HARRELL WARREN

Left Hand of the Law Simon and Schuster

The essays in this Festschrift for William Ian Miller reflect the honorand's wide-ranging interest in legal history, Icelandic sagas, anger and violence, and contemporary popular culture.

One Man's Law Archway Publishing

Alma Bashears ran away from her Appalachian roots to forget the memories of a brutal, teenage gang rape. Now she returns, a brilliant and prestigious attorney to defend her brother against a trumped up murder charge. Upon discovering the prosecutor is the boy responsible for her rape, this ?white-trash hollow girl? will dispense a little country justice.

The 48 Laws of Power Routledge

Collects *Revenge of the Cosmic Ghost Rider* (2019) #1-5. He's back, baby! With a reputation like *Cosmic Ghost Rider's*, it's only a matter of time before the law catches up to this flame-headed future version of Frank Castle and tries to put him in chains. Too bad for the cosmic cops that chains are Castle's new weapons of choice! On the run with a rogue hitchhiker in tow — the young Earth woman named Cammi — Frank must take on one of the biggest crime syndicates in the cosmos! But with his soul hanging in the balance, will he damn the whole galaxy to hell to get what he wants? Plus: A new short story from Donny Cates and Geoff Shaw, the crazed minds who kicked off the madness and introduced *Cosmic Ghost Rider* in the first place!

The Law of Betrayal Createspace Independent Publishing Platform

We have all been victims of wrongdoing. Forgiving that wrongdoing is one of the staples of current pop psychology dogma; it is seen as a universal prescription for moral and mental health in the self-help and recovery section of bookstores. At the same time, personal vindictiveness as a rule is seen as irrational and immoral. In many ways, our thinking on these issues is deeply inconsistent; we value forgiveness yet at the same time now use victim-impact statements to argue for harsher penalties for criminals. Do we have a right to hate others for what they have done to us? The distinguished philosopher and law professor Jeffrie Murphy is a skeptic when it comes to our views on both emotions. In this short and accessible book, he proposes that vindictive emotions (anger, resentment, and the desire for revenge) actually deserve a more legitimate place in our emotional, social, and legal lives than we currently recognize, while forgiveness deserves to be more selectively granted. Murphy grounds his views on careful analysis of the nature of forgiveness, a subtle understanding of the psychology of anger and resentment, and a fine appreciation of the ethical issues of self-respect and self-defense. He also uses accessible examples

from law, literature, and religion to make his points. Providing a nuanced approach to a proper understanding of the place of our strongest emotions in moral, political, and personal life, and using lucid, easily understood prose, this volume is a classic example of philosophical thinking applied to a thorny, everyday problem.

Ryan Martin decides to take his wife, Alexa, and his five-year-old daughter, Lucia, to a lake house in Pennsylvania for a vacation. Before they can reach their destination, the family is stopped by a group of teenage troublemakers led by the fearsome Caden Clark. The confrontation ends in tragedy. Two years later, Ryan and Alexa visit Caden and his family in hopes of exacting their revenge. At the Clarks' house, however, they discover a sinister secret... Jon Athan, author of *The Abuse of Ashley Collins and A Family of Violence*, brings you an uncompromising horror-thriller about family and vengeance. **WARNING:** This book contains scenes of graphic violence. This book is not intended for those easily offended or appalled. Please enjoy at your own discretion.

Lex Talionis Springer

In the wake of Guantanamo Bay, extraordinary renditions, and secret torture centres in Eastern Europe and elsewhere, *Revenge versus Legality* addresses the relationship between law and wild or vigilante justice; between the power to enforce retribution and the desire to seek revenge. Taking up a variety of narratives from the eras of Romanticism, Realism, Modernism and the Contemporary period, and including new theories to explain the interactions that occur between legalistic courtroom justice and the vigilante variety, *Revenge versus Legality* analyzes some of the main obstacles to justice, ranging from judicial corruption, to racism and imperialism. The book culminates in a consideration of that form of crime or lawlessness that poses the most serious threat to the rule of law: vigilante justice masquerading as legality. With its mixture of politics, literature, law, and film, this lively and accessible book offers a timely reflection on the enduring phenomenon of revenge.

