Macbeth is a powerful Scottish thane (lord), a brave general and a cousin of King Duncan. But this is not enough for him. When three witches tell Macbeth that he will be king of Scotland, he thinks about making it come true - by killing

Duncan. His conscience prevents him, until his wife persuades him to do it. He becomes king, and finds it is easier to get power than keep it. The witches show him visions that make him believe he can't be beaten, even though he makes more and more enemies... Then the visions come true, in a way he doesn't expect.

This classroom guide for Macbeth provides numerous activities designed to foster student engagement, learning, and a meaningful connection to literature. It is the perfect companion to introducing Macbeth in any classroom! Contained in this book are sample activities on annotating, close reading, outlining, essay prompts and essential questions. and focus on citing evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and certified educator, these activities guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with the information they gather, as they seek a deeper understanding of the text. If you read it, write it, and reflect on it, you will learn it! Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class.
