminaries—names like Mike Babcock, Joel Quenneville, Dan Bylsma, Todd McLellan, Ken Hitchcock, and Claude Julien—all of whom share their singular views on topics ranging from leadership secrets to on-ice game plans. Dissect some of hockey's greatest moments with the men who set the pieces in motion. Go straight to the source on what it's like to manage a dressing room full of the league's top stars or execute line changes with everything at stake. Signature games, including Stanley Cup finals, Olympic gold medal clashes, and World Championship contests—both wins and losses—are reflected upon and broken down in detail, making this essential reading for current and aspiring coaches, players, and hockey fans alike.

**Cuba (Winner of the Pulitzer Prize)** John Wiley & Sons

*How to Play, Enjoy and Win your Fantasy Football League Every Year!* A handy, concise and informative source book. Expertly organized and full of hard facts, helpful tips and valuable

strategies. This guidebook is for the novice or the expert who wants to learn more about how to play and win fantasy football. Includes: - The history and administration of Fantasy Football - Types of leagues, scoring systems and drafts - How to rank players - Draft day tips, theories and advanced strategies - Roster Management skills (trades, add/drops, start/bench decisions) - Auction, Keeper and IDP leagues - Interview with Lenny Pappano (co-founder World Championship of Fantasy Football and draftsharks.com) - Psychology of Fantasy Football - Injuries - And much more!

**Fantasy Football Guidebook** Crown

A NEW YORKER

"ESSENTIAL READ" "Just as awe-inspiring as the Nobel judges claimed." - The Washington Post "Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño's 2666." -AV Club "Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel

blends, as it does in life, with genuine tragedy.”  
 –Dwight Garner, *The New York Times* LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES, THE WALL STREET JOURNAL, TIME, THE NEW YORKER, AND NPR The Nobel Prize-winner’s richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks

havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect’s secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—*The Books of Jacob* captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, *The Books of Jacob* is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally, front cover to back.  
*The Game from Where I Stand* Harper Collins  
 WINNER OF THE PULITZER PRIZE IN HISTORY  
 WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN HISTORY “Full of...lively insights and lucid prose” (*The Wall Street Journal*) an epic, sweeping history of Cuba

and its complex ties to the United States—from before the arrival of Columbus to the present day—written by one of the world’s leading historians of Cuba. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued—through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country’s future. Meanwhile, politics in Washington—Barack Obama’s opening to the island, Donald Trump’s reversal of that policy, and the election of Joe Biden—have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an “important” (*The Guardian*) and moving chronicle that demands a new reckoning with both the island’s past and its relationship with the United States. Spanning more than five centuries,

Cuba: An American History provides us with a front-row seat as we witness the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the sometimes surprising, often troubled intimacy between the two countries, documenting not only the influence of the United States on Cuba but also the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba; “readers will close [this] fascinating book with a sense of hope” (The Economist). Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States—as well as the author’s own extensive travel to the island over the same period—this is a stunning and monumental account like no other.

**Raise a Fist, Take a Knee** Macmillan

Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. --

**Fantasy Football For Dummies** Riverhead

## Books

From the award winning author of Fantasy Football Guidebook (and three other fantasy football books) comes the ultimate step by step guide to success; including methods of drafting, ranking players, creating cheat sheets and drafting like an expert. ### Fantasy Football Basics

Simon and Schuster

An inside assessment of the world of fantasy sports by the ESPN Senior Fantasy Analyst reveals the life-shaping impact of the multi-billion-dollar national pastime while chronicling his own rise to a leading figure in fantasy sports.

**Mumbai Fables** Penguin

User experience doesn't happen on a screen; it happens in the mind, and the experience is multidimensional and multisensory. This practical book will help you uncover critical insights about how your customers think so you can create products or services with an exceptional experience. Corporate leaders, marketers, product owners, and designers will learn how cognitive processes from different brain regions form what we perceive as a singular experience. Author John Whalen shows you how anyone on your team can conduct "contextual interviews" to unlock insights. You'll then learn how to apply that knowledge to design brilliant experiences for your customers. Learn about the "six minds" of user experience and how each contributes to the perception of a singular experience Find out how your team—without any specialized training in psychology—can uncover critical insights about your customers' conscious and unconscious processes Learn how to immediately apply what you've learned to improve your products and services Explore practical examples of how

