Patty Session's 1847 Mormon Trail diary has been widely quoted and excerpted, but her complete diaries chronicling the first decades of Mormon settlement at Salt Lake City have never before been published. They provide a detailed record of early Mormon community life from Illinois to

Utah through the eyes of Mormondom's most famous midwife. They also recount her important role in women's social networks and her contributions to community health and Utah's economy, to pioneer education and horticulture. Patty Sessions assisted at the births of hundreds of early Mormons and first-generation Utahns, meticulously recording the events. Shed had an active role in the founding of the Relief Society and health organizations. She spoke in tongues and administered spiritually as well as medically to the ill. Her diaries are a rich resource for early Mormon and Utah history.

Lying on the border between eastern and western Christendom, Orthodox Karelia preserved its unique religious culture into the 19th and 20th centuries, when it was described and recorded by Finnish and Karelian folklore collectors. This colorful array of ritulas and beliefs involving nature spirits, saints, the dead, and pilgrimage to monasteries represented a unique fusion of official Church ritual and doctrine and pre-Christian ethnic folk belief. This book undertakes a fascinating exploration into many aspects of Orthodox Karelian ritual life: beliefs in supernatural forces, folk models of illness, body concepts, divination, holy icons, the role of the ritual specialist and healer, the divide between nature and culture, images of forest, the cult of the dead, and the popular image of monasteries and holy hermits. It will appeal to anyone interested in popular religion, the cognitive study of religion, ritual studies, medical anthropology, and the folk traditions and

symbolism of the Balto-Finnic peoples.

Excerpt from *Life of Ven; Padre Junipero Serra* To whom could I dedicate this book on the life of Father Junipero Serra more appropriately than to Your Grace, who for thirty-four years has held the Episcopal Staff? To-day, the thirtieth of June, 1884, Your Grace celebrates the thirty-fourth anniversary of your Consecration as Bishop, Your Grace was the first to bear the title of Bishop of Monterey. To you then belongs the dedication of these pages, consecrated to the memory of Padre Junipero Serra, who planted the Cross at Monterey, and who labored and died but a few miles from it in his Mission of Carmelo. Besides, as Your Grace has been Metropolitan of this Ecclesiastical Province since 1853, it is but just that on that account, without any reference to your many virtues and merits, which of themselves merit the distinction, I should thus dedicate my humble labors. Permit me therefore to offer you these pages as a token of affection and esteem. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. who left their poetry on stones, trees, farmhouses, and the walls of the monasteries they visited. Their poetry expressed in the simplest verse but in a completely new tone, the voice of ordinary people. Here premier translator J. P. Seaton takes a fresh look at these captivating poets, along with Wang Fan-chih, another "outsider" poet who lived a couple centuries later and who captured the poverty and gritty day-to-day reality of the common people of his time. Seaton's comprehensive introduction and notes throughout give a fascinating context to this vibrant collection.

The Compact Reference Series provides the same comprehensive coverage of key social issues in 27 44-88 page softcover volumes. Each volume in the Compact Series is written at a seventh-grade level enabling young researchers to easily understand data relevant to each issue. Volumes in the Compact Series can also be used for researchers at the high-school level who may not have the reading ability to understand materials written at a higher level. Nothing in the presentation of data or the volumes themselves indicate that these books are prepared for a younger audience allowing older students to use the volumes without feeling self-conscious. The Compact Series can also be used by people whose second language is English, providing a unique opportunity to learn about social issues without having to labor through resources written with fluent adult English-speaking users in mind. Volumes in the Compact Series are completely updated and revised every two to three years.

Childhood anxiety disorders represent one of the most common psychological disorders found among the general population. They can be serious, distressful, and functionally impairing, so much so that there has been an explosion of interest in their treatment, primarily from pharmacological and cognitive-behavioral perspectives. Addressing these perspectives is the Second Edition of *Child Anxiety Disorders*. Beidel and Alfano pay close attention to new pharmacological and psychological interventions as well as multi-center trials that compare single and combined treatment modalities. Additionally, they include new case studies, sections on stability of childhood fears and the longitudinal course of anxiety disorders, and a new chapter on sleep and anxiety disorders. Written on the cusp of newly published information and studies, *Child Anxiety Disorders* is relevant, informative, and indispensable.

**Belgium a Personal Narrative** Knopf Books for Young Readers

Written during a critical period of his life, *Some of the Dharma* is a key volume for understanding Kerouac and the spiritual underpinnings of his work While his future masterpiece, *On the Road*, languished on the desks of unresponsive editors, Kerouac turned to Buddhist practice, and in 1953 began compiling reading notes on the subject intended for his friend Allen Ginsberg. As Kerouac's Buddhist meditation practice intensified, what had begun as notes evolved into a vast and all-encompassing work of nonfiction into which he poured his life, incorporating poems, haiku, prayers, journal entries, meditations, fragments of letters, ideas about writing, overheard conversations, sketches, blues, and more. The final manuscript, completed in 1956, was as visually complex as the writing: each page was unique, typed in patterns and interlocking shapes. The elaborate form that Kerouac so painstakingly gave the book on his manual typewriter is re-created in this typeset facsimile. Passionate and playful, filled with humor, insight, sorrow, and struggle, *Some of the Dharma* is one of Kerouac's most profound and original works.
