Renewing Your Mind Zondervan

This work entitled, "Directions for the Private Reading of the Scriptures" was an admired work in his day. Byfield compiled an exquisite outline set to the number of the chapters assigned for reading the Bible every day in order to finish it in one year. He also gives the order and drift of each book of the Bible and methodically sets down key ideas and concepts. Finally, he has an entire section devoted, in a workbook style, to studying the Scriptures on key passages and subjects that will help Christians become aware of crucial points of religion throughout the Bible. This is an extremely practical work for Christians of all ages to help them fall in love with God's word. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox

doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel's story than we pay to Daniel's God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted.

In this revised edition of his classic, R. C. Sproul helps us dig out the meaning of Scripture for ourselves. He presents a commonsense approach to studying Scripture and gives eleven practical guidelines for biblical interpretation and applying what we learn. He lays the groundwork by discussing why we should study the Bible and how our own personal study relates to interpretation.

The book of Galatians is one of the apostle Paul's most impassioned and eloquent letters. It warns Christians of the dangers of both legalism and lawlessness, while calling them to live lives that are shaped by the gospel. In this study, pastor Geoff Ziegler walks readers through the promises, warnings, and gospel declarations found in Galatians. Both accessible and theologically robust, this study will help Christians find freedom in their identity as God's adopted children.

The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life-giving theology, revealing Jesus's identity as Israel's long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior.

Appointed to be a prophet before he was born, Jeremiah faithfully preached God's Word in the face of confusion, opposition, and persecution. When instructed, he brought the message of God's righteous judgment against sin to the nation of Israel, but not without reminding them of God's covenant faithfulness. In this 12-week study, Matthew Harmon highlights key biblical themes, clarifies crucial doctrines, and draws personal applications from the book of Jeremiah—reminding us of the truth that God's proclamation of judgment is always intended to spur his people to seek salvation in and through him.

The book of Ezekiel proclaims God's uncompromising judgment against his rebellious people—but also his promise of restoration if they repent. Exposing the depth of Israel's disobedience, the prophet Ezekiel calls the nation to find forgiveness by turning away from their sin and back to God. Carefully explaining Ezekiel's often confusing prophecies, this study guide will encourage readers to trust in the God who does not abandon his people but restores the repentant for his glory. Know How We Got Our Bible Crossway

The easy accessibility of the Bible in most of the world's major languages can obscure a dramatic and sometimes unexpected story. In *Know How We Got Our Bible*, scholars Ryan Reeves and Charles Hill trace the history of the Bible from its beginnings to the present day, highlighting key figures and demonstrating overall the reliability of Scripture. Reeves and Hill begin with the writing of the Bible's books (including authorship and dating), move into the formation of the Old and New Testaments (including early transmission and the development of the canon), and conclude with several chapters on Bible translation from the Latin Vulgate to the ongoing work of translation around the world today. Written simply and focused on the overarching story of how the Bible came to us today, *Know How We Got Our Bible* is an excellent introduction for formal students and lay learners alike. Each chapter includes reflection questions and recommended readings for further learning.

In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

Young, Restless, No Longer Reformed Crossway

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Who Shall Ascend the Mountain of the Lord? Crossway

This work is foundational for those who are just beginning their Christian experience as well as the well-informed Bible student who is interested in effective evangelism and the topic of salvation. It's the ideal book for college and seminary level courses on Soteriology in that it gives a lesser known, but extensively biblical, view of the so-called "Doctrines of Grace," as taught by Reformed Theology and identified by the acronym known as TULIP (i.e., Total Depravity, Unconditional Election, Limited Atonement, Irresistible Grace, and Perseverance of the Saints). Dr. Badger exposes these teachings for what they are: the abhorrent doctrinal results of the Reformation. In the attempt to reform the Roman Catholic Church a line of thought known as Calvinism, Five Point Calvinism, or Dortian Calvinism developed throughout Europe and England. And for nearly 500 years since Calvinism has run rampant over the teachings of the Bible. John Calvin, one of the leading Reformers followed Augustine's ideas of God's having decisively and unconditionally selected some people, but not others, for eternal salvation. Calvin popularized the notion and it became the skeleton over which the other dogmas were hung for a period of about three-quarters of a century until it was finally solidified at the Synod of Dort, Netherlands, in 1619. The Five Points of Calvinism have become the heart and soul of classical Reformed Theology to this day. Dr. Badger first explains the manner in which theology and truth claims may properly be approached, followed by a brief chapter on the history of the leaders of the Reformation. A biblical view of sin and guilt is then presented, followed by a chapter on the Calvinist's unbiblical view of man's Total Inability to believe the gospel offer. He explains why Total Depravity is not Total Inability to believe and why such teaching obscures the true nature of man as a bearer of the image of God Himself. Two chapters are devoted to the doctrine of Election and include an explanation of the Calvinist and Arminian views on the matter. Two possible alternative Free Grace solutions on the subject are given, the second of which is favored by the author. Dr. Badger then addresses the doctrine of Limited Atonement and shows it to be an unnecessary fabrication that merely concurs with Calvin's other notions of man's inability to believe and God's supposed election of only some. A chapter on the supposed imposition of Irresistible Grace by the Holy Spirit (Regeneration) prior to one's faith is shown to be anti-biblical, unreasonable, and, again, unnecessary except to uphold the other four points. The doctrine that Saint (believers) must Persevere in the Christian faith and in holiness until the end of their lives to be assured of a heavenly destiny is also exposed as a malevolent attempt to herd the "sheep" in good direction but by the use of a bad method.

Threatening expulsion to Hell is not a proper method for discipleship, is legalistic, and is similar to someone saying that "the floggings will continue until the morale improves!" In all of this, Dr. Badger explains the Arminian position, as well, and shows where they also fall short of a biblical understanding. Six helpful appendices and a scriptural index follow the ten information filled chapters. Underlying the logical evaluations and biblical solutions in this work is a solidly biblical Free Grace foundation. Free Grace Theology presents God's offer of everlasting life as a free gift to anyone who believes in Jesus for it. Salvation is by God's grace alone through faith alone in Christ alone (really alone!). Discipleship is to follow in the Christian life, but the results of one's Christian walk will vary on an individual basis, but at no time is one's performance a criterion for receiving the free gift of eternal life or for either retaining or proving it. Calvinistic TULIP is here not only confronted and challenged, but absolutely terminated.

However, it takes us beyond the suffering and into the sovereignty and trustworthiness of God in the midst of our trials. Eric Orlund helps us see God's purposes in suffering as we look ahead to the restoration of all things in the new creation.

To be renewed in mind involves thinking beyond the way the world does, and R. C. Sproul shows us how this transformation works. It means believing the very essence of Christian thought and faith, which is summarized in the Apostles' Creed. To lead readers toward renewing their minds, R. C. Sproul follows the outline of the creed while presenting the theology that you, and your congregation, need to know.

Sproul's sermons at St. Andrew's Chapel are the foundation of these never-before-published expositions on Paul's epistle to the Romans. Chrysostom had it read aloud to him once a week. Augustine, Luther, and Wesley all came to assured faith through its impact. The Reformers saw it as the God-given key to understanding the whole of Scripture. Throughout church history the study of the book of Romans has been pivotal to understanding Christian life and doctrine. Convinced that "Paul's fullest, grandest, most comprehensive statement of the gospel" is just as vital today, R. C. Sproul delivered nearly sixty sermons on Romans from October 2005 to April 2007 at St. Andrew's Chapel, where he has pastored for more than a decade. These never-before-published, passage-by-passage expositions will enrich any study of this weighty epistle. Part of the St. Andrew's Expository Commentaries series.
