NOBLE GUERRA

Leonard Maltin's 2009 Movie Guide Lulu.com

Who was the greatest hero of Ancient Greece? Who killed the most monsters? Who rescued the most damsels in distress? Who was the coolest dude in sandals? Listen to the heroes themselves as they tell the stories of their adventures and decide for yourself who was the most HEROIC HERO!

Dicite, Pierides University of Pittsburgh Pre

From the moment that *WaterShip Down* made its appearance on screen in season one, speculation about *Lost*'s literary allusions has played an important role in the larger discussion of the show. Fans and critics alike have noted the many references, from biblical passages and children's stories to science fiction and classic novels. *Literary Lost* teases out the critical significance of these featured books, demonstrating how literature has served to enhance the meaning of the show. It provides a fuller understanding of *Lost* and reveals how television can be used as a tool for stimulating a deeper interest in literary texts. The first chapter features an exhaustive list of "Lost books," including the show's predecessor texts. Subsequent chapters are arranged thematically, covering topics from free will and the nature of time to parenthood and group dynamics. From Lewis Carroll's creations, which appear as recurring images and themes throughout, to *Slaughterhouse-Five*'s lessons on the nature of time, *Literary Lost* will help readers unravel the show's novelistic plot while celebrating its astonishing layers and nuances of text. Storytelling is an ancient practice known in all civilizations throughout history. Characters, tales, techniques, oral traditions, motifs, and tale types transcend individual cultures - elements and names change, but the stories are remarkably similar with each rendition, highlighting the values and concerns of the host culture. Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions. "Storytelling: An Encyclopedia of Mythology and Folklore" brings past and present cultures of the world to life through their stories, oral traditions, and performance styles. It combines folklore and mythology, traditional arts, history, literature, and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression. This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions.  By Zeus, it's Athena, Hera, Hades, Poseidon, and Aphrodite! This sturdy boxed set includes paperback editions of the first six

Olympians books by multiple New York Times-bestselling author/illustrator George O'Connor. Holy Hera, it's got a free poster! Collectors will adore this package, with lots of new artwork and the complete Olympians family tree on the free poster. Plus, the boxed set is also a great way for classrooms to get all six books at once. Aphrodite Almighty, what a value! [Gamayun Tales I](#) Routledge

Recounts the story of Perseus as he goes on a quest to recover his child, abducted by the seductive sorceress Circe. *Greek Gods, Human Lives* Mitchell Lane Publishers, Inc.
 Akshay Dev, the most suitable boy and heir of Apex Industries accepts the proposal of a girl from a lower middle class background, Tara, in their first meeting. Their marriage results in strange reactions from people around them, causing the revealing of the darkest truths hidden in their closets. Was it jealousy? Hate? Or something else? Will Akshay's and Tara's marriage sustain the pressure of these revelations? Will Tara be able to trust her husband again? Will Akshay save his marriage and his brother's future? The tale vividly describes the various shades of human nature, so powerful and moving that at the end of the day you would be a changed person... For life... For good!

The Evolution Cambridge Scholars Publishing

The ancient Greeks believed monsters lurked on land, underwater, in the sky, and below Earth's surface in the Underworld. Many tales tell of the Greek heroes who faced them. Plays, poems, paintings, and sculptures commemorating these tales have survived for centuries—and artists in all genres include them in their works. One of ancient mythology's most horrible monsters was a fire-breathing lion with a snake for a tail and a goat's head rising from the middle of her back. The Chimaera wreaked havoc in her native land by snatching up and eating livestock and people. It wasn't until a young warrior named Bellerophon tamed another creature born from a monster—a huge flying horse—that this three-headed beast could be stopped. Read a version of the Chimaera myth, and learn a little about how this wild and unlikely story might have come to be.

Wrath of the Titans Bluewater Productions

Offers readers a comprehensive reference to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features.

Text & Presentation is an annual publication devoted to all aspects of theatre scholarship. It represents a selection of the best research presented at the international and interdisciplinary Comparative Drama Conference.

Tashi and the Phoenix Bloomsbury Publishing

Jeremy should be at home eating his supper. Instead he has traveled through time with a cat named Aristotle to Mount

Olympus, home of the Greek gods. Neither he nor Aristotle has any idea how to get home, let alone how to help Mr. Magnus lift Zeus's curse on his theater, where no play has been performed for years. Not knowing what else to do, Jeremy and Aristotle climb toward the summit, finding adventure all the way.

The Chimaera Notion Press

In a dramatically original analysis, Jackie DiSalvo explores Blake's reworking of *Genesis* and *Paradise Lost* in his prophetic poem *The Four Zoas*, creating a compelling new reading of both Milton and Blake. With informed argument and provocative insights, DiSalvo shows how Blake's view of history prefigures the reevaluation of our own myths of origin prompted by new political, psychological, and feminist perspectives.

We the Animals Blockbusters and the Ancient World

Achilles was a powerful Greek warrior and hero famed for his swift-footedness. His mother, the sea goddess Thetis, tried to make him immortal, but one spot on his heel was vulnerable. His role in the Trojan War was the center of Homer's *The Iliad* in fact, and it was prophesied that the Greeks couldn't win the war without him. Once he arrived, however, his wrath began to take over. This brave and confident warrior let pride and a hot temper get in his way, and it led to tragedy. Read how the great hero had great decisions to make, and how his anger often blinded him from wiser choices.