Reeves' History of the English Law: From the time of the Romans to the end of the reign of Henry III University of Chicago Press

This book addresses the problem of justifying the institution of criminal punishment. It examines the "paradox of retribution": the fact that we cannot seem to reject the intuition that punishment is morally required, and yet we cannot (even after two thousand years of philosophical debate) find a morally legitimate basis for inflicting harm on wrongdoers. The book comes at a time when a new "abolitionist" movement has arisen, a movement that argues that we should give up the search for justification and accept that punishment is morally unjustifiable and should be discontinued immediately. This book, however, proposes a new approach to the retributive theory of punishment, arguing that it should be

understood in its traditional formulation that has been long forgotten or dismissed: that punishment is essentially a defense of the honor of the victim. Properly understood, this can give us the possibility of a legitimate moral justification for the institution of punishment.

Getting Even Beacon Press

This is a sexy, crime/drama with a twist! Now that the matriarch of the family has been murdered, who will become the head of the family? The obvious choice would be Harper the eldest of the three sisters. This is a story of the Diamond Family, a family stapled in Northern California since late 1800s. Old money would be an understatement. The Diamonds owned most of the upscale and prominent businesses in the Bay Area. Jackie Diamond is the mother of three beautiful but lethal daughters: Harper Diamond, Janelle Diamond, and Skye Diamond. Mother wasn't always on the right side of the law; her most lucrative business was the sale of narcotics and other business ventures. Mother Diamond was the biggest queenpin in all California. Her empire is at stake, and her daughters are doing everything in their power to keep it, but during the fight, Harper discovers that someone wants the family business for themselves and will do anything to get it! The eldest sister, Harper, has everything under control, or at least, she thinks she does. While her other sisters are trying to work through losing Mother, she is bringing everyone together to make a major decision. Mother ran a tight ship, and the sisters were bred to see danger coming a mile away. So as they strategize on who did this to Mother and got into beast mode, they start to realize how the world that they once grew up in has changed dramatically! As the sisters go through all kinds of trials and tribulations, Harper finds out just what the true meaning of loyalty means! This story is action-packed and is full of betrayal and revenge!

Between Vengeance and Forgiveness Springer Science & Business Media

Narrative adaptation of: *Within the law* : a melodrama in four acts / Bayard Veiller.

Your Revenge Is in the Mail Open Court Publishing

This volume offers a new theoretical approach to the analysis of the law/revenge binary, and attempts to dismantle the common idea of revenge as lacking any legal, moral or rational dimension. In contrast, the book puts forward a model of a complex system of justice—which it terms 'vindictory'—wherein vendetta constitutes an authorized action, the core of which does not (just) lie in vengeance but also in settlement procedures for peace—or 'composition.' The first part of the book ("Vindictory Justice: Conceptual Analyses and Forerunners") seeks to identify the nature of vindictory justice and to shed light on the structure of so-called vindictory systems. In turn, the second part ("Mapping Vindictory Justice") illustrates, using examples gathered from a range of sociolegal contexts, the dynamic relationship between

composition and authorized revenge in vindicatory systems. Taken as a whole, the volume shows that applying a *longue durée* historical perspective to the study of revenge systems allows us to clearly recognize composition and authorized revenge as features of the same legal system, even though one of them may seem predominant (or more eye-catching) than the other in certain cultural settings.

Routledge

When she was ten years old, attorney Alma Bashears' father disappeared; and now, the only man who knows the true story has been brutally killed. To defend herself against an accusation of murder, Alma must face the ancient mystery of her own heritage, an ancestry stemming from a misunderstood race of people called the Melungeons. Their land holds the secrets of the ages—secrets Alma must uncover before an old enemy comes out of the shadows...

Vindictory Justice The Law of Revenge Alma Bashears had fled Contrary, Kentucky, severing her Appalachian roots, to forget a brutal gang rape. Now she's a savvy attorney at a prestigious San Francisco law firm. When Alma's brother is charged with murder, she discovers that the prosecutor is the boy responsible for her rape. And a "white-trash hollow girl" is about to dispense a little country justice. Film rights have been sold to Warner Television Production. The Law of Revenge Alma Bashears ran away from her Appalachian roots to forget the memories of a brutal, teenage gang rape. Now she returns, a brilliant and prestigious attorney to defend her brother against a trumped up murder charge. Upon discovering the prosecutor is the boy responsible for her rape, this "white-trash hollow girl" will dispense a little country justice. *Vindictory Justice*

Privacy issues are currently on the agenda of public debate, largely as a consequence of technological developments which have created new avenues for the invasion of privacy. This paper considers - The role of the criminal law in respect to revenge pornography, particularly in light of new offences against revenge pornography introduced in South Australia, Victoria and the United Kingdom and the adequacy of existing civil law remedies for serious invasions of privacy by means of revenge pornography, including the equitable action of breach of confidence.

