**Of Myths and Sticks**

Millbrook Press  
delivers rare insights on  
success straight from the

hearts and minds of winning coaches Scotty Bowman, Marc Crawford, Jacques Demers, Clare Drake, Ken Hitchcock, Mike Keenan, Dave King, George Kingston, Andy Murray, Rodger Neilson, Pat Quinn and Brian Sutter. These world-renowned hockey visionaries, recognized as some of the greatest coaches in the game, talk about what it takes to be a champion and the strategies that have made them successful. Each one of us is a coach, whether we are raising children, coaching a youth sports team, being the project team leader at work, teaching students in a classroom or managing employees in a corporation. Simply the Best makes it clear that these coaches' mastered principles of success are also relevant off the ice, so that people in all walks of life can win their own Stanley Cups.

### **The Ultimate Prize**

FENN-M&S

The Chicago Blackhawks' 2015 postseason run culminated in the team's third Stanley Cup since 2010, the sixth championship in the Original Six franchise's history. The road to hoisting the Cup was the bumpiest of Chicago's

three titles under head coach Joel Quenneville. The Blackhawks finished third in the NHL's Central Division following a season in which key players, including Patrick Kane and Corey Crawford, missed time due to injury. But the Hawks stormed past Nashville, Minnesota and Anaheim to set up a Stanley Cup Final matchup against a young, fast Tampa Bay Lightning team. With new heroes emerging throughout the postseason, the Blackhawks battled through a tough, six-game first round series against Nashville before sweeping the Minnesota Wild to reach the Western Conference Final. In an epic series that featured three overtime contests, the Blackhawks overcame a 3-2 deficit to defeat the Ducks in seven games to advance to the Stanley Cup Final. Packed with one of a kind analysis and stunning photography from the Chicago Tribune, Hawks Dynasty takes fans through the Blackhawks' journey, from the crushing loss to the Los Angeles Kings in Game 7 of the Western Conference Finals in 2014 through the final seconds against Tampa Bay. This commemorative edition also includes profiles of

Kane, Crawford, Jonathan Toews, Duncan Keith, Brandon Saad and Scott Darling.

### **The Stanley Cup Playoffs** ABDO

Fun, always surprising and a hockey lover's treasure chest of the little-known facts that shaped the game, you cannot Google the stuff that Liam Maguire shares in this entertaining little book. About 30% updated, revised and renewed from Liam's 2001 trivia collection, *What's the Score?*, *First Goal Wins!* includes a foreword by Wayne Gretzky. Liam has scoured the depths of the NHL archives and stats to put together many of these questions and answers, which you can't get from just looking up your favourite player on Wikipedia. What sets his take on hockey trivia apart from the many pretenders out there is the magical connections he builds between the numbers, the players and the game's history. Besides the straight goods, you always get the ultimate "And did you know...?"

### **The Stanley Cup Playoffs** Visible Ink Press

A revised *Team Spirit Hockey* edition featuring the *New York Rangers* that chronicles the history

and accomplishments of the team. Includes access to the Team Spirit website which provides additional information and photos. Table of Contents, Glossary, Timeline, Bibliography of additional resources and Index. Aligns to Common Core State Standards requirements for Reading Informational Text. *Rochester Americans: The First 50 Years* Heritage House Publishing Co Having played more than 7,500 regular-season and playoff games since the franchise's inception in 1924, the Boston Bruins have become an iconic National Hockey League team boasting a sizable fan base well beyond Massachusetts. In a century of spirited play, the Bruins have brought great joy--and great disappointment--to their passionate legions of followers across North America. Twenty-five of these games are presented here, chronologically, in great detail. Most will be known to hardcore followers of the Bruins, others may be on the obscure side. All of them combine to create a tapestry of triumphs, travails, cheers and tears. The book follows the club's fortunes from the early days of Eddie Shore

and Tiny Thompson, through the halcyon seasons of the Kraut Line, forward to the dominant renaissance years of the Orr-Esposito 1970s, and into the third decade of the 21st century. Millbrook Press TM The earliest forms of ice hockey developed over the centuries in numerous cold weather countries. In the 17th century, a game similar to hockey was played in Holland known as kolven. But the modern sport of ice hockey arose from the efforts of college students and British soldiers in eastern Canada in the mid-19th century. Since then, ice hockey has moved from neighborhood lakes and ponds to international competitions, such as the Summit Series and the Winter Olympics. *Historical Dictionary of Ice Hockey* traces the history and evolution of hockey in general, as well as individual topics, from their beginnings to the present, through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary has more than 600 cross-referenced entries on the players, general managers, managers, coaches, and referees, as well as

entries for teams, leagues, rules, and statistical categories. This book is an excellent access point for students, researchers, and anyone wanting to know more about ice hockey. [American Sports \[4 volumes\]](#) Simon and Schuster Presents year-by-year summaries of the Stanley Cup finals and includes information on memorable moments, players, and goals. **Total Stanley Cup 2004** Triumph Books As more students enter the growing field of sports management, there is a greater need for information informing them about their career choices. *Careers in Sports* provides an overview of what students should consider and expect from the varied career options available to them. This book answers the questions students are most likely to have, including what courses they should take, what areas are available to them, what salary can they expect to earn after graduation, and how they can get the job of their dreams. In the highly competitive field of sports management, it is important for individuals to prepare themselves

well and to make the right decisions along the way. Although there are no guarantees of success, this book will increase students' likelihood of finding success in the sports industry.

