Achtung-Panzer! Red Dwarf

"Ten silly bunnies get kids counting in this lively romp from one to ten. Young readers will enjoy exploring every page as they find different items to count to reinforce learning each number"--Cover verso.

Better Than Life Simon and Schuster Christopher's homecoming takes a sinister turn when a murderous conspiracy is uncovered in this fifth novel of the award-winning Blackthorn Key series.

Christopher, Tom, and Sally are back in London at last. Everyone is relieved at their return—the plague has ended, and the king, pleased with their service, offers a surprising reward. But trouble has followed them home... First, an old friend is ambushed and left for dead. Then an anonymous letter arrives at Blackthorn—a mysterious warning hidden inside a riddle and secret code. As Christopher and his friends begin to investigate, they soon discover they've stumbled upon a plot to kill the king...and anyone else who dares stand in the traitors' way.

Lara's Journal Dark Horse Comics

This is how the world ends: with a single snowflake. After a tragic accident at work, all Grady Miller wanted was an escape, and he finds it with two of his closest

friends. Together, the three of them travel south to Prism Lake for the upcoming holiday, where they plan on spending the sunny weekend drinking, grilling, and relaxing. But when a series of monstrous blizzards cover the eastern United States in feet of snow, knocking out communications and making the roads impossible to drive on, they realize their weekend of fun could turn into a lifetime of survival. Because there's something out there besides the cold...Something sinister...

A Maritime History of East Asia The Wings of Fate When a small town girl who's parents died and left her meets the boy of her dreams (literally) what will she do and how will she deal with what's to come next. **A LUDIC SOCIETY**

Alex is an anti-heroine for the 21st century. She'd rather have all her nails pulled out than read the literature promoted by the Blytons of this world. She runs rampage through the streets of a dystopic Manchester with her girl gang. When she is faced with the charge of addiction, then the battle really begins.

Monstrous Affections Houghton Mifflin Harcourt

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On

her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

From the mind of Ryukishi07, creator of classics such as Higurashi and Umineko, comes a heart-pounding, full-throttle

Harem Royale! Kohinata Asunaro is your regular everyday high school student. He likes light novels, porn games, and fantasizing about the girls in his class. One day when walking home from school he inexplicably releases a demon from a sealed bottle. Her name is Zepafur, and she won't rest until her debt is repaid! "Now begins the Lovey Dovey Harem Royale!" cries the demon, weaving a most curious magic. As a result, Asunaro's regular high school life transforms into a love-comedy series of harem shenanigans, with four girls from his school all vying for his affection, wow! But... Unbeknownst to our dopey protagonist, the four girls are in the midst of a horrific survival game under threat of death and eternal torture. She who fails to capture Asunaro's heart will be confined to the depths of Hell and killed ad infinitum! Just who will survive? Who will thrive? And who will meet their demise?

Hair Portraits Yen Press LLC

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and

undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

The Engagement of Professional Services Routledge

Portrays the troubled life of Maddy Dow, the eldest child of an outwardly respectable family and the primary victim of her abusive father's physical savagery *The Smart Girl's Guide To Growing Up* Beautiful Books

Contemporary game scholarship offers a broad palette of theories and methods inherited from such fields as sociology and communication studies, experimental sciences, literary analysis, educational sciences and cultural critique. At large, this inherently interdisciplinary research aims for a holistic perspective on the 'LUDIC SOCIETY'. With that in mind, this book is organized into four sections that present related and often intertwined ideas and observations about the ways we manifest ourselves in games and play, how games represent us in the present and in the past, how games and play change us, and what it all may mean for contemporary society. This book invites readers to engage with the key challenges of a ludic society, explore new perspectives and initiate fruitful discussions. It is aimed at both passionate game scholars and all those who want to get a first taste of the multifaceted research field of game studies.

The Snow Raintree

Lister lives in a replica of Bedford Falls from *It's a Wonderful Life*, Rimmer is married to a supermodel, and the Cat lives in Denmark in a palace surrounded by a moat of milk. Life's good on Earth. Or is it? The crew of the Red Dwarf are trapped within an addictive virtual reality called *Better Than Life*, a game that transports you to a perfect world of your imagination. But it is killing them, and to escape, you have to want to. Rejoin this trepid band of space zeroes - Lister, Rimmer, Kryten, Holly and the Cat - as they continue their epic journey through frontal-lobe knotting realities where none dare venture but the bravest of the brave, the boldest of the bold, the feeblest of the feeble-minded.

Monster Codex Candlewick Press

Fifteen top voices in speculative fiction explore the intersection of fear and love in a haunting, at times hilarious, darkly imaginative volume. Predatory kraken that sing with — and for — their kin; band members and betrayed friends who happen to be demonic; harpies as likely to

attract as repel. Welcome to a world where humans live side by side with monsters, from vampires both nostalgic and bumbling to an eight-legged alien who makes tea. Here you'll find mercurial forms that burrow into warm fat, spectral boy toys, a Maori force of nature, a landform that claims lives, and an architect of hell on earth. Through these and a few monsters that defy categorization, some of today's top young-adult authors explore ambition and sacrifice, loneliness and rage, love required and avenged, and the boundless potential for connection, even across extreme borders. With monstrous stories by M. T. Anderson Paolo Bacigalupi Nathan Ballingrud Holly Black Sarah Rees Brennan Cassandra Clare Nalo Hopkinson Dylan Horrocks Nik Houser Alice Sola Kim Kathleen Jennings Joshua Lewis Kelly Link Patrick Ness G. Carl Purcell *Puella Magi Suzune Magica* Sol Press, LLC. Beautiful white butterfly atop white flowers on the cover of this 8.5 x 11-inch journal with a big 200-page interior. The larger size makes the journal easier to write in while it lies flat. This journal is larger than many others on the market making it a stand-out. Blank journals are great for keeping track of to-do lists at work or home, recording your thoughts or studies. Great gift for back-to-school, or a stocking stuffer. Exterior features the name "Lara."

Infex Arms & Armour

This book takes the reader on a fascinating journey through the history of a region from the perspective of the interactions that occurred on and were facilitated by the sea. The book is divided into three parts that each focus on a different hundred-year period between 1250 and 1800. The chapters in each part examine the people, goods, and information that flowed across the seas of the East Asian maritime world, facilitating cultural exchange and hybridity. The intricate and often fraught relations between China, Japan, and Korea feature throughout, as well as those between these polities and the waves of outsiders that sought to trade with them and to conquer them. Regional diplomacy, ship-building technology, weaponry, Wokou pirate bands, the fates of castaways, and the development of international trade networks are just some of the topics that paint a vivid picture of the interconnected world of the East Asian maritime region during this period.

Settlers' Guide

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early

years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
