This fast-paced tour through the Gospel of Mark from bestselling authors Kay Arthur and Pete De Lacy matches Mark's own action-packed, no-nonsense style. The briefest of the four Gospels, Mark includes fewer long discourses than the others and focuses on Jesus' demonstrations of His power and authority. In this inductive study, readers will see that Jesus' miracles show the world His dominion over every aspect of human experience that has been touched by the effects of sin, including sickness and infirmity, spiritual darkness, dead religion, threats from

nature, and even death itself. As readers practice finding and marking key works, listing what Mark has to say about important topics, cross-referencing other passages of Scriptures, and determining chapter themes, they will discover for themselves this New Testament book's unique emphasis.

Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you

feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how

closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

**Lord, Teach Me to Study the Bible in 28 Days** Harvest House Publishers

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself,

face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story.

Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. [Inductive Bible Study](#) New Paradigm Pub. Do you want to know God more intimately? Do you desire to “get

By embracing a few simple techniques and committing to be a student of the Word, *Stop Reading, Start Studying: Inductive Bible Study Explained* will move you from simply reading the Word of God to allowing the Bible to completely transform your life.
