Today,
marriages
have a 50

percent
chance of
lasting.
Longing to
improve those
odds, pastor
Clayton King,
author of the
popular *Dying
to Live*, and
his wife,
Sharie, reveal

a
revolutionary
biblical
perspective—
at the heart of
a godly union
is a heart of
service. Love
is more about
understanding
one's spouse
than being

understood. Offering wisdom from God's Word and beneficial advice from their decade of marriage, the Kings present 12 relationship-building questions for couples to ask before they wed. They guide and encourage couples to discuss their: religious backgrounds past relationships desires for family and future financial habits and goals vocational aspirations

These questions reveal expectations and concerns and help each person understand the needs and hopes of their loved one. A great resource for churches, counselors, dating couples, and young men and women who dream of a forever marriage. **Wonderful Marriage** Zondervan #1 New York Times bestselling authors and renowned psychologists Drs. Les and Leslie Parrott

share the single most important secret to happy relationships. Relationships are rife with disappointment--but they are also the primary source of personal happiness. So it is no surprise that the number one question Drs. Les and Leslie Parrott hear over and over is, What's the single most important thing you can do for your relationships? After over twenty-five years of

researching, writing, and speaking on this subject, in Healthy Me, Healthy Us the Parrotts have whittled down their answer to the truth contained in this single sentence: if you try to build intimacy with another person before you have gotten whole on your own, all your relationships become an attempt to complete yourself. Relationship skills, tips, and tactics? Sure. They have their place. But

meaningful relationships-- the kind we all long for--grow from something deeper, something stronger, something that has more to do with being than doing. This groundbreaking book provides the three hallmarks to psychological, emotional, and spiritual health, pointing the way to true and lasting wholeness that can revolutionize every relationship you attempt

to build.

 An arsenal of powerful questions that will transform every conversation Skillfully redefine problems. Make an immediate connection with anyone. Rapidly determine if a client is ready to buy. Access the deepest dreams of others. Power Questions sets out a series of strategic questions that will help you win new business and

dramatically deepen your professional and personal relationships. The book showcases thirty-five riveting, real conversations with CEOs, billionaires, clients, colleagues, and friends. Each story illustrates the extraordinary power and impact of a thought-provoking, incisive power question. To help readers navigate a variety of professional challenges, over 200 additional, thought-

provoking questions are also summarized at the end of the book. In *Power Questions* you'll discover: The question that stopped an angry executive in his tracks The sales question CEOs expect you to ask versus the questions they want you to ask The question that will radically refocus any meeting The penetrating question that can transform a friend or colleague's life A simple

question that helped restore a marriage When you use power questions, you magnify your professional and personal influence, create intimate connections with others, and drive to the true heart of the issue every time. *Relationship Questions for Couples* McGraw Hill Professional No matter how good your marriage or relationship might be, communication difficulties can erode your closeness

and create misunderstandings and conflict that aren't necessary. As uncomfortable or awkward as it might feel at first, meeting regularly with your spouse or partner to ask questions and learn more about each other safeguards your relationship from painful conflicts. The deep conversations these questions foster also will create a new level of intimacy between you. Questioni

ng is a powerful tool for mutual understanding. I use probing questions as a personal coach to help clients uncover their deeper desires, needs, and fears. A strong question prompts us to search within to uncover the answer, leading to profound moments of self-awareness and inner growth. Within a love relationship, mutual questioning provides these same benefits,

but also it allows each partner to participate in the awareness and growth of the other. More important, by actively listening to your partner's responses without judgment or defensiveness, you understand more about his or her motivations, fears, pain, longings, and frustrations. Questions to Build Intimacy If you're feeling distant from your partner or spouse, and even if you're

not, try taking some time to talk about your answers to the following questions the next time you find yourselves relaxing on the couch or finally stumbling into bed, even if you just go through one or two here and there. You may find that the frank discussions that can result will help you and your partner grow closer and get to know each other even better. Anyone who's in a

relationship should know some good questions for couples. ...Because communication is essential to a healthy relationship, with couples who talk regularly enjoying the benefits of a deeper, more intimate and connected relationship. By taking the time to consider important questions for couples, you can strengthen your connection to your partner and avoid unnecessary

arguments from misunderstandings. -Why are relationship questions so important? Because... communication is the key to any successful relationship. From dinner conversation to pillow talk, these questions to ask are perfect for connecting with your significant other in a meaningful way. Use these questions for couples to ignite new discussions so you can keep

your relationship fresh and exciting. Asking questions in your relationship is one sure way to get to know your partner well. Do not die in silence, ask questions about what you don't understand in the relationship. Even amongst couples, understanding matters, despite how long you both have been together, there are still somethings you might not know about your partner,

hence the need to ask questions. Make sure you really pay attention to the answers you get from these relationship questions, and be ready to engage in in-depth discussions. When the lines of communication are open, you have the potential to really strengthen your relationship. Buy the Paperback version and get the Kindle Book versions for FREE What are you

Hollingsworth
comes a story

about living with fear, being a friend, and finding a new place to call home. They say you can't get something for nothing, but nothing is all Sami has. When his grandfather's most-prized possession—a traditional Afghan instrument called a rebab—is stolen, Sami resolves to get it back. He finds it at a music store, but it costs \$700, and Sami doesn't have even one penny. What he does have

is a keychain that has caught the eye of his classmate. If he trades the keychain for something more valuable, could he keep trading until he has \$700? Sami is about to find out. The Eleventh Trade is both a classic middle school story and a story about being a refugee. Alyssa Hollingsworth tackles a big issue with a light touch. 2020 UKLA Award Winner Relationship Questions for

Because
marriage is

the only

element in our life that can give us the complete emotional, spiritual, and psychological fulfillment of joy and peace. One of the main goals most individuals have in life is to have a loving and committed relationship that results in an enduring marriage. However, strong marriages don't just happen. It takes many years of hard work to have a lasting and meaningful marriage. It

can happen for anyone who can build a solid foundation based on Trust, Honest Communication, Emotional Intimacy, and Friendship.

Relationship Questions for Couples Thomas Nelson Have you ever seen a couple

who seems to know a secret? They hold hands, laugh often, seem connected with one another. Have you ever wished you and your spouse could have what they have? In today's society, it's easy to get discouraged about marriage. But it is possible to be a part of a happy couple instead of always in awe of them. Lilo and Gerry Leeds have been married for 57 years and they know

what it takes to not only make a marriage work but to live together—happily. In *Wonderful Marriage: A Guide to Building A Great Relationship That Will Last a Lifetime*, the Leeds discuss sex, communication, dating, finances, children, health, religion, arguing, honeymooning and many other critical relationship issues. This is not a conservative or old-

fashioned guide to landing a spouse but a refreshing and easy-to-understand book that will help both partners in a marriage feel validated and satisfied. The Leeds' message is strengthened by contributions from Terrence Real, a bestselling relationship author who has more than 20 years of experience as a family therapist. *Conversation Starters for Couples - 202 Questions to*

Ignite Connection, Create Intimacy and Build Lasting Love. Questions for Couples The Perfect Remedy for Cold Feet! More than half of all couples who become engaged this year will never make it to the altar. Why? Leading experts believe it's because couples fail to really get to know their potential mate before getting engaged. Relationship expert and noted couples counselor

Norm Wright steers potential brides and grooms through a series of soul-searching questions to discern if they've really met "the One." Couples will be much more confident about whether or not to pursue marriage after completing these in-depth and personal questions. Norm also addresses the delicate subject of calling off the wedding if readers discover that

a potential mate isn't actually meant to be a life partner. Just Ask!