Gods, Titans and Monsters Graphic Universe

Enter a world of magic and adventure in this stunning series based on traditional Russian folklore. Collected into a beautiful new paperback edition for the first time! Alexander Utkin's *Gamayun Tales* are fresh and modern adaptations of familiar Russian folktales, teamed with bold and beautiful illustrations that take inspiration from classical mid-century Disney animation. Jam-packed with stories of magical quests and talking animals, golden chests that turn into palaces and encounters with terrifying Water Spirits, there's no end to the adventure in these books! A great introduction to Slavic folklore for kids who have already read everything on Egyptian and Greek mythology.

Tales of the ancient Greek world—populated by monsters, gods and mortals—have been with us for millennia. But you've never heard these mythological tales told quite like this. In this collection you will find the familiar woven into the unexpected as the myths of Medusa, Prometheus and the Muse Calliope are retold in fresh, bold ways. In *Soul of Stone*, Panacea—a young Amazon warrior with a talent for potions—pits herself against a she-monster known as the Soul of Stone who has been turning people into statues for centuries. Panacea wants revenge for her brother ... but what is she willing to sacrifice to get it? In *Bringer of Fire* we get to know Zid as he risks his own life to find a way to fight the gods' treachery and overcome his fear of the ancient

demon who is chained to a rock in the Caucasus Mountains. He must choose between friendship and freedom as his actions set him against the most powerful of the Olympian gods: Zeus himself. And in *Muse of Avalon* we meet Calliope as she flees from burning Greece, heading north to a barbarian land the natives call Britain. We join her as she struggles to help the inhabitants prosper by giving them a symbol of strength and justice. Can a sword in the stone help her find the pure-hearted leader who will give Britain its much-needed peace, or will she fail in her mission and see the country succumb to blood and anarchy? This collection captures the soul of these famous myths, while its darkly complex mashup of myth and reality leaves us reflecting on what it really means to be human.

Insightful and fun, this new guide to an ancient mythology explains why the Greek gods and goddesses are still so captivating to us, revisiting the work of Homer, Ovid, Virgil, and Shakespeare in search of the essence of these stories. (Mythology & Folklore)

Zeus National Geographic Books

A family builds its empire in books four through six of an American historical epic from the #1 New York Times–bestselling author of *North and South*. This multigenerational saga follows the Kent family in their pursuit of a better future in the expanding

United States amid deceit, passion, and violence. From the brutal Battle of the Alamo to the bloody Civil War, their fate is intertwined with the course of American history in these three volumes of the series. *The Furies*: Spanning from 1836 to 1852, the fourth Kent Family novel opens with Amanda Kent just escaping the massacre at the Alamo. Brazen and focused, she works to make a new life for herself during the California Gold Rush, and she's willing to risk everything to restore her family's name . . . *The Titans*: In the hellish years of the Civil War, while the nation struggles with its identity, the Kent family fights greed and hatred. In New York, devious Louis Kent controls the family dynasty—now on the verge of collapse. Meanwhile, his cousin Jephtha Kent backs the abolitionist cause even though it may cost him his sons . . . *The Warriors*: With the advent of the transcontinental railroad, the Kents continue to fight for their place among America's wealthy. Temptation beckons young Jeremiah Kent as a Southern belle lures him into a trap of lust, lies, and murder. The nation may be facing a rebirth, but that doesn't mean all survive . . .

Titans Simon and Schuster

Perseus, with help from his mechanical owl Bubo, faces the Cyclops in order to bring peace to a village.

[The Dreadful Fate of Jonathan York](#) Orbit

Uncle Tiki Pu is in terrible trouble with the War Lord, and Tashi must rely on the help of a phoenix, a beautiful creature with eyes

of crystal and tail feathers of gold, to save him and his family. Then Princess Sarashina's sister is told she must marry a man who is sneaky and cruel instead of the good, kind Cha Ming who loves her best of all. How will Tashi persuade the powerful emperor to change his mind? It takes more than courage to deal with warlords and emperors, but Tashi always has a clever idea and something useful in his pocket.

Perseus Penguin

This volume presents essays written in honour of Stratis Kyriakidis, Emeritus Professor of Latin Literature at the Aristotle University of Thessaloniki, Greece. It offers a rich assortment of scholarship on classical literature, ranging from Homeric epic, and the tradition of ecphrasis it spawned in a number of genres, to 17th-century English translations of Virgil's *Aeneid*. The collection is divided into two sections, the first on Greek literature, and the second on Latin literature. The sixteen chapters within offer fresh insights and thoughtful readings of a variety of works of classical literature, as well-known as the *Iliad* and the *Aeneid* and as exotic as the epigrams of Geminus.

[Those That Cause Fear](#) Bloomsbury Publishing USA

In graphic novel format, retells the story of how King Polydectes planned to get rid of young Perseus so he could wed his mother, Danae, by tricking him into slaying Medusa—a snake-haired monster whose look turns humans into stone.
