The Legend of *Zelda:*

*Tears of the Kingdom*

(TotK) is the sequel to

*Breath of the Wild*. It

features similar gameplay

mechanics and

requirements for 100%

completion. There are 23

Main Quests, 31 Shrine

Quests, 60 Side

Adventures, 139 Side

Quests. There are also

152 Shrines which are

puzzle rooms. The map is

quite large and consists of 3 layers: Sky, Surface, Depths. You will play as Link and must find Princess Zelda. After unlocking the first Skyview Tower (viewpoint) from the main story, you can freely explore the map right away and already find most shrines and quests. However, some require more story progress. So it's best to focus primarily on the story first, then you have access to everything and can clean up side tasks after. Nothing is missable. After the story you are put back before the final boss and can clean up any remaining tasks for 100% completion.

Zelda adventures of all time! *The Legend of Zelda Tears of the Kingdom Strategy Guide Book (Full Color - Premium Hardback)* Piggyback The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, The Walkthrough takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears

of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. The Walkthrough is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.