Encouraging research and realistic expectations, this book has been developed by an author with many years of experience as a respected practitioner, teacher and internship coordinator.

**Simply the Best** Jones & Bartlett Learning

Never to be confused with any previous Montreal Canadien "Flying Frenchmen" juggernauts who dominated the NHL between the 1950s and 1970s, the 1992-93 Canadiens, whose lone superstar was future Hall-of-Fame goaltender Patrick Roy, were essentially a nondescript team coming off an embarrassing second-round playoff series sweep against the Boston Bruins the previous spring. Yet these Habs, led by the goaltending of Roy and with timely goals from various unlikely heroes, stunned the hockey world by winning a record 10 consecutive playoff overtime games over a magical seven-week run during the spring of 1993. Montreal

ultimately captured hockey's ultimate prize that June—the 24th championship in franchise history—in the last Stanley Cup Finals series ever played at the venerable Montreal Forum. While the Canadiens had veteran presence in Kirk Muller, Vincent Damphousse, Brian Bellows, Denis Savard and Guy Carbonneau, Montreal might not have won the Cup without unlikely heroes like Gilbert Dionne, Stephan Lebeau and Paul DiPietro scoring goals in the clutch. Others such as Gary Leeman and Mario Roberge, despite not always being in the lineup, contributed in ways that didn't necessarily show up on the scoresheet. And behind the bench, while Jacques Demers made all the right moves that spring, he isn't even considered today among the top 50 coaches of all-time. More than a quarter century later, these Habs remain the last Canadian-based team to win the Cup—and in *The 1993 Canadiens: Seven Magical Weeks, Unlikely Heroes and Canada's Last Stanley Cup Champions*, K. P. Wee relives the story of this incredible season. The Story of the Colorado

Avalanche Cup Crazy

Whether it is a beautiful and classic model or an unglamorous and inexpensive starter instrument, a musician's first guitar can be the catalyst that motivates a lifelong passion. The pages of this book contain interviews with 70 of the world's most well-known guitarists across musical genres and playing styles to discover how their love of the instrument compelled them to pursue music as a career. These guitar icons reveal how they got their first instrument, the music they loved, and their heroes and inspirations. With an impressive list of subjects including Dick Dale, Melissa Etheridge, Jimmy Page, Les Paul, and Carlos Santana as well as childhood photos from such guitar legends as Alex Lifeson, Joe Satriani, and Jimmie Vaughan, this book has appeal for guitar heroes and nonmusicians alike.

*The Big 50: New York Rangers* Rowman & Littlefield

America loves sports. This book examines and details the proof of this fascination seen throughout American society—in our literature, film, and music; our clothing and food; and the

iconography of the nation. This momentous four-volume work examines and details the cultural aspects of sport and how sport pervasively reflects—and affects—myriad aspects of American society from the early 1900s to the present day. Written in a straightforward, readable manner, the entries cover both historical and contemporary aspects of sport and American culture. Unlike purely historical encyclopedias on sports, the contributions within these volumes cover related subject matter such as poetry, novels, music, films, plays, television shows, art and artists, mythologies, artifacts, and people. While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment, the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture. Each entry provides a number of both print and online resources for further investigation of the topic.

[Red-Hot Hockey Trivia](#)  
Somerville House, USA

This official publication of the National Hockey League chronicles the full history of Lord Stanley's celebrated trophy, presenting all the statistics, including complete records of every team and player to appear in the playoffs. A 16-page photo insert showcases the top performers and key moments in Cup history. *The Comprehensive Guide to Careers in Sports* The Creative Company One of the National Hockey League's "Original Six," few teams in professional hockey have enjoyed more success than the Detroit Red Wings. In this newly revised edition, Stan "the Hockey Maven" Fischler profiles more than fifty of the greatest characters from this unforgettable franchise. Fans can read about everyone from the legendary Gordie Howe (who was almost killed by a body-check that fractured his skull before he went on to become known as "Mr. Hockey") to Nicklas Lindström (who became the first European to win the Conn Smythe Trophy in 2002). With a deft pen, Fischler describes the Red Wings' greatest accomplishments from his front-row seat in the press box. Beyond the

stats and facts, this veteran sportswriter brings fans off the ice and into the locker room to share a treasure trove of stories and anecdotes from this legendary franchise. Within these pages, fans will taste the adrenaline as the Red Wings rack up eleven Stanley Cup Championships and cheer with the crowd as Pete and Jerry Cusimano toss the first "good luck" octopus onto the ice. Without a doubt, *Detroit Red Wings: Greatest Moments and Players* is a must-have for any Red Wings fan.

