The Parent's

Guide to Oppositional Defiant Disorder
 Penguin
 Does your child kick and scream when he doesn't get his way? Have meal times and running errands become emotional battles? The *Everything Parent's Guide to Tantrums* is your authoritative handbook to understanding what causes your child to have tantrums and which measures you can take to combat their occurrence.
 Author Joni

Levine helps you:
 Understand your child's temperament
 Identify external influences that trigger tantrums
 Avoid responding emotionally to an outburst
 Use effective methods for calming your child
 Deal with tantrums in public
 Filled with realistic advice and practical tips,
 The *Everything Parent's Guide to Tantrums* is your key to a happy, well-adjusted child and peace at home-and

elsewhere.
The Everything Parent's Guide To Raising Siblings
 Familius
 The *Parent's Guide to Eating Disorders* shows that effective solutions begin at home and cost little more than a healthy investment of time, effort, and love.
 Based on exciting new research, it differs from similar books in several key ways. Instead of concentrating on the grim,

expensive hospital stays of patients with severe disorders, the authors focus on the family, teaching parents how to examine and understand their family's approach to food and body-image issues and its effect their child's behavior. Parents learn to identify an eating disorder early, to establish healthy attitudes toward food at a young age, and to intervene in a nonthreatenin

g, nonjudgmental way. The authors concentrate on teens, the age group most often affected by eating disorders, as well as younger children. Individual chapters cover boys at risk, relapse training, dealing with friends, school, and summer camp, and much more. The book includes an appendix and sections on further reading, organizations

and websites, residential and hospital programs, and references.

The Everything Parent's Guide To Tantrums
Simon and Schuster
If your kids aren't learning about sex from you, what are they learning about sex, and who is teaching them? Having "the talk" with your child does not have to be a terrifying and awkward event. Armed with Dr. Janet Rosenzweig's groundbreaking book, you may find you

never need to have “the talk.” Dr. Rosenzweig illustrates how you can help protect your children from sexual abuse, trauma, and bullying through your everyday interactions with them. She walks you through the steps you can take to combine your own family’s values with age-appropriate information for children at all stages of development. And you’ll learn how to do so in a way that will

improve the trust and communication between you and your child. Dr. Rosenzweig applies her decades of experience in child abuse prevention, sexuality education, and family services to help you identify the real threats to your children’s safety and to protect them from becoming victims of sexual misinformation or exploitation. From choosing a child’s first daycare to

meeting the multimedia challenges of adolescence, *The Parent’s Guide to Talking About Sex* will coach you to raise sexually safe and healthy sons and daughters. *The Everything Parent’s Guide To Positive Discipline* Simon and Schuster How does technology impact kids’ mental health and physical well-being? his or her parents, yet most parents spend very little time considering how to strategically mentor their teenagers towards spiritual maturity. In *A Parent's Guide for Raising Spiritually Mature Teenagers*, author Greg Grimwood equips parents with practical and easy-to-implement strategies for helping your teenagers grow into godly young adults. *The Parent's*

Guide to Talking About Sex Simon and Schuster Raising a boy poses unique challenges. This entertaining and informative user's manual will help you work with your son to prepare him for school. Abigail James's experiences as a teacher, mother of a son, and lifelong learner confirm her belief that parents want to give their children the best preparation for life they

possibly can. If you have a son—or know someone who's raising a boy—here's the book you've been looking for. Its clear, practical advice will guide you through preparing your child for school and for life. Packed with activities you can implement immediately, humorous examples you'll remember forever, and wisdom Abigail has acquired in the trenches, *The Parents' Guide to Boys*

is a book you'll quote often and go back to again and again. No matter whether your son is eight months or eighteen years old, Abigail has tips for giving him a great head start, keeping him engaged in the classroom, and creating a happy, self-sufficient young man.

The Everything Parent's Guide to Raising Mindful Children

Simon and Schuster
 Help your child learn self-discipline, cooperation, and responsibility!
 When a child misbehaves, the situation can quickly escalate into an uphill battle of yelling, tears, and resistance--on both sides.
 But what if you could avoid all that?
 Conscious

parenting is about being present with your child and taking the time to understand the reasons and motivations behind behaviors.
 This relationship-centered approach means that you respect your child's point of view as you both learn how to create a mutually-beneficially set of behavioral rules. By practicing this mindful method, you can support

your child emotionally and help nurture important social development. Parent coach Jennifer Costa teaches you how to: Communicate openly with your child about proper behavior Build a supportive home environment Determine your child's behavioral triggers Learn strategies that will help your child feel calm Teach your child long-term coping skills Discipline your child without

embracing anger With *The Conscious Parent's Guide to Positive Discipline*, you will learn to create a calm and mindful atmosphere for the whole family, while helping your child feel competent, successful, and healthy.

