The blogger behind the Saveur award-winning blog The First Mess shares her eagerly anticipated debut cookbook, featuring more than 125 beautifully prepared seasonal whole-food recipes. Home cooks head to The First Mess for Laura Wright's simple-to-prepare seasonal vegan recipes but stay for her beautiful photographs and enchanting storytelling. In her debut cookbook, Wright presents a visually stunning collection of heirloom-quality recipes highlighting the beauty of the seasons. Her 125 produce-forward recipes showcase the best each season has to offer and, as a whole, demonstrate that plant-based wellness is both accessible and delicious. Wright grew up working at her family's local food market and vegetable patch in southern Ontario, where fully stocked root cellars in the winter and armfuls of fresh produce in the spring and summer were the norm. After attending culinary school and working for one of Canada's original local food chefs, she launched The First Mess at the urging of her friends in order to share the delicious, no-fuss, healthy, seasonal meals she grew up eating, and she quickly attracted a large, international following. The First Mess Cookbook is filled with more of the exquisitely prepared whole-food recipes and Wright's signature transporting, magical photography. With recipes for every meal of the day, such as Fluffy Whole Grain Pancakes, Romanesco

Confetti Salad with Meyer Lemon Dressing, Roasted Eggplant and Olive Bolognese, and desserts such as Earl Grey and Vanilla Bean Tiramisu, The First Mess Cookbook is a must-have for any home cook looking to prepare nourishing plant-based meals with the best the seasons have to offer.

If you love to eat Thai food, but don't know how to cook it, Kris Yenbamroong wants to solve your problems. His brash style of spicy, sharp Thai party food is created, in part, by stripping down traditional recipes to wring maximum flavor out of minimum hassle. Whether it's a scorching hot crispy rice salad, lush coconut curries, or a wok-seared pad Thai, it's all about demystifying the universe of Thai flavors to make them work in your life. Kris is the chef of Night + Market, and this cookbook is the story of his journey from the Thai-American restaurant classics he grew eating at his family's restaurant, to the rural cooking of Northern Thailand he fell for traveling the countryside. But it's also a story about how he came to question what authenticity really means, and how his passion for grilled meats, fried chicken, tacos, sushi, wine and good living morphed into an L.A. Thai restaurant with a style all its own.
