**Tax Accounting Made Easy To Understand** McGraw-Hill Companies

Taxes are an unavoidable part of life. As Benjamin Franklin famously said: "in this world, nothing can be said to be certain, except death and taxes". But what exactly are taxes and what do they mean for you? Where did taxes come from and what are they used for now? This guide hopes to explain the reasons why we are charged tax and what types of tax may affect you personally. This guide will also explain the benefits of accounting and what benefits tax accounting can have for you and your business. Written with non-accountant entrepreneurs in mind, this book can help you learn important tax accounting principles for ensuring optimal tax management in your business. These include: -What tax accounting is. -Important tax accounting guidelines. -The difference between accounting and bookkeeping. -How to claim tax deductions legally. -How to choose the right business entity. -How to manage payroll tax. -Discover if you need an S corporation or a C corporation. -And much, much more! By the time you're finished with this book, you'll be armed with sufficient knowledge to ensure proper management of your businesses' income taxes. And while you can never avoid taxes, what you'll learn here can make you and the IRS the best of friends.  
Julian Block's Tax Tips for Small Business Owners Independently Published  
You earned it, now keep it! Maximize your profits by getting the most out of every tax deduction. No matter what kind of small business you have, you

owe it to yourself to take advantage of every legitimate business deduction and personal tax planning advantage at tax time. In the newly updated fifth edition of Make Sure It's Deductible, Evelyn Jacks, Canada's bestselling and most trusted tax author and educator, delivers vital tax facts that will save you money—presented in a clear, friendly style that's easy to read, understand and apply to your own business. Join the more than40,000 entrepreneurs who've turned to this tax-saving classic to learn about: What expenditures are fully deductible and which are restricted How to claim expenses under new auto and home office rules Hiring family members and splitting income to keep more of your money Building significant wealth with the capital gains deduction and savvy income re-investment strategies Planning for a secure lifestyle now and in retirement Make Sure It's Deductible provides vital, practical information you need to increase your bottom line and run a tax-efficient and audit-proof small business. “Evelyn Jacks is well-deserving other reputation as Canada’s most trusted tax advisor. This book could save thousands of tax dollars for anyone who is self-employed, runs a small business, or is thinking of starting one.”—Gordon Pape, bestselling author and editor and publisher of The Internet Wealth Builder  
Tax Savvy for Small Business John Wiley & Sons  
If you're a business owner wanting to learn more about taxes without going through boring textbooks, then keep reading... Benjamin Franklin once said that "in life, only two things are certain: death and taxes." He wasn't exaggerating about the latter. And because you must deal with taxes for as long as you live and earn money, you must get it right every time. Unlike any other infractions or violations, tax-related offenses have major repercussions. At a minimum, you will pay fines and expenses. But if your tax violations are serious, you may end up in jail. Think about this: the

infamous mafia gangster boss Al Capone was indicted and sent to prison not because of his violent crimes, but because of tax violations. Hence, you must take your taxes very seriously. So, what does it take to manage your taxes successfully and avoid the massive inconveniences associated with being flagged by the Internal Revenue Service for tax violations? There are so many answers to this question, but they can be summed up in one term: tax accounting. And that is what this book is all about. Written with non-accountant entrepreneurs in mind, this book can help you learn important tax accounting principles for ensuring optimal tax management in your business. These include: What tax accounting is. Important tax accounting guidelines. The difference between accounting and bookkeeping. How to claim tax deductions legally. How to choose the right business entity. How to manage payroll tax. Discover if you need an S corporation or a C corporation. And much, much more! By the time you're finished with this book, you'll be armed with sufficient knowledge to ensure proper management of your businesses' income taxes. And while you can never avoid taxes, what you'll learn here can make you and the IRS the best of friends. So, grab your copy of this book now and start your journey towards optimal tax management for your small business.