the Fortune 100 used this system to build highly successful experiences Dueling with Kings Edinburgh University Press The life and career of Nicklas Lidstrom almost reads like a real-life hockey fairy tale. Drafted by the Detroit Red Wings as a 19-year-old defenseman out of his native Sweden, Lidstrom spent the next two decades manning the Motor City blueline. During those years he became a Hockeytown legend, amassing a mind-boggling collection of accomplishments and accolades: four Stanley Cups, seven Norris Trophies as the NHL's best defenseman, a Conn Smythe Trophy, 12 All-Star selections, and gold medals in both the Olympics and World Championships. Off the ice, life appears equally idyllic: Lidstrom is uniformly respected and admired by opponents, observers, and teammates alike, and he and his wife of more than 20 years have four boys who split their time between Sweden and their adopted homeland. Perhaps only one question remains unanswered about the man teammates referred to as

the Perfect Human: exactly how did he do it? In Nicklas Lidstrom: The Pursuit of Perfection, the Hall of Fame defenseman and a who's-who of hockey luminaries investigate and reveal precisely how he made dominating the game he loves appear so effortless. How did an unimposing prospect catch the eye of Red Wings scouts during an era when few Swedes made it to the NHL? What was the secret to his remarkable endurance and longevity, allowing him to miss just 44 games in 20 grueling NHL seasons? And what level of preparation and study was required to transform a man who was not the biggest or fastest at his position into one of the greatest defensemen in hockey history? You'll find the answers to all of this and more in Nicklas Lidstrom: The Pursuit of Perfection **Fantasy Life** Princeton University Press A Globe and Mail Best Book A finalist for the Rakuten Kobo Emerging Writer Prize A love letter to a sport that's losing itself, from one of our best sports writers. Hockey is approaching a state of crisis in Canada. It's become more expensive, more exclusive, and

effectively off-limits to huge swaths of the potential sports-loving population. Youth registration numbers are stagnant; efforts to appeal to new Canadians are often grim at best; the game, increasingly, does not resemble the country of which it's for so long been an integral part. As a lifelong hockey fan and father of a young mixed-race son falling headlong in love with the game, Sean Fitz-Gerald wanted to get to the roots of these issues. His entry point: a season with the Peterborough Petes, a storied OHL team far from its former glory in a once-emblematic Canadian city that is finding itself on the wrong side of the country's changing demographics. Fitz-Gerald profiles the players, coaches and front office staff, a mix of world-class talents with NHL aspirations and Peterborough natives happy with more modest dreams. Through their experiences, their widely varied motivations and expectations, we get a rich, colourful understanding of who ends up playing hockey in Canada and why. Fitz-Gerald interweaves the action of the season with portraits of public figures

who've shaped and been shaped by the game: authors who captured its spirit, politicians who exploited it, and broadcasters who try to embody and sell it. He finds his way into community meetings full of angry season ticket holders, as well as into sterile boardrooms full of the sport's institutional brain trust, unable to break away from the inertia of tradition and hopelessly at war with itself. Before the Lights Go Out is a moving, funny, yet unsettling picture of a sport at a crossroads. Fitz-Gerald's warm but rigorous journalistic approach reads, in the end, like a letter to a troubled friend: it's not too late to save hockey in this country, but who has the will to do it? *How Canadians Communicate V Hockey For Dummies* One of the most respected executives in the NHL, Jim Devellano's phenomenal record of 13 championship rings (including three Stanley Cups for both the New York Islanders and the Detroit Red Wings) is also the story of shrewd trades and brave, if not unorthodox, business decisions. His new memoir takes readers

behind the scenes into the offices of a general manager and provides an inside look at what players and coaches are really like; how decisions are made on draft day; and how deals and trades are done. He also sheds light on the miraculous turnaround of the Detroit Red Wings and how such decisions as recruiting from behind the Iron Curtain have left their indelible mark on the game.

The Motion of the Body Through Space Athabasca University Press

Previously published in hardcover as *King's Cross* The most influential man to ever walk the earth has had his story told in hundreds of different ways for thousands of years. Can any more be said? Now, Timothy Keller, New York Times bestselling author of *The Prodigal Prophet* and the man *Newsweek* called a "C. S. Lewis for the twenty-first century," unlocks new insights into the life of Jesus Christ as he explores how Jesus came as a king, but a king who had to bear the greatest burden anyone ever has. Jesus the King is Keller's revelatory look at the life of Christ as told in the Gospel of Mark. In it, Keller shows how the

story of Jesus is at once cosmic, historical, and personal, calling each of us to look anew at our relationship with God. It is an unforgettable look at Jesus Christ, and one that will leave an indelible imprint on every reader.
