In a small Virginia town, outside a mysterious government facility, four homeschooled teenagers investigate a series of murders and other crimes while wrestling with challenges of faith, family, and the transition from childhood to adulthood. A tragic explosion devastates the town of Steven's Mill, Virginia. Was it an accident, or was it part of a larger plot to take over the town and shut down the work going on at the secret command center? This first adventure in the "Mount Hideaway Mysteries" series of books and movies sets the stage for all the action and intrigue that awaits, and as the prequel to the popular movie "Mount Hideaway Mysteries: Exes and Oh No's." With gripping

drama and entertainment from a faith-based perspective, the story's characters wrestle with tragedy, danger, and mystery while also pursuing relationships with God.

Alice has a nose for trouble, but luckily she's a fairy--a Temporary Fairy. She has a magic wand, fairy wings, and a blanket, all of which she uses to disappear, to fly, to transform her dad into a horse, and to turn his cookies into her own! There are still a few things Alice needs to learn to become a Permanent Fairy, like how to float her dog on the ceiling and make her clothes put themselves away, but she's working on it--sort of. Here's an endearing, funny story about a girl and her magical imagination, sure to delight every fairy in training!
