*Lady Killer 2*  
John Joseph Adams  
The first book in English on Maruja Mallo, this volume is an insightful examination of the life and work of this seminal artist of the Spanish avant-garde.

Previously sidelined by a culture that treated women as "insider-outsiders" and by her own mythmaking, Mallo no longer can be viewed as simply a muse to famous counterparts such as Salvador Dal?nd Federico

Garc?Lorca; her role has been re-contextualized to demonstrate that she was a driving force in the flowering of Spanish culture through the 1920s and 1930s. The analysis of Mallo's unique life and extraordinary

art is set against the complicated social and political backdrop of interwar Madrid. This book highlights the struggle of Mallo and other women artists against the rampant misogyny of both Spanish culture and the avant-garde community of the time. The effects of the Spanish Civil War are also analyzed-in Mallo's case, Franco's victory forced her into exile in South America for

almost 30 years, with profound effects on her art and her life. Added to this rich context, the author's numerous interviews with members of the Mallo family provide essential new background material. Maruja Mallo and the Spanish Avant-Garde recasts this artist as a vital figure in the heretofore all-male establishment of the Spanish artistic vanguard. [Lupin. Jaque a la reina](#)

In 1848, an 18-year-old boy assumed the throne of Austria, one of the most powerful countries in Europe. He would be its last significant emperor, the only monarch to serve two countries, and the last cogent head of the prestigious Habsburg dynasty. Emperor Franz Joseph's reign was marked by revolutions, often fueled by rising liberalism and nationalism, and wars orchestrated

by conquering architects such as Napoleon, Metternich, and Bismarck. This book gives attention to these political and cultural events, but it is moreover a biography of Emperor Franz Joseph and his enigmatic wife, Empress Elisabeth. *In the Night Wood* Penguin UK  
Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In *Lamb to the Slaughter*,

Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . *Lamb to the Slaughter* is taken from the short story collection *Someone Like You*, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the

provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer )  
This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed

author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

el que surge un ardiente deseo entre ambos McFarland As Luffy and the Straw Hats battle it out with the Doflamingo family, we flash back to the childhood of Trafalgar Law. What made him the man he is today, and what is the cause of the grudge he bears against Doflamingo? -- VIZ Media *Lamb to the Slaughter (A Roald Dahl Short Story)* Vintage New in the acclaimed series—based

on the bestselling book by Mark Bowden, the new movie from acclaimed director Ridley Scott (Gladiator), and renowned producer Jerry Bruckheimer (Pearl Harbor) starring Josh Hartnett, coming from Revolution Studios and distributed by Columbia Pictures in January 2002. Based on actual events, *Black Hawk Down* is the heroic account of a group of elite US soldiers sent into

Mogadishu, Somalia in 1993 as part of a UN peacekeeping operation to quell the civil war and famine ravaging the country. Young Rangers and veteran Delta Force soldiers fight side by side against overwhelming odds. For eighteen harrowing hours, outnumbered and surrounded, tensions flare, friends are lost, alliances are formed and soldiers learn the true nature of war

and heroism. The cast also includes: Eric Bana, Ewan McGregor, Tom Sizemore, William Fichiner, and Sam Shepard. 20 b/w photos. credits. *Ibiza Bohemia* Harper Collins During the childhood years of Queen Elizabeth II, one of the most famous women who ever lived, a young governess helped shape her into the icon the world knows today. In 1933, twenty-two-year-old

Marion Crawford accepts the role of a lifetime, tutoring the little Princesses Elizabeth and Margaret Rose. Her one stipulation to their parents is that she bring some doses of normalcy into their sheltered and privileged lives. At Buckingham Palace, Windsor Castle and Balmoral, Marion defies stuffy protocol to take the princesses on tube trains, swimming at public baths,

and on joyful Christmas shopping trips at Woolworth's. From her ringside seat at the heart of the British monarchy she witnesses the trauma of the Abdication, the glamour of the Coronation, the onset of World War II. She steers the little princesses through it all, as close as a mother. As Hitler's planes fly over Windsor, she shelters her charges in the castle dungeons (not far from

where the Crown Jewels are hidden in a biscuit tin). Afterwards, she is present when Elizabeth first sets eyes on Philip, her future husband. But being beloved confidante to the Windsor family comes at huge personal cost. Marriage, children, her own views: all are compromised by proximity to royal glory. In this majestic story of love, sacrifice and allegiance, bestselling novelist

