Litres

The first authorised, illustrated biography of Kurt Cobain is a treasure trove packed with rare material, inserts, and keepsakes.

SPIN Crown

Nevermind was the album that took Nirvana out of Seattle's alternative rock scene and turned them into a worldwide mainstream sensation. This book documents the album by featuring interviews with the band members and producers and reconstructs how the album was made.

The Rough Guide to Nirvana Litres

On the 20th anniversary of his death, a powerful portrait of Kurt Cobain and Nirvana—including many previously unpublished images—taken during their last formal photo shoot before his suicide In August 1993, when Nirvana was in New York to perform at the legendary Roseland Ballroom, Jesse Frohman photographed them for the London Observer's Sunday magazine—the last formal photo shoot in which Cobain participated before he committed suicide on April 5th, 1994. Over the course of ninety photographs, Cobain seems an almost feral creature, by turns gentle, playful, defiant, suffering, or absorbed in his music. There's a diverse range of shots of Cobain with fellow band members Krist Novoselic and Dave Grohl and on his own, posing, performing, and greeting fans. Jon Savage's original interview, which appeared with Frohman's photographs in the Observer is also reproduced, giving us Cobain in his own words. The book is a touching tribute to Cobain twenty years after his tragic

demise, and following Nirvana's recent induction in to the Rock and Roll Hall of Fame.

Everybody Loves Our Town Macmillan

A venticinque anni dalla morte di Kurt Cobain, il mito dei Nirvana non tende a svanire anzi la loro forza comunicativa ed espressiva riesce ancora a far breccia nelle più giovani generazioni e a far palpitare il cuore a chi ha vissuto, negli anni '90, la loro saga. Amore, odio, dolore, desiderio sono alcuni dei temi presenti nelle liriche del trio di Aberdeen, un calcolato caos che i due autori tentano di decifrare con un'attenta analisi delle parole, facendo inoltre tesoro della vita e delle tante nefaste avventure di chi le ha scritte.

Курт Кобейн. Serving the Servant. Воспоминания менеджера

«Nirvana» Chicago Review Press

Nirvana are one of the most influential bands in rock history, and even now, nearly 20 years after Kurt Cobain's death, the reverence in which they are held is undiminished. Books have been written about Nirvana before, but they tend to concentrate on the band's superstar period and Kurt Cobain's demise, while skating over the early years. In *Entertain Us*, Gillian Gaar redresses the balance by examining in

forensic detail the band's rise to fame, and their first album, *Bleach*. Seattle native Gaar was one of the first journalists to write about Nirvana, and covered the band's career closely, offering her a unique perspective to write this book. Drawing on extensive interviews with the key characters in the story, including bassist Krist Novoselic, drummer Chad Channing, and producers Jack Endino and Butch Vig, the book charts the band's formation and early years as well as their role at the center of the grunge gold rush. By critiquing every song the band recorded in this period, tracing influences and unpicking complex relationships between band members, associates and record labels, Gaar gets to the heart of a compelling story.

Factory Girls Crown

Taking Punk to the Masses: From Nowhere to Nevermind visually documents the explosion of Grunge, the Seattle Sound, within the context of the underground punk subculture that was developing throughout the U.S. in the late 1970s and 1980s. The book serves as a companion and contextual backdrop to the Nirvana: Taking Punk to the Masses exhibition, which opens at Seattle's Experience Music Project in 2011. This decade-and-a-half musical journey will be represented entirely through the lens of EMP's oral history and permanent object collection, an invaluable and rich cultural archive of over 800 interviews and 140,000 objects — instruments, costumes, posters, records and other ephemera dedicated to the pursuit of rock 'n' roll. *Taking Punk to the Masses* focuses on 100 key objects from EMP's permanent collection that illustrate the evolution of punk rock from underground subculture to the mainstream embrace (and subsequent

underground rejection) of Grunge. These objects are put into context by the stories of those who lived it, culling from EMP's vast archive of oral histories with such Northwest icons as Mudhoney's Mark Arm, cartoonist Peter Bagge, design legend Art Chantry, Beat Happening's Calvin Johnson, Sub Pop founders Bruce Pavitt and Jonathan Poneman, the Screaming Trees' Mark Lanegan, Nirvana's Krist Novoselic, photographer Charles Petersen, Soundgarden's Kim Thayil, and dozens of others. From the Northwest's earliest punk bands like The Wipers, to proto-grunge bands of the 1980s like Green River, Melvins and Malfunkshun, through the heady 1990s when bands such as Nirvana, Soundgarden, Pearl Jam, Alice in Chains and Mudhoney rose to the national stage and popularized alternative music, *Taking Punk to the Masses* is the first definitive history of one of America's most vibrant music scenes, as told by the participants who helped make it so, and through the artifacts that survive.

Foo Fighters Villard

The most extensive and complete portrait of Kurt Cobain's life as it unfolded Cobain on Cobain places the reader at the key moments of Kurt Cobain's rollercoaster life, telling the tale of Nirvana entirely through his words and those of his bandmates as they unleashed the whirlwind that would consume them for the last half of their five-year career. This is the most comprehensive compendium of interviews with the band ever released and each interview is another knot in a thread running from just after the recording of their first album *Bleach* to the band's collapse in 1994 followed shortly by Cobain's suicide. Interviews have been selected to provide definitive

coverage of the events of those five years from as close to the key moments as possible, so that the reader can experience Cobain reacting to the circumstances of each tour, each new release, each public incident, all the way to the end. Including a huge number of interviews that have never before seen print, Cobain on Cobain will long remain the definitive source for anyone searching for Kurt Cobain's version of his own story.

