Legal Writing for Legal Readers Aspen Publishing

The Murray and DeSanctis titles are designed for the current generation of law students whose familiarity and comfort with on-line and computer-based learning create a demand for teaching resources that take advantage of that familiarity and comfort level. *Legal Writing and Analysis* provides a process-based text covering all aspects of first year legal analysis and objective legal writing topics. It employs the TREAT paradigm and the doctrine of explanatory synthesis, designed with reference to rhetorical

theory to maximize the effectiveness of audience-directed legal writing. Paired with the book is an electronic, computer-based version of the text that adds links to on-line databases and internet-based resources and supplements the text with pop-up definitions from Black's Law Dictionary. The electronic version of the text is searchable and highly portable, with internal and external navigation links, making them more valuable for use in class and out. The interactive text employs a layout that departs from the traditional, all-text casebook format through use of callout text boxes, diagrams, and color/border segregated feature sections for hypotheticals, references to scholarly debates, or other useful information for law students. For more information and additional teaching materials, visit the companion site.

Legal Research, Analysis, and Writing Legal Writing and Analysis
"This book teaches students the critical skills of legal reasoning. This popular book is a practical and clear guide that explains the many ways lawyers analyze the law. The authors demystify legal analysis by examining the foundations and methodology of legal problem solving and by discussing the different levels of critical thinking necessary to develop effective legal arguments. The book emphasizes the importance of applying the law as opposed to relying excessively on formulaic methods of analysis. New to the second edition, the book examines rule-based reasoning and the implicit rule; deductive analysis and resolving statutory ambiguity; case-law reasoning and inductive analysis; the role of policy in legal argument; and the structure and variations of legal argument and CREAC. New examples and exercises are also included"--

Writing and Analysis in the Law Aspen Publishing
Whether you are starting law school or preparing to start the practice of law, you need to learn the essential skills and theory of your trade. *A Lawyer Writes* puts the reader in the place of a first-year attorney tasked with real life assignments. In doing so, it teaches law students not only how to succeed in law school, but also how to succeed in the practice of law. The book uses graphics and visual samples to demonstrate the variety of ways in which attorneys write effectively, showing best practices in both traditional and electronic environments. Speaking to its reader in a straightforward manner, *A Lawyer Writes*

communicates essential skills and theories so that they will be retained for a lifetime of legal practice.

A favorite classroom prep tool of successful students that is often recommended by professors, the Examples & Explanations (E&E)

series provides an alternative perspective to help you understand your casebook and in-class lectures. Each E&E offers hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics in your courses and compare your own analysis. Here's why you need an E&E to help you study throughout the semester: Clear explanations of each class topic, in a conversational, funny style. Features hypotheticals similar to those presented in class, with corresponding analysis so you can use them during the semester to test your understanding, and again at exam time to help you review. It offers coverage that works with ALL the major casebooks, and suits any class on a given topic. The Examples & Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of class through the final exam.