Holden brings to life the early years before Queen Elizabeth II became monarch. "This captivating page-turner whisks readers back in time to Buckingham Palace in 1933...A majestic story that delves into the incredible life of Queen Elizabeth II before she took her place on the throne."—Woman's World

Palais, Volez, Voguez, Voyagez — Louis Vuitton surveys the rich heritage and trajectory of the world's most recognizable luxury brand. Before its foray into the realm of luxe ready-to-wear and accessories, Louis Vuitton was known as pioneer in the field of leather goods, developing its diverse luggage line during the Industrial Revolution, a historic period which saw a ground-breaking

development in the means of travel and transportation . Louis Vuitton grew to be known as the fashion house that embodied the spirit of travel and quintessentially French elegance through its array of handcrafted artisanal wares. Edited by Olivier Saillard, the distinguished French curator of the *Volez, Voguez, Voyagez* — Louis Vuitton exhibition, this lavishly illustrated catalogue features new

and archival photography, original design sketches from the early 1900s, past and current advertising campaigns, images of ready-to-wear and luggage for modern celebrities, and detailed close-up imagery of the exhibition items including the first trunks from 1906, the “*Malles classiques*” trunks, cabin luggage, instrument suitcases, traveling accessories such as trench coats, leather

gloves, hat boxes, and elegant canes, delicate jewelry boxes, celebrity luggage, and much more. Split into nine themes to follow the structure of the exhibition, the book’s fascinating imagery is also accompanied by exploratory texts that weave themes of traveling lifestyle. Reflecting on Louis Vuitton’s celebrated past and present, *Volez, Voguez, Voyagez* — Louis Vuitton is an

ambitious volume that journeys through the evolution of travel and the French house's continually evolving design inspiration which continually walks the line between classic style and modernity.

A provocative memoir from Luis Buñuel, the Academy Award winning creator of some of modern cinema's most important films, from *Un Chien Andalou* to *The Discreet Charm of the Bourgeoisie*. Luis Buñuel's films have the power to

shock, inspire, and reinvent our world. Now, in a memoir that carries all the surrealism and subversion of his cinema, Buñuel turns his artistic gaze inward. In swift and generous prose, Buñuel traces the surprising contours of his life, from the Good Friday drumbeats of his childhood to the dreams that inspired his most famous films to his turbulent friendships with Federico García Lorca

and Salvador Dalí. His personal narratives also encompass the pressing political issues of his time, many of which still haunt us today—the specter of fascism, the culture wars, the nuclear bomb. Filled with film trivia, framed by Buñuel’s intellect and wit, this is essential reading for fans of cinema and for anyone who has ever wanted to see the world through a surrealist’s eyes.

Marie Antoinette

 Life at the court of Louis XVI and Marie Antoinette has long captivated readers, drawn by accounts of the intrigues and pageantry that came to such a sudden and unexpected end. Stefan Zweig's Marie Antoinette: The Portrait of an Average Woman is a dramatic account of the guillotine's

most famous victim, from the time when as a fourteen-year-old she took Versailles by storm, to her frustrations with her aloof husband, her passionate love affair with the Swedish Count von Fersen, and ultimately to the chaos of the French Revolution and the savagery of the Terror. An impassioned narrative, Zweig's biography focuses on the human emotions of the participants

and victims of the French Revolution, making it both an engrossingly compelling read and a sweeping and informative history.

