"Why didn't you hire the last ten people you interviewed and passed on?" Leading career expert and syndicated columnist Andrea Kay asked numerous employers that single, simple question because of what she felt seemed a glaring disconnect in the business world--millions of educated, qualified people either out of work or unhappily employed, despite an increasing number of companies with job openings they can't seem to fill. How could that be? *This Is How to Get Your Next Job* is the story of her quest for answers and, more importantly, the surprising conclusions she was led to by these employers frustrated with not being able to fill these positions. The overwhelmingly common answers she received time after time were not about skills or experience but about how applicants behaved and spoke during the interview. From lack of preparation, to pushiness, to a subtly defensive attitude, these simple behaviors that prospective employees exhibited before, during, and after interviews

ended up nullifying their otherwise-qualified résumé. Now, in this well-researched book based on candid insights from real-life employers, job hunters can learn how to take control of how they come across to the people in charge of giving them the exciting, rewarding opportunities they are seeking. Show them why you're the perfect fit for their job!

Details Men's Style

Manual J. Ross Publishing Most every woman has found herself with a closet full of too many clothes or surrounded by brand-new items that somehow never get worn. Instead she gets stuck wearing the same few familiar pieces from a wardrobe that just doesn't feel "right." Dr. Jennifer Baumgartner argues that all those things are actually manifestations of deeper life issues. What if you could understand your appearance as a representation of your inner unresolved conflicts and then assemble a wardrobe to match the way you wish to be perceived? In this fashion guide that is like no other, Dr. Baumgartner helps readers identify the psychology behind their choices, so they can not only develop a personal

style that suits their identity but also make positive changes in all areas of life.

In *Pour Your Heart Into It*, former CEO and now chairman emeritus Howard Schultz illustrates the principles that have shaped the Starbucks phenomenon, sharing the wisdom he has gained from his quest to make great coffee part of the American experience. The success of Starbucks Coffee Company is one of the most amazing business stories in decades. What started as a single store on Seattle's waterfront has grown into the largest coffee chain on the planet. Just as remarkable as this incredible growth is the fact that Starbucks has managed to maintain its renowned commitment to product excellence and employee satisfaction. Marketers, managers, and aspiring entrepreneurs will discover how to turn passion into profit in this definitive chronicle of the company that "has changed everything... from our tastes to our language to the face of Main Street" (Fortune).