Dark Slivers Hachette Books
Explores mainstream society's embrace of alternative rock, chronicles the postpunk years, and interviews such musicians as Kurt Cobain of Nirvana, Eddie Vedder of Pearl Jam, and Paul Westerberg of the Replacements
Nirvana Edizioni Theoria
Here is the first biography to explore, with shocking detail, the drama that formed this troubled, tragic rock star. Neither an apology nor a condemnation, Kurt Cobain presents a vivid insider's view of the life and death of a man who galvanized a generation and gave birth to the "grunge" revolution with his band Nirvana. Sandford portrays the provocative, small-town rebel with the talent of John Lennon, and then shows him at work on concert stages in Seattle, New York, and London. Readers follow the struggles of Cobain's emotional life—his tumultuous relationships with family and his fellow band members, his drug addiction and sexual appetite, his stormy marriage to Courtney Love, and the birth of his daughter, who, as Cobain wrote in his suicide note, "reminds me too much of who I used to be." During

his research, Sandford has had access to Cobain's family, his colleagues, his former friends and lovers, and even author William S. Burroughs, whom Cobain considered to be his "greatest influence." The result is a graphic account of the life that led to the day in April 1994 when Cobain turned a shotgun on himself and became a martyr to disaffected youth around the world.

SPIN Algonquin Books

The definitive biography of the revolutionary band Nirvana and its star-crossed frontman Kurt Cobain, hailed by Rolling Stone as "the first [book] to comprehensively tell the band's tale from Aberdeen, Wash., to world domination" "Amazingly raw and candid . . . an unsparing and extremely honest depiction of the group's highly tumultuous history . . . Come As You Are is as good as rock bios get."—Billboard "Just tell the truth. That'll be better than anything else that's been written about me."—Kurt Cobain Nirvana came out of nowhere in 1991 to sell nearly five million copies of their landmark album Nevermind, whose thunderous sound and indelible melodies embodied all the confusion, frustration, and passion of the emerging Generation X. Come As You Are is the close-up, intimate story of Nirvana—the only book with exclusive in-depth interviews with bandmembers Kurt Cobain, Krist Noveselic, and Dave Grohl, as well as friends, relatives, former bandmembers, and associates—now updated to include a final chapter detailing the last year of Kurt Cobain's life, before his tragic suicide in April 1994. Vivid, evocative, and thought-provoking, Come As You Are is an essential document not just for Nirvana fans but for anyone interested in the cultural legacy of the 1990s.

SPIN Pen to Paper

A Time Magazine Best Book of 2011, Featuring Nirvana, Pearl Jam, Soundgarden, Alice In Chains, Mudhoney and more! Twenty years after the release of Nirvana's landmark album Nevermind comes Everybody Loves Our Town: An Oral History of Grunge, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released Deep Six, a compilation featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. Everybody Loves Our Town captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the Deep Six bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of

Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins, Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and never-before-published photographs, *Everybody Loves Our Town* is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era.

Spin Penguin

Never Fade Away is Dave Thompson's inside look at the life of one of the most thought-provoking men of all time - Kurt Cobain. Examining an artistic genius who was light years ahead of his time, this is an unflinching account of Nirvana's rise and Cobain's eventual descent.

Nirvana. Kill your friends PediaPress
Alexander Mackenzie was the first European to complete a land crossing of the continent of America north of Mexico, preceding the famous Lewis and Clark expedition by twelve years. In his journals he details two separate voyages: one up what is now known as the Mackenzie River to the Arctic Ocean in 1789, and another to what is now Bella Coola on the Pacific Ocean in 1792 and 1793. Both journals provide a detailed description of the many difficulties in navigating and traveling in a country that had yet to be mapped. Having to rely on Native guides and rumors, and enduring hardships that almost beggar belief, Mackenzie and his team were able to achieve their objective of finding an east to west land

crossing through the Rocky Mountains and to the Pacific Ocean. Although his route didn't prove as practical as routes found by later explorers, Mackenzie has cemented himself as a key explorer of Western Canada. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

When 16-year-old Matt Baily is expelled from his evangelical Christian high school, he faces the prospect of going to public school for the first time. There he first experiences the world beyond the strict, conservative Christianity he has grown up with. When he befriends wannabe Warhol Superstar Michelle, he is finally able to share his deepest darkest secret with another person--he has always longed to be a girl. As he learns more about the world and starts to accept his transgender feelings, Matt's doubts about his faith grow. Matt begins to wrestle with belief in God, his disintegrating conservative family, and the transgender feelings that won't go away. Ultimately, Matt is forced to decide between his family and faith and accepting himself as transgender. *Disgusta* is about growing up in the suburban South in the 90s in high school. It explores themes of belief in God, LGBTQ identity, rebellion, and coming of age. Additionally, its setting provides a serving of 90s nostalgia and a realistic look at growing up queer in the evangelical community.