Autism: Parents' Guide to Autism Spectrum Disorder: autism books for children

Simon and Schuster Offers strategies for safe, fun hiking,

backpacking, cycling, canoeing, and camping, and discusses family adventure gear, campsite fundamentals, age-specific activities, and related topics. *The Conscious Parent's Guide To ADHD* Simon and Schuster A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

A Parent's Guide for Raising Spiritually Mature Teenagers
Macmillan

A child talks back to her mother. A teenager starts slamming doors and giving dirty looks. A naughty toddler seems to enjoy the negative response he gets from his exhausted parents. When misbehaviors begin, they can quickly escalate into an uphill battle of yelling, tears, and resistance--on both sides. This guide is a reassuring and realistic resource for parents

struggling to find a positive balance with their kids, featuring guidance on how to: Set priorities for children of any age Open the lines of communication both ways Enforce punishments that teach rather than torture Work successfully with your partner Cultivate an environment of mutual respect With short takeaways at the conclusion of each chapter, this guide is the only resource

you need to cope with behavior issues and raise a well-behaved child! [A Parent's Guide to Helping Teenagers in Crisis](#) Greenleaf Book Group Dealing with defiant children can be frustrating, time-consuming, and emotionally exhausting for parents and kids alike. But with this practical, reassuring handbook, you no longer have to feel helpless. You'll learn how to

defuse the negativity, hostility, antagonism, and explosive anger that can ruin your child's relationships with family, friends, teachers, and other authority figures. This book helps you to: Choose which battles to fight Follow thorough Be consistent Communicate clear expectations and consequences (without yelling) Give your child some power over his life

Reinforce positive changes Most important, you'll learn why defiance happens and how to react when it does. You will adopt the parenting and anger-management skills you need to make a real difference in your child's life. You'll help your child control his emotions--and grow up to be healthy, well-rounded adult. **The Parent's Guide to Self-Harm** Simon and Schuster For use in schools and libraries only.

Annabel Andrews learns about adult responsibilities when she awakens one morning to find that she has turned into her mother **The Smart Parent's Guide** David C Cook If your child has been diagnosed with sensory processing disorder (SPD), you understand how simple, everyday tasks can become a struggle. With **The Everything Parent's Guide**

to Sensory Processing Disorder, you can help your child learn how to reduce stress and minimize the symptoms of SPD. In this all-in-one guide, Terri Mauro provides all the information you need regarding SPD, including: An in-depth definition of SPD and its effects. The newest treatments, therapies, and diets. Techniques for use outside of the therapist's office. The

latest research on physical causes of SPD. Advice for coping at school, home, and play. Your child deserves to live a life free of the difficulties SPD can bring. The Everything Parent's Guide to Sensory Processing Disorder gives you professional advice to help your child to manage sensory needs and feel calmer, happier, and in control, now and in the future. The Go-To

Mom's Parents' Guide to Emotion Coaching Young Children Simon and Schuster The Everything Parent's Guide to Positive Discipline gives you all you need to help you cope with behavior issues, both large and small. Written by noted psychologist Dr. Carl E. Pickhardt, this authoritative, practical book provides you with professional advice on dealing with everything

from getting your kids to do their homework to teaching them to respect their elders. The Everything Parent's Guide to Positive Discipline shows you how to: - Set priorities; - Promote communication; - Establish the connection between choice and consequence; - Enforce punishment; - Change discipline style to reflect the age of the child; - Work with your partner as a

team. The Everything Parent's Guide to Positive Discipline is guaranteed to help you keep the peace, and raise a well-behaved child in any home!

