[A Year on the Farm](#) Unbound Publishing  
 every video game has concept art...UNDERTALE is no exception...the difference being that toby fox isnt an artist lol  
*Social Innovation and Sustainability Transition* Blurb  
 How to cross stitch UNDERTALE patterns. [Digital Love](#) VIZ Media LLC  
 A Kirkus Prize nominee and Stonewall Honor winner with 5 starred reviews! A New York Times bestseller! Named one of the best books of 2017 by NPR and the New York Public Library! "The queer teen historical you didn't know was missing from your life."—Teen Vogue "A stunning powerhouse of a story."—School Library Journal "A gleeful romp through

history."—ALA Booklist A young bisexual British lord embarks on an unforgettable Grand Tour of Europe with his best friend/secret crush. An 18th-century romantic adventure for the modern age written by This Monstrous Thing author Mackenzi Lee—Simon vs. the Homo Sapiens Agenda meets the 1700s. Henry "Monty" Montague doesn't care that his roguish passions are far from suitable for the gentleman he was born to be. But as Monty embarks on his grand tour of Europe, his quests for pleasure and vice are in danger of coming to an end. Not only does his father expect him to take over the family's estate upon his return, but Monty is also nursing an impossible crush on his best friend and traveling companion, Percy. So Monty vows to make this yearlong escapade one last hedonistic hurrah and flirt with Percy from Paris to Rome. But when one of Monty's reckless

decisions turns their trip abroad into a harrowing manhunt, it calls into question everything he knows, including his relationship with the boy he adores. Witty, dazzling, and intriguing at every turn, *The Gentleman's Guide to Vice and Virtue* is an irresistible romp that explores the undeniably fine lines between friendship and love. Don't miss Felicity's adventures in *The Lady's Guide to Petticoats and Piracy*, the highly anticipated sequel! *Stardew Valley: Deluxe Journal* Hiddenstuff Entertainment LLC.  
 "Laura Steven simultaneously destroyed the patriarchy and made me laugh so hard I choked. I will protect Izzy O'Neill with my life." —Becky Albertalli, author of *SIMON VS. THE HOMO SAPIENS AGENDA* Bitingly funny and shockingly relevant, *The Exact Opposite of Okay* is a bold, brave, and necessary read for fans of Louise O'Neill and Jennifer Mathieu. Eighteen-year-old

Izzy O'Neill knows exactly who she is—a loyal friend, an aspiring comedian, and a person who believes that milk shakes and Reese's peanut butter cups are major food groups. But after she's caught in a compromising position with the son of a politician, it seems like everyone around her is eager to give her a new label: slut. Izzy is certain that the whole thing will blow over and she can get back to worrying about how she doesn't reciprocate her best friend Danny's feelings for her and wondering how she is ever going to find a way out of their small town. Only it doesn't. And while she's used to laughing her way out of any situation, as she finds herself first the center of high school gossip and then in the middle of a national scandal, it's hard even for her to find humor in the situation. Izzy may be determined not to let anyone else define who she is, but that proves easier said than done when it seems like everyone has something to say about her.

The Unofficial Stardew Valley for Nintendo Switch Game Guide Del Rey

A New York Times bestseller! Coco meets Stranger Things with a hint of Ghostbusters in this action-packed supernatural fantasy. For Lucely Luna, ghosts are more than just the family business. Shortly before Halloween, Lucely and her best friend, Syd, cast a spell that accidentally awakens malicious spirits, wreaking havoc throughout St. Augustine. Together, they must join forces with Syd's witch grandmother, Babette, and her tubby tabby, Chunk, to fight the haunting head-on and reverse the curse to save the

town and Lucely's firefly spirits before it's too late. With the family dynamics of Coco and action-packed adventure of Ghostbusters, Claribel A. Ortega delivers both a thrillingly spooky and delightfully sweet debut novel.

Stardew Valley Guidebook1st Spring: a Daily Guide (Unofficial)

**The Gentleman's Guide to Vice and Virtue** Springer Nature

Journaling for Fun! This gift inspires creativity and learning! 200 pages of journaling! The perfect gift for the digital farmer in your life! This Journal and Scrapbook is the perfect companion for any stardew valley fan. This unofficial, unauthorized product is a daily journal, allowing you the space to take daily notes, write out your plans, develop a role-playing character and keep track of your progress as you restore your grandfather's farm, develop friendships, and make tons of money. After filling out this journal, you'll have a scrapbook of your adventures or an amazing game guide or strategy guide to give to another player.