**Small Business Taxes For Dummies** Entrepreneur Press

**Tax Tips for Small Business, 1988-89** Montreal Financial

Tired of paying so much tax to the IRS? You are not alone! Small business owners and self-employed people are overpaying their taxes by millions of dollars every year. Tax pro Wayne Davies provides the tax reduction strategies you need to substantially lower your taxes. Read this book to discover 29 perfectly legal tax deductions you can use without any fear of the IRS. Here you'll find the answers to these questions:What is the easiest way for a Small Business Owner/Self-Employed Person to lower your taxes? This tax strategy is so simple you'll be wondering why you haven't been using it for years. Are you paying yourself the "right way" or the "wrong way"? Self-employed people are notorious for compensating themselves in a way that actually increases their taxes. Learn this tax tip and you'll know how to pay yourself so that you pay less tax, not more. Do you know how to turn non-deductible personal medical expenses into a legitimate business expense? Most taxpayers can never write off medical expenses. This deduction changes that. Do you know how to convert taxable income into tax-free income? Yes, it can be done. . . legally! Are you deducting your commuting miles? Most business owners don't. This book will show you how to do it without worrying about an audit. This deduction alone could save you a bundle. Readers love the "plain English" writing style of author Wayne Davies. "This book is clear and concise. It's as simple as tax talk can possibly be." "I've never seen so much great tax info distilled into simple, even entertaining explanations." "No technical gobbledygook, just excellent information you can use immediately."

*Tax Tips for the Small Business Owner and Professionals, 1989* Tax Savvy for Small Business

Only a small number of the deductions that business owners and the self-employed are entitled to take are listed in the IRS instructions. The rest can be found here. The author explains hundreds of write-offs in an easy-reference format.

John Wiley & Sons

2020 updates to our award-nominated book (Author Academy Awards, Oct. 2019):reflects the latest tax law changes and expanded with two new chapters. Do-it-yourself accounting and taxes are growing in popularity but often leads to rookie mistakes that can make you fall hard and fast. It's true, look at how many small businesses close their doors during the startup years. Running a profitable business boils down to one thing — the numbers. And going it alone (without expert guidance) doesn't work out. This book reveals the inside scoop the authors gain while helping small business clients with preparing tax returns, paying taxes, bookkeeping, managerial decision making, business plans and ideas, accounting, technology recommendations, tax resolution, tax planning, and more. You'll learn practical information you can implement right now whether you're a sole proprietor, freelancer, side hustler, independent contractor, entrepreneur, partnership, LLC, or S-Corp. Here's what the book reveals: Tax tips accountants aren't always willing to share The lesser-known problems small business owners face How tax write-offs affect your tax return Why bookkeeping is a top priority How to protect yourself when you make a mistake Get your copy to find out why deducting the right way helps you operate a more profitable venture.

**Must Know Tax Tips for Small Businesses** John Wiley & Sons  
The Tax Rules Have Changed. Your Business Should, Too. The Tax Cut and Jobs Act of 2017 marks the biggest tax reform in more than 30 years. The changes to the tax code are complex (especially for the small-business owner), but you don't have to go it alone. CPA and Attorney Mark J. Kohler delivers a comprehensive analysis of the new tax and legal structure you desperately need to help make the new tax law work for you. In this revised edition of The Tax and Legal Playbook, Kohler reveals clear-cut truths about tax and legal planning and delivers a practical, play-by-play guide that helps you build wealth, save on taxes, and protect your assets. Using real-world case studies, tax-savvy tips, game plans, and discussion points,

**J.K. Lasser's 75 Tax Tips for You and Your Family** 475 Tax Deductions for Busines  
Small business taxes taxing you out? For most business owners, their single biggest “expense” (and headache) is dealing with their taxes. And while the just passed Congressional tax bill reduced taxes for many of the estimated 30 million small business owners in the U.S., the nation’s taxes continue to be complex. Not being up-to-speed on tax rules and strategies can lead to mistakes that cost business owners thousands of dollars in fines and penalties every year. Small Business Taxes For Dummies assists both current and aspiring small business owners with important tax planning issues, including complete coverage of the tax changes taking effect in 2018, creating an ongoing tax routine, dealing with the IRS, and navigating audits and notices. Includes issues influencing incorporated small businesses, partnerships, and LLCs Offers expanded coverage of other business taxes including payroll and sales taxes Provides websites and other online tax resources Gives guidance to millennials juggling multiple gigs If you're a current or aspiring small business owner looking for the most up-to-date tax planning issues, this book keeps you covered.
