Staying At Home And Never Worry About Money Three Rivers Press (CA)

A former New York Times reporter tackles the difficult issue of gender economic equality, confronting the financial penalties levied on motherhood.

Miserly Moms Morgan James Publishing

More Than Just Making It is your invitation to reimagine what the good life can be. Join Erin Odom, a mom thrown into low-income living, to learn how to overcome your circumstances, find creative ways to earn and save, and reset your heart and budget according to God's designs. When you're trapped in a cycle of financial frustration, and you feel like you've tried everything only to end up with more month than money yet again, *More Than Just Making It* is your promise and pathway to thriving again. Take it from someone who's been there. Erin Odom grew up in the private schools and neatly manicured lawns of Upper Middle-Class America but was thrown into low-income living during the economic crash. She was a stay-at-home-mom, her husband was supporting the family on a teacher's salary, and even though they had no debt to their name, they were scrambling to make ends meet. Suddenly Erin found herself standing in line for food stamps, turning down play dates because she couldn't afford the gas, and ultimately walking into bankruptcy court in the eighth month of her third pregnancy. *More Than Just Making It* tells the story of their breaking point, as well as the triumph of their comeback. It took hard work, creativity, and faith in God's provision to reset their bank account as well as their hearts, but ultimately, they found a new way to thrive and freedom from financial anxiety. You can do the same. Learn how Erin and her family saved enough money to put \$30,000 down on a home, buy a minivan in cash, and begin sending their daughter to private Christian school. *More Than Just Making It* will encourage you to rise above your circumstances, empower you with money-saving tips, and reimagine the good life as God designed it outside the myth of the American Dream.

The intelligence of *The Road to Wealth* meets the attention-grabbing headline of *The Surrendered Wife* in this originally self-published success story. An increasing number of parents are deciding that they would rather have one parent at home raising—and perhaps even homeschooling—their

children. Joanne Watson knew she wanted to stay at home, but she and her husband didn't think they could afford it. But with a lot of hard work and research, she helped her husband triple his income, allowing her to stay at home and raise their children. In *HOW TO HELP YOUR HUSBAND MAKE MORE MONEY SO YOU CAN BE A STAY-ATHOME MOM*, the author shares the techniques and secrets she used to help her husband make more money. Providing information on how a wife can help her husband boost his income —by getting a raise, finding a better paying job, building a business of his own, or making the one he has a success—this is the guide book for those women dreaming of being a stay-at-home mom.

Mom and Dad, We Need to Talk Penguin

Mom's Got Money is a mother's guide—an instruction manual to help them use the skills they already possess to become extraordinarily confident managers of their money. Alford won't pretend mothers don't have a lot on their plate. She already knows they're pressed for time. The weight of their daily decisions takes a toll. Sometimes, it feels like they manage everything, whether they have a supportive spouse or not. She knows this because it's that way in her house too. However,

we all have a choice on how to handle that responsibility, and Alford thinks we can flip the script. Instead of being frustrated or feeling resentful, Alford teaches moms how to recognize their own strengths and develop true financial confidence. Once readers master Alford's money lessons, they'll start to truly enjoy money. Vacations are more fun when they're already planned and paid for. Christmas shopping is a breeze when you have a fully funded holiday spending account. Never worry about the worst that can happen because you have a fully funded emergency fund and life insurance. Feel in control of your bills, caught up, and with room to spare. In this book, you'll learn how to: Become an exceptional leader of your family with a growth mindset Calculate your net worth Effectively budget and manage your household cash flow Work with your spouse or partner on financial goals Understand what impacts your credit score Ensure you pay all your bills on time, every time Make sure you plan for emergencies Protect your family by buying term life insurance Do the math on childcare costs vs. career costs when having a family Plan and save for holiday spending, birthdays, and special events Learn the art and joy of giving Ideal for moms everywhere, but especially new and millennial moms, *Mom's Got Money* is an indispensable guide to taking financial control of your life.

Suze Orman has transformed the concept of personal finance for millions by teaching us how to gain control of our money -- so that money does not control us. She goes beyond the nuts and bolts of managing money to explore the psychological, even spiritual power money has in our lives. *The 9 Steps to Financial Freedom* is the first personal finance book that gives you not only the knowledge of how to handle money, but also the will to break through all the barriers that hold you back. Combining real-life recommendations with the motivation to overcome financial anxieties, Suze Orman offers the keys to providing for yourself and your family, including: * seeing how your past holds the key to your financial future * facing your fears and creating new truths * trusting yourself more than you trust others * being open to receiving all that you are meant to have * understanding the lessons of the money cycle *The 9 Steps to Financial Freedom* is useful advice and inspiration from the leading voice in personal finance. As Orman shows, managing money is far more than a matter of balancing your checkbook or picking the right investments. It's about redefining financial freedom -- and realizing that you are worth far more than your money.

Stay-At-Home MOM\$ MAKING MONEY Simon and Schuster

Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate

dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

Your guide to the emotions of pregnancy and early motherhood, from two of America's top reproductive psychiatrists. When you are pregnant, you get plenty of advice about your growing body and developing baby. Yet so much about motherhood happens in your head. What everyone really wants to know: Is this normal? -Even after months of trying, is it normal to panic after finding out you're pregnant? -Is it normal not to feel love at first sight for your baby? -Is it normal to fight with your parents and partner? -Is it normal to feel like a breastfeeding failure? -Is it normal to be zonked by "mommy brain?" In *What No One Tells You*, two of America's top reproductive psychiatrists reassure you that the answer is yes. With thirty years of combined experience counseling new and expectant mothers, they provide a psychological and hormonal backstory to the complicated emotions that women experience, and show why it's natural for "matrescence"—the birth of a mother—to be as stressful and transformative a period as adolescence. Here, finally, is the first-ever practical guide to help new mothers feel less guilt and more self-esteem, less isolation and more kinship, less resentment and more intimacy, less exhaustion and more pleasure, and learn other tips to navigate the ups and downs of this exciting, demanding time

Motherhood doesn't have to mean losing yourself . . . Most moms are grateful they make the choice to be a stay-at-home mom (SAHM), but after a couple of years, they may feel like they're losing their mind. The alternative is going back to work, but that doesn't seem right either. Flex mom is for mothers who want a third model of motherhood, somewhere between stay-at-home mom and working mom. This third way is to be the primary caregiver for their children while deliberately creating a path that fuels their passions - leaving them fulfilled and confident. Described as a melting pot of positive psychology and coaching, with the humor and honesty of Anne Lamott's Bird by Bird, Flex Mom helps moms make the fleeting childrearing years their best yet.

As seen on CNBC's Follow the Leader "Farnoosh's ground-breaking book will save more relationships than couples counseling ever could." —Barbara Stanny, author of Secrets of Six-Figure Women Today, a record number of women are their household's top-earner. But if you're that woman, you face a much higher risk of burnout, infidelity, and divorce. In this important and timely book, personal finance expert Farnoosh Torabi candidly addresses how income imbalances affect relationships and family dynamics, and presents a bold strategy to achieving happiness at work and home. Torabi's ten essential rules include: • Buy Yourself a Wife: Outsource as many household tasks as possible to bring more peace and happiness to both your lives • Don't Assume a Mr. Mom is Best: The math might say he should quit his job, but doing so can be dangerous. • Understand the Male Brain: Know how men think and what motivates their behavior to communicate effectively, share responsibilities, and avoid power struggles in your relationship.