The Conscious Parent's Guide to Autism Simon and Schuster Does your young daughter talk endlessly about invisible friends, dragons in the basement, and monsters in the closet? Is your teenager about to start high school or

being victimized by bullies? Is your son mortally afraid of certain insects or of injections at the doctor's office? Compiled by two seasoned clinical psychologists, The Parents' Guide to Psychological First Aid brings together articles by recognized experts who provide you with the information you need to help your child navigate the many trying problems that typically afflict

young people. Written in an engaging style, this book offers sage advice on a raft of everyday problems that have psychological solutions. The contributors cover such topics as body image and physical appearance; cigarettes, drugs, and alcohol; overeating and obesity; dental visits; the birth of a sibling and sibling rivalries; temper tantrums; fostering self-esteem;

shyness and social anxiety; and much more. Each expert article provides an overview of the issues, offers reassurance for minor problems and strategies for crisis management, and discusses the red flags that indicate that professional help is needed. In addition, the book is organized into various categories to make it easier to find information. For instance, the "Family

Issues" section includes articles on Blended Families, Divorce, and Traveling; the "Adolescent Issues" section covers such topics as Dating and Driving; and the "Social/Peer Issues" section explores such subjects as "Sportsmanship," "Homesickness," and "Making Friends." An encyclopedic reference for parents concerned with maintaining

the mental health of their children, this indispensable volume will help you help your child to deal effectively with stress and pressure, to cope with everyday challenges, and to rebound from disappointments, mistakes, trauma, and adversity.

The Everything Parent's Guide To Children With Juvenile Diabetes
Tilcan Group Limited
Developmental delays affect millions of children each

year, and often go undetected until an alert and caring parent recognizes there's a problem. In *A Parent's Guide to Developmental Delays, special education expert and consultant Laurie LeComer, M.Ed.,* provides essential information for any parent with a child who might have cognitive, physical, or emotional delays. Easy to understand,

reassuring, and up-to-date, the book covers everything concerned parents need to know. Using real-life examples and case studies along with checklists, exercises, and other hands-on advice, the book covers a range of delays and disorders that include autism, ADHD, learning disabilities, Sensory Processing Disorder, aggressive behavior, and motor-control problems. Topics

| | | |
|--|--|--|
| include: | progress | what to do for |
| Spotting the "red flags" of delayed development, for every age group | Understanding your rights and making the most of every available resource | the best? Do you need more information and help? If so, this is the book for you. |
| Identifying your child's specific challenges | Trusting your instincts in order to help your child learn, develop, and thrive | An ever-increasing number of young people are turning to self-harm in order to cope with the pressures of modern living, and this poses a huge problem for parents and others who care for them. |
| Acting swiftly in order to gain the advantages of early intervention | <i>The Everything Parent's Guide to Sensory Processing Disorder</i> | This book provides the answers you need to questions such as: - How do I know for sure whether |
| Getting a diagnosis and treatment plan that fits your child's needs | Familius | |
| Working with teachers, health professionals, and specialists for maximum results | The first book on self-harm written for parents by parents. Are you concerned that your child may be self-harming? Are you wondering | |
| Tracking your child's | | |

my child is self-harming? - How should I approach my child? - What help and treatment is available to us? - What can I do to help my child? - How have other parents coped? Full of the real-life experiences of other parents who have been there, this is a practical book that will both inform and equip you to help your child and yourself through this difficult time. Simon and Schuster Fights at school, sexual

abuse, eating disorders, school crises ... the list goes on and on. This practical resource covers the whole continuum of private and public crisis, equipping parents to work with their junior high or high schoolers to deal with any crisis in a way that helps the individual and helps the family stay intact.

A Parent's Guide to Asperger Syndrome and High-Functioning Autism, First

Edition Lion Books
A positive, mindful plan for children and parents in transition! If you're facing the challenge of raising children in two homes, you may be feeling overwhelmed and unsure of how to build a healthy coparenting relationship. With *The Conscious Parent's Guide to Coparenting*, you'll learn how to take a relationship-centered approach to parenting, foster

forgiveness, and find constructive ways to move on when relationships change. Coparenting means putting your child's needs first. And conscious parenting acknowledges a child's thoughts, feelings, and needs, as well as a parent's responsibility to them. This easy-to-use handbook helps you to: Build a coparenting relationship

based on mutual respect Lower stress levels for the entire family Communicate openly with children about divorce Discuss and reach parenting decisions together Protect children, meet their needs, and help them build resilience Educate your family and friends about coparenting The concept of

ending a marriage peacefully, with compassion and respect for former partners, is often viewed with surprise in modern society. But choosing to consciously coparent is an important choice you can make for yourself and your children--one that will benefit the emotional health of your family for years to come.