Shakespeare, Revenge Tragedy and Early Modern Law Routledge Alma Bashears escaped her Appalachian roots to forget the memories of a brutal rape. Now, a brilliant attorney, she receives an urgent call from her estranged family—Come back home. Your family needs you. Alma returns to defend her brother against a trumped-up murder charge. Upon discovering the prosecutor is the boy responsible for her rape, this white-trash hollow girl will dispense a little country justice.

The Law of Revenge Oxford University Press

The rise of collective violence and genocide is the twentieth century's most terrible legacy. Martha Minow, a Harvard law professor and one of our most brilliant and humane legal minds,

offers a landmark book on our attempts to heal after such large-scale tragedy. Writing with informed, searching prose of the extraordinary drama of the truth commissions in Argentina, East Germany, and most notably South Africa; war-crime prosecutions in Nuremberg and Bosnia; and reparations in America, Minow looks at the strategies and results of these riveting national experiments in justice and healing. From the Trade Paperback edition.

I Hate My Son-In-Law BRILL

They found the body in a remote rain forest on the Big Island of Hawaii half-eaten by wild animals. The victim is a Vietnam vet who not only served with Jack Devlin, he saved Devlin's life. Was it murder? Why don't the police seem to care? And why do the guilty act like they are above the law? Nothing seems certain except one thing. When it comes to righteous vengeance, Jack Devlin follows one law - his.

Juicy's Revenge Xlibris Corporation

Juiciana Young experienced some dark traumatic moments in her childhood. And now, all Juicy yearns for is a child of her very own. Driven by the intensity of her maternal desires lands her in the grips of the law. As Juicy life begins to spiral completely out of control, she meets Candice, who lends her a strong shoulder to lean on, while she awaits trial. In fact, Candice replaces her pain with pleasure. It didn't take long, either, for Candy to prove that she was more than capable of providing Juicy with the glamorous lifestyle she has always wanted. However, loyalty to Candy comes at a high cost; one which leaves blood-soaked bodies sprawled all across the streets of Columbus, Ohio. What Juicy comes to learn is to be cautious of who you meet in jail. But is it a lesson learned too late? Maybe not, because to Juicy, Candy is her tool for exacting revenge!

The Diamond Family CreateSpace

Racial hatred is one of the ugliest of human emotions. And the United States not only once condoned it, it also mandated it?wove it right into the fabric of American jurisprudence. Federal and state governments legally suspended the free will of blacks for 150 years and then denied blacks equal protection of the law for another 150. How did such crimes happen in America? How were the laws of the land, even the Constitution itself, twisted into repressive and oppressive legislation that denied people their inalienable rights? Taking the Dred Scott case of 1957 as his shocking center, Judge Andrew P. Napolitano tells the story of how it happened and, through it, builds a damning case against American statesmen from Lincoln to Wilson, from FDR to JFK. Born a slave in Virginia, Dred Scott sued for freedom based on the fact that he had lived in states and territories where slavery was illegal. The U.S. Supreme Court ruled against Scott, denied citizenship to blacks, and spawned more than a century of government-sponsored maltreatment that destroyed lives, suppressed freedom, and scarred our culture. Dred Scott's Revenge is the story of America's long struggle to provide a new context?one in which "All men are created equal," and

government really treats them so.

The New Testament of Our Lord and Saviour Jesus Christ: The four Gospels Dorrance Publishing Company

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Within the Law BEARCAT Press

This book considers the rapidly evolving, both legally and socially, nature of image-based abuse, for both minors and adults.

Drawing mainly from UK data, legislation and case studies, it presents a thesis that the law is, at best, struggling to keep up with some fundamental issues around image based abuse, such as the sexual nature of the crimes and the long term impact on victims, and at worst, in the case of supporting minors, not fit for purpose. It shows, through empirical and legislative analysis, that the dearth of education around this topic, coupled with cultural norms, creates a victim blaming culture that extends into adulthood. It proposes both legislative developments and need for wider stakeholder engagement to understand and support victims, and the impact the non-consensual sharing of intimate images can have on their long-term mental health and life in general. The book is of interest to scholar of law, criminology, sociology, police and socio-technical studies, and is also to those who practice law, law enforcement or wider social care role in both child and adult safeguarding.

Revenge, Justice and the Law Marvel Entertainment

Ever been wronged by somebody you can't strike back at? Being hassled by an obnoxious bureaucrat who has the law on his side, for example? The books in this section will show you a multitude of ways that you can get even with anybody and remain anonymous. We must warn you these books are sold for entertainment purposes only!
