 American Society for Training and Development

Nursing Programs 2011 profiles nearly 3,200 undergraduate, graduate, and postdoctoral options at more than 700 institutions in the United States and Canada. A special section, The Nursing School Advisor, includes indepth articles about degree and career options, the admissions process, and specialized programs for professions such as nurse practitioner

and clinical specialist. **Directory of Accredited Organizations, Approved Programs/offers, and Accredited Continuing Education Certificate Programs Preparing Nurse Practitioners** Jones & Bartlett Learning First multi-year cumulation covers six years: 1965-70. *A Survey of Continuing Education Needs for Registered Nurses in the State of*

Kansas Peterson's Grants awarded by the Division of Nursing between June, 1978, to Sept., 1983. Arranged alphabetically. Each entry gives grant number, project period, category code, institution and address, project, and brief description. No index. [An Historical Perspective of Continuing Education in Kansas](#) Competency in Home Care doesn't just describe the

standards of practice... it gives you the resources to meet them. it provides practical, authoritative guidance for: creating effective staff development plans, designing orientation programs that get caregivers up to speed immediately, establishing performance criteria for every position in the home care continuum, and ensuring ongoing competency. Plus you get powerful insights into

the growth of modern home care, The role of competency programs in staff recruitment and retention, and how to get it done in any organization, regardless of background, makeup, or affiliation.