 "Pope Joan has all the elements one wants in a historical drama—love, sex, violence, duplicity, and long-buried secrets. Cross has written an engaging book."—Los Angeles Times  
 Book Review  
 In this

international bestseller and basis for the 2009 movie of the same name, Donna Woolfolk Cross brings the Dark Ages to life in all their brutal splendor and shares the dramatic story of a woman whose strength of vision led her to defy the social restrictions of her day. For a thousand years her existence has been denied. She is the legend that will not die—Pope Joan, the ninth-century

woman who disguised herself as a man and rose to become the only female ever to sit on the throne of St. Peter. Now in this riveting novel, Cross paints a sweeping portrait of an unforgettable heroine who struggles against restrictions her soul cannot accept. Brilliant and talented, young Joan rebels against medieval social strictures forbidding women to learn. When her brother is

brutally killed during a Viking attack, Joan takes up his cloak—and his identity—and enters the monastery of Fulda. As Brother John Anglicus, Joan distinguishes herself as a great scholar and healer. Eventually, she is drawn to Rome, where she becomes enmeshed in a dangerous web of love, passion, and politics. Triumphant over appalling odds, she finally attains the highest office in

Christendom—wielding a power greater than any woman before or since. But such power always comes at a price . . . “Brings the savage ninth century vividly to life in all its alien richness. An enthralling, scholarly historical novel.”—Rebecca Fraser, author of *The Brontës*  
Instrumental  
 Penguin  
 A literary sensation and runaway bestseller, this brilliant debut novel tells with seamless authenticity and exquisite

lyricism the true confessions of one of Japan's most celebrated geisha. Nominated as one of America's best-loved novels by PBS's The Great American Read Speaking to us with the wisdom of age and in a voice at once haunting and startlingly immediate, Nitta Sayuri tells the story of her life as a geisha. It begins in a poor fishing village in 1929, when,

as a nine-year-old girl with unusual blue-gray eyes, she is taken from her home and sold into slavery to a renowned geisha house. We witness her transformation as she learns the rigorous arts of the geisha: dance and music; wearing kimono, elaborate makeup, and hair; pouring sake to reveal just a touch of inner wrist; competing with a jealous rival for men's solicitude and the money

that goes with it. In *Memoirs of a Geisha*, we enter a world where appearances are paramount; where a girl's virginity is auctioned to the highest bidder; where women are trained to beguile the most powerful men; and where love is scorned as illusion. It is a unique and triumphant work of fiction—at once romantic, erotic, suspenseful—and completely unforgettable.

**La emperatriz** North-Holland La novela imprescindible para los fans de Los Bridgerton, Outlander y The Crown. Una deslumbrante

reinterpretación del romance de Sisí. Es el año 1853, e Isabel "Sisí" de Baviera, de 16 años, ha sido muy clara: esperará el amor arrollador y arrebatador del que hablan los poetas, o no tendrá ningún amor. Que su hermana mayor, Elena, haya elegido la línea del deber y se esté preparando para casarse con el emperador Francisco José de Austria, no significa que Sisí tenga que

someterse también a una existencia tan desprovista de pasión y de regimiento. Mientras tanto, en Austria, el Emperador se recupera de un intento de asesinato que lo dejó herido y asustado. En un intento de mantener la paz, Francisco José se ha comprometido con sus deberes imperiales y ha prometido un romance con la flexible princesa de Baviera, Elena, en su próxima celebración de cumpleaños.

¿Qué mejor manera de unir al país? Pero cuando Sisí y Francisco José se encuentran inesperadamente en los jardines de palacio, lejos de las miradas indiscretas y las críticas implacables de sus familias, su conexión no puede negarse. Y cuando sus conversaciones	s ilícitas se convierten en algo más, pronto deberán elegir entre las expectativas de la corte y los ardientes deseos de sus corazones... <i>Maruja Mallo and the Spanish Avant-Garde</i> Macmillan From the bestselling author of WARRIOR OF ROME comes	the first book in a new series set in third century Rome, a dramatic era of murder, coup, counter-rebellions and civil war. <i>The Royal Governess</i> Intellect Books The volume has its origins in a conference held at the University of Manchester in 2008 -- Page v.