**Historical Dictionary of Ice Hockey** The Creative Company

From an incredible playoff run to a gutsy comeback to win a Stanley Cup title, few things are more exciting in pro hockey than seeing an underdog overcome the odds to win it all. Hockey history is filled with fantastic stories of teams that fought back from the brink to win a championship and players who fight their way back from personal struggles to return to the game they love. Filled with incredible stories and action-packed images, readers will find themselves cheering on their favorite underdog teams and players to

victory.

### **100 Things Stars Fans Should Know & Do Before They Die**

Capstone

The Big 50: New York Rangers is a lively, comprehensive look at the 50 men and moments that made the Rangers the Rangers. Experienced sportswriter Steve Zipay recounts the living history of the team, counting down from No. 50 to No.

1. This collection brilliantly brings to life the team's remarkable story, from its Original Six roots to stars like Mark Messier and Henrik Lundqvist, to the team's unforgettable 1994 Stanley Cup win.

#### Bruin Redemption

Triumph Books

As engaging as the great game itself, the stories behind the National Hockey League are entertaining, fascinating and, at times, unbelievable. Faux facts emerge from urban legends, conspiracy theories and coincidences, leaving sports fans to debate truth and fiction in the world of hockey trivia.

Few are better qualified to both debunk falsehoods and nail down amazing facts than TSN stats archaeologist Kevin Gibson, whose book *Of Myths and Sticks* blows

the whistle on all hockey matters from the mainstream to the obscure. What was the date of the first NHL game? Who scored the first goal and which team won? Did Gordie Howe ever actually have a Gordie Howe hat trick? Gibson offers definitive answers to these fundamental questions, but also contributes fascinating background nobody else thought to ask about, such as game-time weather, contract disputes and the flu epidemic that claimed the lives of two players and cancelled the 1919 Stanley Cup Final. Gibson scores laughs with true facts from between the posts, noting that legendary Canadiens goalie Georges Vezina sired 24 children ("he was known for saves on the ice and scoring off"), and that the Quebec Bulldogs' shameful record of 4–20 may have been due, in part, to the worst nickname ever for a goaltender ("Holes"). The myth of the Original Six is down-sized to the Original One, as Gibson points out that the Montreal Canadiens is the only team to have been around at the start of the NHL and to have retained their original team name. Other

highlights include hall-of-famers, hall-of-shamers and an extensive "On This Date" chapter that highlights 366 trivia-worthy moments from 95 years of hockey history. Combining extensive research, humor and keen curiosity, *Of Myths and Sticks* is hockey's version of *MythBusters*—what's true, what's not, and how can we make finding out almost as entertaining as watching the game.

### **Pro Hockey's All-Time Greatest Comebacks**

Total Sports

With traditions, records, and lore, this lively, detailed book explores the personalities, events, and facts every Stars fan should know. It contains crucial information such as important dates, behind-the-scenes tales, memorable moments, and outstanding achievements by players like Mike Modano, Joe Nieuwendyk, and Neal Broten. Whether you watched every second of the 1999 Stanley Cup or are a more recent fan of Jamie Benn and Tyler Seguin, this is the ultimate resource guide for all Stars faithful. *The Good, the Bad, & the Ugly: New York Rangers* Riverdale Avenue Books LLC  
For die-hard hockey buffs and casual fans, The

Official Illustrated NHL History captures every facet of hockey in text and with spectacular archival and modern day color photos.

[Rebuilding on the Fly](#)  
McFarland

The Rochester Americans are the second oldest franchise in the American Hockey League and one of the most successful with six Calder Cup Championships, 16 Calder Cup Final appearances and 39 postseason appearances. Often referred to as the "seventh NHL team" while winning three titles in four years in the mid-1960's, this team is cited as the standard other AHL teams compare themselves too.

"Rochester Americans: The First 50 Years" attempts to capture the essence of the long history of this great franchise. Each championship season is summarized and profiles of several of the more recognizable players and coaches are included. The end of the book will undoubtedly serve as a historical reference to jog your memory or provide material for a trivia stumper with a year-by-year statistical summary and each season's standings along with the all-time player roster and members of the Amerks Hall of Fame. From former players and hockey icons like Al Arbour, Bronco

Horvath and Gerry Cheevers in the early years to Mike Keenan, and one of the AHL's all-time greats in Jody Gage along with a chapter from the lighter side on and off the ice, this trip down memory lane will hopefully bring a smile to the face of every hockey fan.

*Hawks Dynasty*

AuthorHouse

Game 7: a complete game-by-game history of every NHL playoff Game 7 from 1939 to 2020. Includes stories and boxscores for every Game 7 with goalscorers, lineups and referees. Also includes an all-time players index from Abdelkader to Zyuzin.