**Undertale Art Book** U of Minnesota Press

Love Stardew Valley?! Then you'll love this amazing unofficial guide and daily diary based on my own successful character, Farmer John! This book is for you whether you want some awesome tips and tricks or want to read the story of a young man working hard to restore a broken down farm! Join Farmer John on his daily adventures on his farm, around Pelican Town, and in the dangerous mines north of town. Follow John's plan to renovate his farmhouse, socialize with townspeople, and become a successful adventurer. John's diary will reveal optimal building plans, profitable crops and activities, special events, and his growing accomplishments on the farm. If you follow John's daily diary, you'll learn invaluable lessons that will help you maximize your experience in Stardew Valley. Each day is presented in an easy to understand narrative format, easily read by even young players, and containing significant hints and tips. Furthermore, this guide follows the spirit of Stardew Valley like no other, instead of simply focusing on acquiring gold or socializing, this guide presents a complete plan and experience to follow that will allow the player to relax and enjoy the game, without pressure to maximize gold. However, if you follow this guide, Farmer John promises that you'll find amazing success in your journey as a farmer!Legal: This is an unofficial guide/transformati

on within the fair use (commentary) clause of copyright law. This book is not licensed or endorsed by the creators of the video game Stardew Valley. This book is for reference and educational purposes, and is not computer software. I highly encourage you to purchase the original video game if you have not already; it is one of the best games I have played, and a testament to the creativity and perseverance of the developer (a single individual) in creating a phenomenal game.

Purchase this Unofficial game guide for Stardew Valley, newly updated for the recent release on the Nintendo Switch. This guide will provide specific news about the Switch release, tips and tricks, secrets, and a DAILY NARRATIVE and guide. The daily narrative serves of the lore of the game and serves as a guide for what my first millionaire character did on a daily basis. After the spring season, the guide goes from a narrative format to a daily outline so you can read it more quickly and get the information you need. The most important aspect of this guide, is to have fun and stay focused on making money, once you make enough money, you can play the game however you like without worrying about farming or tedious gameplay. Or you can play the game at your own pace, there is no worry or fixed costs that you have to make, you can play entirely without making gold, this game has no "right way" to play. Enjoy!!

[Fish and how to Catch Them](#) Createspace Independent Publishing Platform

A whimsical and unflinchingly honest generational story of family and identity where hats turn into leeches, ghosts blow kisses from lemon trees, and the things you find at the end of your fishing line might not be a fish at all. Half-Colombian Eddie Aguado has never really felt Colombian. Especially after Papa died. And since Mama keeps her memories of Papa locked up where Eddie can't get to them, he only has Papa's third-place fishing tournament medal to remember him by. He'll have to figure out how to be more Colombian on his own. As if by magic, the perfect opportunity arises. Eddie—who's never left Minnesota—is invited to spend the summer in Colombia with his older half-brother. But as his adventure unfolds, he feels more and more like a fish out of water. Figuring out how to be a true colombiano might be more difficult than he thought.

**Hollow Knight - Wanderer's Journal** Knopf

Scholars and professionals from all over the world, across experience levels and the gender and sexuality spectrum, share experiences and analysis of romance and sexuality in video games. Whether discussing casual sex in the Star Wars universe; analyzing various Otome games; examining "the gaze" in various games; player romance behavior in games; or exploring the ethical ramifications of sexuality in virtual reality and other emerging technologies, this book discusses what players want in video game romance, and how developers can best deliver it. Key Features: Examines the past, present, and future of romance in

single-player, role-playing games  
Discusses common presentations of romance in single-player, role-playing games— both in the category and game mechanics that drive romance Discusses research on how players define a satisfying game romance and what specific steps narrative designers can take to design satisfying games Explains the notion of the empathic game and explores its importance in relation to romance in game design

#### **Slime Rancher Slimepedia**

HarperCollins

NATIONAL BESTSELLER “The stories in this book make for a fascinating and remarkably complete pantheon of just about every common despair and every joy related to game development.” — Rami Ismail, cofounder of Vlambeer and developer of Nuclear Throne Developing video games—hero's journey or fool's errand? The creative and technical logistics that go into building today's hottest games can be more harrowing and complex than the games themselves, often seeming like an endless maze or a bottomless abyss. In Blood, Sweat, and

Pixels, Jason Schreier takes readers on a fascinating odyssey behind the scenes of video game development, where the creator may be a team of 600 overworked underdogs or a solitary geek genius. Exploring the artistic challenges, technical impossibilities, marketplace demands, and Donkey Kong-sized monkey wrenches thrown into the works by corporate, Blood, Sweat, and Pixels reveals how bringing any game to completion is more than Sisyphean—it's nothing short of miraculous. Taking some of the most popular, bestselling recent games, Schreier immerses readers in the hellfire of the development process, whether it's RPG studio Bioware's challenge to beat an impossible schedule and overcome countless technical nightmares to build Dragon Age: Inquisition; indie developer Eric Barone's single-handed efforts to grow country-life RPG Stardew Valley from one man's vision into a multi-million-dollar franchise; or Bungie spinning out from their corporate overlords at Microsoft to create Destiny, a brand new universe that they hoped would become as iconic as Star Wars and Lord of the Rings—even as it nearly ripped their studio apart. Documenting the round-the-clock crunches, buggy-eyed burnout, and last-minute saves, Blood, Sweat, and Pixels is a journey through development hell—and ultimately a tribute to the dedicated diehards and unsung heroes who scale mountains of obstacles in their quests to create the best games imaginable.
